Dear Unitholder:

You are cordially invited to attend our special meeting of unitholders to be held on [●], 2017, at [●] local time at the offices of Thompson & Knight LLP, 900 Third Avenue, 20th Floor, New York, New York 10022-4728. The board of directors (the "Board") of Kestrel Heat, LLC, our general partner, has called the special meeting.

At the special meeting, unitholders will be voting on a proposal that would allow Star Gas Partners, L.P. (the "Partnership") to elect to be treated as a corporation, instead of a partnership, for federal income tax purposes (commonly known as a "check-the-box" election), and a proposal to approve and adopt the Third Amended and Restated Agreement of Limited Partnership of the Partnership to give effect to the change in federal income tax classification. Please consider the issues presented and vote your units as promptly as possible.

The Board has unanimously determined that the proposals are in the best interests of the Partnership and our unitholders and recommends that unitholders vote FOR each of the proposals.

If the unitholders adopt the proposals and the Partnership makes the check-the-box election:

- unitholders should no longer incur "phantom income" ("phantom income" is taxable income allocated to our partners in excess of cash distributed to those partners); and
- unitholders will begin to receive corporate dividends reported on an IRS Form 1099 rather than a share of income and expenses reported on an IRS Form 1065 Schedule K-1;
- the Partnership expects to realize approximately \$240,000 per year in administrative costs savings as a result of "checking-the-box";
- the Partnership expects to be able to fully deduct for tax purposes approximately \$1,200,000 in annual expenses related to being a publicly-traded entity if the election is effected which at present are not fully tax deductible by individual unitholders;
- the check-the-box election should not be a taxable event for the unitholders; and
- the partnership agreement of the Partnership will be amended to effect the above changes.

Immediately following the special meeting, the Partnership's name will be changed to "Star Group, L.P." in order to more closely align the Partnership's name with the expanded scope of its products and services it offers. The Partnership will continue to trade under the ticker "SGU" on the New York Stock Exchange.

Representation of your units at the meeting is very important. Whether or not you plan to attend the special meeting, please complete your proxy card and return it to us to ensure that your vote is counted. If you hold your units through an account with a brokerage firm, bank or other nominee, please follow the instructions you receive from them to vote your units. If your completed proxy card is not received, you may be contacted by representatives of the Partnership, the Partnership's transfer agent, or the Partnership's proxy solicitor, Georgeson LLC ("Georgeson"). Georgeson has been engaged to assist the Partnership in soliciting proxies. Representatives of Georgeson will remind you to vote your units and may be contacted at (888) 505-6583.

Thank you for voting.

Sincerely,

Paul A. Vermylen, Jr.

NOTICE OF SPECIAL MEETING OF UNITHOLDERS

To the Owners of Common Units of Star Gas Partners, L.P. (the “Partnership”):

Our special meeting of unitholders will be held on [●], 2017 at [●] local time at the offices of Thompson & Knight LLP, 900 Third Avenue, 20th Floor, New York, New York 10022-4728 to:

1. consider a proposal that would allow the Partnership to elect to be treated as a corporation, instead of a partnership, for federal income tax purposes;
2. consider a proposal to approve and adopt the Third Amended and Restated Agreement of Limited Partnership of the Partnership (the “Third Amended and Restated Partnership Agreement”) to give effect to the change in federal income tax classification from a partnership to a corporation as proposed by Proposal No. 1; and
3. transact any other business that properly comes before the meeting, or any adjournment thereof, by or at the direction of the board of directors of Kestrel Heat, LLC, our general partner.

We discuss the above business matters in more detail in the attached proxy statement.

Only holders of record of our Common Units at the close of business on September 13, 2017 will be entitled to vote.

QUESTIONS & ANSWERS ON VOTING PROCEDURES

Who is entitled to vote at the special meeting, and how many votes do they have?

With respect to Proposal Nos. 1 and 2, holders of record of our Common Units (each, a “Common Unit,” and collectively, the “Common Units”) who owned such units as of the close of business on September 13, 2017, the record date for the special meeting, may vote at the meeting. Each Common Unit has one vote. There were [●] Common Units outstanding and eligible to vote on the record date. There are no rights of appraisal or similar rights of dissenters arising from any of the Proposals to be acted on at the meeting.

How can I access the proxy materials over the Internet?

You can view the proxy materials for the special meeting on the Internet by using your control number, which can be found on your proxy card or voting instruction form.

Our proxy materials are also available on our website at www.star-gas.com/financial-information/sec-filings.

What is a quorum of unitholders?

The holders of a majority of the outstanding Common Units represented in person or by proxy shall constitute a quorum at the special meeting. Because there were [●] Common Units outstanding on September 13, 2017, holders of [●] Common Units represented in person or by proxy at the special meeting will constitute a quorum. We must have a quorum of the Common Units to conduct the meeting.

How many votes does it take to pass each matter?

If a quorum of unitholders is present at the meeting, we need:

- the affirmative vote of the holders of a majority of the Common Units outstanding and entitled to vote and be present in person or by proxy at the special meeting, to approve the proposal that would authorize Star Gas Partners, L.P. to elect to be treated as a corporation for federal income tax purposes; and
- the affirmative vote of the holders of a majority of the Common Units outstanding, to approve the proposal to approve and adopt the Third Amended and Restated Agreement of Limited Partnership (the “Third Amended and Restated Partnership Agreement”).

The implementation of Proposals No. 1 and 2 is conditioned on approval of both proposals. Thus, even if Proposal No. 1 is approved by unitholders, the Partnership will not be authorized to elect to be treated as a corporation for federal income tax purposes unless Proposal No. 2 is also approved by unitholders. Similarly, even if Proposal No. 2 is approved by unitholders, the Third Amended and Restated Partnership Agreement will not become effective unless Proposal No. 1 is also approved by unitholders.

How are abstentions and broker non-votes treated?

Abstentions and broker non-votes count for purposes of determining the presence of a quorum. “Broker non-votes” occur when a bank, broker or other holder of record holding units for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Abstentions and broker non-votes will have the same effect as a vote against Proposals No. 1 and 2.

[Table of Contents](#)

How do I vote?

You may vote by any of the following methods:

- *By Telephone or Internet*—If you have telephone or Internet access, you may submit your proxy vote by following the instructions provided on your proxy card or voting instruction form.
- *By Mail*—You may submit your proxy vote by mail by signing a proxy card if your Common Units are registered or, for units held beneficially in street name, by following the voting instructions included by your broker, trustee or nominee, and mailing it in the enclosed envelope. If you provide specific voting instructions, your Common Units will be voted as you have instructed.
- *In Person at the Special Meeting*—If your Common Units are registered directly in your name with our transfer agent, Computershare, you are considered, with respect to those units, the unitholder of record. As the unitholder of record, you have the right to vote in person at the special meeting. If your Common Units are held in a brokerage account or by another nominee or trustee, you are considered the beneficial owner of Common Units held in street name. As the beneficial owner, you are also invited to attend the special meeting. Because a beneficial owner is not the unitholder of record, you may not vote these Common Units in person at the meeting unless you obtain a “legal proxy” from your broker, trustee or nominee that holds your Common Units, giving you the right to vote the Common Units at the special meeting. If you plan on attending the special meeting in person and need directions to the meeting site, please contact Investor Relations at (203) 328-7310 to have your name registered with building security at the special meeting site.

If I vote by telephone or Internet and received a proxy card in the mail, do I need to return my proxy card?

No.

If my Common Units are held in “street name” by my broker, will my broker vote my Common Units for me?

If your Common Units are held in a brokerage account, you will receive a full meeting package, including a voting instructions form to vote your Common Units. Your brokerage firm may permit you to provide voting instructions by telephone or by the Internet. Brokerage firms have the authority under NYSE rules to vote their clients’ unvoted units on certain routine matters. Your brokerage firm is not permitted, however, to vote your Common Units on Proposal No. 1 with respect to the proposal that would authorize the Partnership to elect to be treated as a corporation for federal income tax purposes or Proposal No. 2 with respect to the proposal to approve and adopt the Third Amended and Restated Partnership Agreement as both of these proposals are non-routine. We urge you to respond to your brokerage firm so that your vote will be cast in accordance with your instructions.

What is a proxy?

A proxy is another person you authorize to vote on your behalf. We solicit proxy cards that are used to instruct the proxy how to vote so that all Common Units may be voted at the special meeting even if the holders do not attend the meeting in person.

How will my proxy vote my Common Units?

If you properly sign and return your proxy card or voting instructions form, your Common Units will be voted as you direct. If you sign and return your proxy card, but do not specify how you want your Common Units voted, they will be voted “FOR” the proposal that would authorize the Partnership to elect to be treated as a corporation for federal income tax purposes and “FOR” the proposal to approve and adopt the Third Amended and Restated Partnership Agreement. Also, you will give your proxies authority to vote, using their discretion, on any other business that properly comes before the meeting, including to adjourn the meeting.

[Table of Contents](#)

How do I vote using my proxy card?

There are three steps.

1. Vote on each of the matters as follows:

Proposal No. 1. Check the box “FOR” or “AGAINST,” or “ABSTAIN” (to not cast a vote); and

Proposal No. 2. Check the box “FOR” or “AGAINST,” or “ABSTAIN” (to not cast a vote).

2. Sign and date your proxy card. If you do not sign and date your proxy card or do not submit a proxy by telephone or internet, your votes cannot be counted.
3. Mail your proxy card in the pre-addressed, postage-paid envelope.

Please check the box on your proxy card if you plan to attend the special meeting.

Can I vote by proxy even if I plan to attend the special meeting?

Yes. If you vote by proxy and decide to attend the special meeting, you do not need to fill out a ballot at the meeting, unless you want to change your vote.

Who can attend the special meeting?

All unitholders as of the record date, or their duly appointed proxies, may attend the special meeting. Each unitholder may be asked to present valid picture identification, such as a driver’s license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Please note that if you own Common Units in “street name,” meaning through a broker or other nominee, you will need to bring a copy of a brokerage statement reflecting your unit ownership as of the record date. You will not be able to vote your Common Units in person without a legal proxy (as described above).

Why might I receive more than one proxy card? Should I vote on each proxy card I receive?

First, you may have various accounts with us that are registered differently, perhaps in different names or with different social security or federal tax identification numbers. Second, you may also own Common Units indirectly through your broker. Your broker will send you a proxy card or voting instructions form for these Common Units. You should vote on each proxy card or voting instructions form you receive and mail it to the address shown on the applicable proxy card or form.

How do I change my vote or revoke my proxy?

You may change your vote at any time before the special meeting by:

- notifying Richard F. Ambury, Secretary, in writing received prior to the commencement of the special meeting at Star Gas Partners, L.P., 9 West Broad Street, Suite 310, Stamford, Connecticut 06902, that you are changing your vote or revoking your proxy; or
- completing and sending in another proxy card or voting instructions form with a later date, which proxy card or voting instructions form is received prior to the closing of the polls at the special meeting; or
- attending the special meeting and voting in person.

Who is soliciting my proxy, how is it being solicited, and who pays the cost?

The Partnership, on behalf of the Board of Directors of Kestrel Heat, LLC, our general partner (the “Board”), through its managers, officers and employees, is soliciting proxies primarily by mail. However,

[Table of Contents](#)

proxies may also be solicited in person, by telephone or facsimile. The Partnership has also retained Georgeson, LLC (“Georgeson”) to assist in soliciting proxies from brokers, bank nominees, and other institutional holders. The Partnership will pay the cost of soliciting proxies.

What should I do if I want to make a proposal to be considered at the meeting?

Your Common Units do not entitle you to make proposals at the special meeting. Under the Second Amended and Restated Agreement of Limited Partnership, as amended as of the date of this proxy statement (the “Second Amended and Restated Partnership Agreement”), only our general partner, Kestrel Heat, LLC, can make a proposal at the meeting. The Second Amended and Restated Partnership Agreement establishes a procedure for calling meetings whereby limited partners owning 20% or more of the outstanding units of the class for which a meeting is proposed may call a meeting at which they may make proposals.

MATTERS YOU ARE VOTING ON

Proposal No. 1: Proposal to Allow the Partnership to Elect to be Treated as a Corporation for Federal Income Tax Purposes

This proposal is to authorize the Partnership to take the required regulatory steps to allow the Partnership to be treated as a corporation, instead of a partnership, for federal income tax purposes, beginning on the date selected by the Board, which will not be earlier than the date on which the Partnership files IRS Form 8832. See Proposal No. 1 beginning on the following page. *The Board recommends a vote “FOR” Proposal No. 1* for the reasons described under Proposal No. 1, including the following:

- we believe that enacting Proposal No. 1 would improve the after-tax returns of our taxable unitholders by eliminating taxable “phantom income” currently incurred by our unitholders (“phantom income” is taxable income allocated to our partners in excess of cash distributed to those partners);
- we believe that enacting Proposal No. 1 would allow the Partnership to fully deduct certain administrative and compliance costs associated with it being a publicly-traded entity that are not currently deductible in full by individual unitholders (including individual unitholders who indirectly own Common Units through pass-through entities) of approximately \$1,200,000 per year;
- we believe that enacting Proposal No. 1 may enhance the marketability of our Common Units because if the Partnership is no longer being taxed as a partnership, it would no longer be required to issue IRS Form 1065 Schedule K-1 to our unitholders; and
- we estimate that enacting Proposal No. 1 would generate approximately \$240,000 in annual administrative cost savings, primarily from avoiding the expense associated with generating and mailing IRS Form 1065 Schedule K-1.

Proposal No. 2: Proposal to Approve and Adopt the Third Amended and Restated Partnership Agreement

This proposal is to approve and adopt the Third Amended and Restated Partnership Agreement, effective as of [●], 2017. See Proposal No. 2 beginning on page 19. *The Board recommends a vote “FOR” Proposal No. 2* for the same reasons set forth above for Proposal No. 1 since the primary purpose of the amendments set forth in the Third Amended and Restated Partnership Agreement is to delete or amend those provisions of the Second Amended and Restated Partnership Agreement that pertain to the Partnership’s federal income tax classification as a partnership. In other words, the primary purpose of those amendments is to permit and effect the election contemplated by Proposal No. 1. The amendments will also reflect the name change of the Partnership to “Star Group, L.P.” which name change will become effective immediately following the special meeting.

Other Business Matters

The Board is not aware of any other business for the special meeting. However, if any matters concerning the conduct of the meeting are properly presented for action, then unitholders present at the meeting may vote on such items. If you are represented by proxy, your proxy will vote your Common Units using his or her discretion.

PROPOSAL NO. 1: PROPOSAL TO ALLOW THE PARTNERSHIP TO ELECT TO BE TREATED AS A CORPORATION, INSTEAD OF A PARTNERSHIP, FOR FEDERAL INCOME TAX PURPOSES

Proposal

The Board has approved and hereby proposes, and recommends, that the unitholders approve a proposal to authorize the Partnership to take the required regulatory steps to allow the Partnership to be treated as a corporation, instead of a partnership, for federal income tax purposes (the “election”). If the election is approved by the unitholders, after the Partnership makes the election the Partnership will cease to be taxed as a pass-through entity for federal income tax purposes and will begin to be taxed as a corporation effective as of the date selected by the Board, which will not be earlier than the date on which the Partnership files IRS Form 8832. That date is expected to be [●], 2017. However, the Partnership will remain a limited partnership for state law purposes even if the Partnership makes the election, and all other provisions of the Partnership Agreement will remain in effect, including the provisions relating to incentive distributions.

In conjunction with this proposal, the Board also recommends that unitholders approve and adopt an amendment and restatement of the Second Amended and Restated Partnership Agreement, which would, in part, delete or amend, as applicable, those provisions of the Second Amended and Restated Partnership Agreement that pertain to the Partnership’s federal income tax classification as a partnership and allow it to be taxed as a corporation as described in Proposal No. 2 below. This Proposal No. 1 is conditioned on Proposal No. 2 being approved by the partners, such that even if unitholders approve the election pursuant to this Proposal No. 1, the Partnership will not consummate the election unless unitholders also approve and adopt the Third Amended and Restated Partnership Agreement pursuant to Proposal No. 2 below. In addition, the election will not be consummated unless any required consents are obtained from lenders under the Partnership’s credit facility.

Vote Required

Approval of this proposal requires the affirmative vote of the holders of a majority of the Common Units outstanding and entitled to vote and be present in person or by proxy at the special meeting. Abstentions and broker non-votes will have the same effect as a vote against this proposal.

Recommendation of the Board

The Board believes that it is in the best interests of our unitholders to authorize the Partnership to elect to be treated as a corporation for federal income tax purposes. As such, the Board recommends that you vote **FOR** this proposal.

THE BOARD RECOMMENDS THAT UNITHOLDERS VOTE “FOR” THE PROPOSAL TO ALLOW THE PARTNERSHIP TO ELECT TO BE TREATED AS A CORPORATION, INSTEAD OF A PARTNERSHIP, FOR FEDERAL INCOME TAX PURPOSES. IF NOT OTHERWISE SPECIFIED IN PROXY CARDS, THE PROXY WILL VOTE COMMON UNITS “FOR” APPROVAL OF THIS PROPOSAL.

Reasons for the Transaction

The Board believes that the election is in the best interests of the Partnership and our unitholders and should be approved for the following reasons:

Elimination of Phantom Income Allocation and Increased Availability of Tax Deductions for Expenses

We are currently structured as a pass-through entity for federal income tax purposes. As such, our unitholders are required to pay federal income taxes and, in some cases, state and local income taxes, on their share of our taxable income, whether or not they receive cash distributions from us.

[Table of Contents](#)

We annually allocate an amount of taxable income to our unitholders that exceeds the amount of their cash distributions (such excess, “phantom income”) and such phantom income, which is currently an economic detriment to taxable unitholders, should be eliminated after the election. The Partnership uses cash distributions from its corporate subsidiaries, Star Acquisitions, Inc. (“Star Acquisitions”) and Star Gas Finance Company (“SGFC”), to pay certain administrative and compliance expenses, make unit repurchases and fund distributions to the unitholders. Moreover, phantom income could result if we directly acquired the equity or assets of a target company using dividends from our corporate subsidiaries. To the extent the cash distributions from Star Acquisitions and SGFC are classified as dividends for federal income tax purposes, the amount received by the Partnership that exceeds the amount actually distributed to the unitholders results in phantom income allocated to the unitholders. Our unitholders have been required to pay the actual tax liability that results from their share of our dividend income, even if such dividend income exceeds the cash distributions received by them from us. Over the last five years, the phantom income allocated to our unitholders has been as low as zero and as high as \$9.6 million, or 16.9 cents per Common Unit.

In addition, the various administrative and compliance expenses paid by the Partnership must be separately reported on each unitholder’s Form 1065 Schedule K-1. Section 67 of the Code provides that these types of expenses, referred to as “miscellaneous itemized deductions” will be deductible by an individual (including individual unitholders who indirectly own Common Units through pass-through entities) only to the extent they exceed 2% of such individual’s adjusted gross income. This limitation on deductions for certain individuals has the effect of further increasing the amount of phantom income required to be reported by such individual unitholders. The Partnership currently incurs approximately \$1,200,000 in such expenses each year related to being a publicly-traded entity that it expects to be fully deductible if the election is made.

After the election, the Partnership should not generate phantom income and should be able to deduct its administrative and compliance costs on the consolidated corporate tax return it will file with its subsidiaries.

If the election is approved by the unitholders and the Partnership makes the election, the Partnership will become a member of the Star Acquisitions consolidated group and join the consolidated federal income tax return currently filed by such group. Currently, the cash distributions we receive from Star Acquisitions and SGFC are net of corporate taxes paid by the Star Acquisitions consolidated group. After the election, the Partnership will be the common parent of the consolidated group and the cash distributions paid by Star Acquisitions and SGFC to the Partnership will be nontaxable intercompany distributions. Accordingly, we do not expect that the federal corporate tax liability of such consolidated group will increase as a result of the election. Electing to be treated as a corporation for federal income tax purposes will eliminate our unitholders’ liability to pay taxes on their share of our phantom income. Instead, unitholders will only be required to pay taxes on the distributions actually received. The election will not alter the rights of the holders of our Common Units or our general partner to the distributions described in the Second Amended and Restated Partnership Agreement.

Enhanced Marketability of Common Units

Electing to be treated as a corporation for federal tax purposes eliminates the tax uncertainty associated with future phantom income, eliminates the requirement to issue Form 1065 Schedule K-1s and allows the Partnership to deduct certain administrative and compliance expenses, all of which we believe could result in enhanced marketability of our Common Units and could result in additional investors acquiring our Common Units who previously may not have invested in the Partnership due to it being treated as a pass-through entity for federal income tax purposes. We believe certain types of investors may have been less inclined to purchase our Common Units when there was a risk that the Partnership would generate phantom income that would be allocated to those investors. In addition, we believe many investors prefer not to invest in pass-through entities such as the Partnership because of the relatively greater administrative burden of receiving a Form 1065 Schedule K-1 as compared to a Form 1099 in respect of their investment in the pass-through entity, and the resulting obligation to file state tax returns in all of the states in which the pass-through entity operates.

Table of Contents

Additionally, after the election, the Partnership believes that certain tax-exempt investors may be more likely to invest in the Partnership because, when treated as a corporation for federal tax purposes, such investors do not have a risk that they will be allocated unrelated business taxable income associated with an investment in Partnership units, except to the extent that the tax-exempt entity has units that are considered debt-financed. While the Partnership currently does not generate material amounts of unrelated business taxable income, the classification of the Partnership as a partnership for federal income tax purposes may cause some tax-exempt investors to conclude that they are at risk of unrelated business taxable income by investing in the Partnership.

The same rationale applies with respect to foreign investors and regulated investment companies (“RICs”) investors. Foreign investors in publicly traded partnerships (“PTPs”) taxed as partnerships are subject to onerous reporting and tax payment obligations and for that reason typically do not invest in such entities. That concern will no longer apply after the election. Similarly, RICs cannot hold more than 25% of their investments in PTPs taxed as partnerships and this requirement is often seen as a reason why RICs typically avoid investing in such entities. Accordingly, by no longer being taxed as a partnership, the Partnership believes that investor perception of the Partnership will improve and make it more widely appealing to investors.

Administrative Cost Savings

As a PTP, the Partnership incurs significant external and internal costs to calculate and issue approximately 17,000 Form 1065 Schedule K-1s to the unitholders annually (approximately 16,450 such forms in 2016). We estimate that eliminating Form 1065 Schedule K-1 production by us will reduce our administrative costs by approximately \$240,000 annually.

The Partnership is a PTP for U.S. federal income tax purposes. Generally, a PTP is treated as a corporation unless certain qualifying gross income requirements are met. When a PTP is treated as a corporation, it is taxed as a corporation and thus subject to an entity level federal income tax. However, if the PTP meets the qualifying gross income requirements, the business entity is not subject to federal corporate income tax but instead, is treated as a partnership or a pass-through entity for federal income tax purposes. To meet the qualifying gross income requirement, 90 percent or more of the PTP’s gross income for the taxable year must consist of qualifying passive-type income. Qualifying passive-type income generally includes: interest; dividends; real property rents; gains from the sale or other disposition of real property; income and gains from certain natural resource activities; gain from the sale or disposition of a capital asset held for the production of income described above; and in certain cases, income and gains from commodities or futures, forwards, and options with respect to commodities. Income from the retail distribution of propane is qualifying income, but the retail distribution of heating oil does not generate qualifying income.

After the Partnership sold its propane business, Star Gas Propane L.P. (“Star Gas Propane”), in 2004, it had no active business operations that generated qualifying income. Currently, the Partnership’s only material assets are the stock of corporations, Star Acquisitions and SGFC, that are primarily engaged in the retail distribution of heating oil (which does not meet the qualifying income test) and the Partnership’s sole sources of income are dividends from such corporations. Even though the Partnership does not directly conduct any active business operations that generate qualifying income, dividend income is qualifying income, and thus, 90 percent or more of the Partnership’s gross income for the taxable year consists of qualifying income.

Although certain corporate subsidiaries of the Partnership conduct active propane operations, the tax efficiencies of a PTP taxed as a partnership are lost because the qualifying income generated by these propane operations is subject to a corporate level tax prior to the dividend distributions made to the Partnership. Therefore, the Partnership’s income is subject to two levels of taxation even though it is a PTP taxed as a partnership.

As a PTP, the Partnership incurs significant external and internal costs to calculate and issue approximately 17,000 Form 1065 Schedule K-1s to the unitholders annually (approximately 16,450 such forms in 2016). We

Table of Contents

estimate that eliminating Form 1065 Schedule K-1 production by us will reduce our administrative costs by approximately \$240,000 annually.

The Partnership's external administrative costs arise from hiring professionals, such as PricewaterhouseCoopers ("PwC"), to prepare the Form 1065 Schedule K-1s. Internally, the Partnership is required to allocate resources to maintain a website to permit the unitholders of the Partnership to access their tax information, manage and collect data necessary to prepare the Form 1065 Schedule K-1s, manage the Form 1065 Schedule K-1 filing process, correct Form 1065 Schedule K-1 errors and resolve unitholders' questions. These costs are typical to an entity that is a PTP, such as the Partnership, and a PTP structure typically generates tax benefits to the unitholders because qualifying income is allocated to the unitholders and is not subject to double taxation. However, since the sale of the Partnership's propane distribution and services segment in 2004, the Partnership no longer directly conducts active business operations that generate qualifying income and the current partnership tax structure no longer provides any tax efficiency to the unitholders. Yet the Partnership is still incurring significant external and internal costs. After the election, the incremental costs related to the tax compliance of the Partnership noted above would be reduced. Additionally, when a PTP issues or repurchases units or when units are transferred between unitholders, the Partnership incurs additional administrative costs to determine the appropriate basis adjustments. PwC is currently responsible for calculating such adjustments and the fees incurred to perform the partnership basis calculation would be eliminated if the proposed election occurs.

"Special Approval" of the Election and the Third Amended and Restated Partnership Agreement

On May 19, 2017 the Board constituted the Conflicts Committee, a committee of the Board meeting the requirements set forth in the Partnership Agreement consisting of Henry D. Babcock, C. Scott Baxter and William P. Nicoletti, and authorized the Conflicts Committee to (among other things) review and evaluate the election (commonly referred to as a "check the box" election) and the potential amendments to the Partnership Agreement proposed to effect the election set forth in the Third Amended and Restated Partnership Agreement. The Board took this action because (among other things), while making the election would benefit the limited partners by eliminating phantom income, it would likely provide a proportionately greater benefit to the general partner on a per-unit basis because, though in aggregate the amount of phantom income allocated to the limited partners has been greater than that allocated to the general partner, the general partner has been allocated a greater amount of phantom income on a per-unit basis; accordingly, the Board determined that an actual, potential or perceived conflict of interest may have existed.

The Conflicts Committee engaged Akin Gump Strauss Hauer & Feld LLP ("Akin Gump") as the Conflicts Committee's independent legal advisor, and held a series of meetings with members of management of the general partner and Akin Gump to review and evaluate the election and the Third Amended and Restated Partnership Agreement. In a number of those meetings, the Conflicts Committee reviewed and discussed materials provided to it by management of the general partner, including:

- historical financial information of the Partnership, including information regarding phantom income that had been generated by the Partnership and allocated to its general partner and limited partners;
- projected financial information of the Partnership, including information regarding projected amounts of phantom income that would be allocated to the general partner and the limited partners in the future if the election were not made;
- information regarding projected expenses of the Partnership that are not currently tax-deductible but would be if the election were effected;
- information regarding projected expenses of the Partnership related to Form 1065 Schedule K-1 preparation and mailing, which would be eliminated if the election were effected;
- various memos, board presentations, and other summaries regarding the potential impacts of, and process and business rationales for, the election;

- information regarding the treatment by the Partnership of capital accounts for liquidation purposes if the election were effected; and
- the proposed changes to the Partnership's partnership agreement reflected in the form of the Third Amended and Restated Partnership Agreement.

In considering whether to approve the election and the Third Amended and Restated Partnership Agreement, the Conflicts Committee considered a number of factors, both in consultation with management of the general partner and in executive session, including the following:

- legal presentations and other information provided to the Conflicts Committee by Akin Gump and Thompson & Knight LLP (Thompson & Knight), counsel to the general partner;
- financial presentations and other information provided by management of the general partner, including:
 - the amount of phantom income that had historically been allocated to the general partner and the limited partners, and the amount of phantom income that is projected to be allocated to the partners in the future if the election were not made,
 - the amount of public company-related expenses incurred at the Partnership level that cannot currently be deducted but would be deductible to the Partnership if the election were effected,
 - the amount of expenses incurred by the Partnership relating to Form 1065 Schedule K-1 preparation and mailing that would be eliminated if the election were effected, and
 - the additional phantom income that would be allocated to the partners in the future if the Partnership repurchased common units or acquired other companies and/or assets, and the election were not made;
- the relative interests of the general partner and the limited partners in the election, including the historical and projected allocations of phantom income to the general partner and the limited partners;
- the potential benefits and burdens to the Partnership and its limited partners of making the election, including:
 - the benefits to the limited partners of reducing their exposure to phantom income,
 - the expected future deductibility of certain Partnership expenses associated with being a publicly-traded entity,
 - the expenses expected to be incurred in connection with evaluating the election and the Third Amended and Restated Partnership Agreement and holding a limited partner vote on the election and the Third Amended and Restated Partnership Agreement,
 - the effect of the election on the Partnership's ability to repurchase common units or acquire other companies and/or assets in the future without generating phantom income,
 - the Partnership's current method of acquiring propane assets through its corporate subsidiary, and fact that the election would therefore not affect the Partnership's ability to acquire similar propane assets in the future, and
 - the potential for additional potential investors in the Partnership's common units after the election as a result of the Partnership (i) no longer delivering Form 1065 Schedule K-1 to its limited partners and (ii) no longer allocating partnership income and loss to its investors;
- the potential benefits and burdens to the Partnership and its limited partners of choosing to not pursue making the election, including:
 - avoiding the expenses expected to be incurred in connection with holding a limited partner vote on the election and the Third Amended and Restated Partnership Agreement, and
 - avoiding the expenses expected to be incurred in connection with effecting the election;

Table of Contents

- the requirements of the Partnership Agreement and Delaware law relevant to decisions to be made by the Conflicts Committee; and
- an opinion with respect to certain tax matters provided to the Partnership (and on which the Conflicts Committee was permitted to rely) by Thompson & Knight, which, among other things, concluded that the Partnership and the unitholders of the Partnership should recognize no gain or loss as a result of the election.

After extensive meetings covering the election, the Third Amended and Restated Partnership Agreement, and such other information relevant thereto as was determined appropriate by the Conflicts Committee, including the foregoing, the Conflicts Committee by unanimous written consent on August 14, 2017:

- determined that the election and the Third Amended and Restated Partnership Agreement are fair and reasonable to and in the best interests of the Partnership and the common unitholders unaffiliated with Kestrel Heat (the Unaffiliated Unitholders);
- approved the election and the Third Amended and Restated Partnership Agreement in all respects, which approval constituted “Special Approval” under the Partnership Agreement;
- recommended that the Board approve the election and the Third Amended and Restated Partnership Agreement;
- recommended that the Board submit the election and the Third Amended and Restated Partnership Agreement to a vote of the holders of common units for approval; and
- recommended that the holders of common units approve the election and the Third Amended and Restated Partnership Agreement.

Material U.S. Federal Income Tax Considerations

The following is a discussion of the material U.S. federal income tax consequences of the election that may be relevant to our unitholders. This discussion is based upon current provisions of the Internal Revenue Code of 1986, as amended (the “Code”), existing and proposed regulations and current administrative rulings and court decisions, all of which are subject to change, possibly with retroactive effect. Changes in these authorities may cause the tax consequences to vary substantially from the consequences described below. For purposes of this discussion, unless otherwise indicated, references to “unitholders” refer to holders of our common units and general partner units and references to “units” refer to our common units and general partner units.

This discussion does not address any U.S. federal estate or gift tax laws or the tax considerations arising under the laws of any foreign, state, local or other jurisdiction. The discussion focuses on unitholders who are individual citizens or residents of the U.S. and has only limited application to corporations, estates, entities treated as partnerships for U.S. federal income tax purposes, trusts, nonresident aliens, U.S. expatriates and former citizens or long-term residents of the United States or other unitholders subject to specialized tax treatment, such as banks, insurance companies and other financial institutions, tax-exempt institutions, foreign persons (including, without limitation, controlled foreign corporations, passive foreign investment companies and non-U.S. persons eligible for the benefits of an applicable income tax treaty with the United States), IRAs, real estate investment trusts (REITs) or mutual funds, dealers in securities or currencies, traders in securities, U.S. persons whose “functional currency” is not the U.S. dollar, persons holding their units as part of a “straddle,” “hedge,” “conversion transaction” or other risk reduction transaction, and persons deemed to sell their units under the constructive sale provisions of the Code.

Each unitholder should consult its own tax advisors as to its particular U.S. federal income tax consequences as a result of the election, as well as the applicability and effect of U.S. federal income and estate or gift, and state or local or foreign tax laws in light of its particular circumstances.

General

We intend for the election to be a transaction qualifying for non-recognition of gain and loss under Section 351 of the Code. We received an opinion from Thompson & Knight LLP, dated as of August 14, 2017, to the effect that for federal income tax purposes:

1. The election should be treated as if immediately before the close of the day immediately before the effective date of the election (the “Effective Date”), (a) the Partnership transferred all of its assets to a new entity taxable as a corporation (“Newco”) solely in exchange for stock in Newco (the “Exchange”), and (b) immediately thereafter, the Partnership liquidated, distributing the stock of Newco to its unitholders in exchange for their interests in the Partnership (the “Distribution”).
2. The Exchange should be treated as a reverse acquisition. At the end of the day on the Effective Date, the Partnership becomes the new common parent of the affiliated group of corporations that previously filed a consolidated federal income tax return with Star Acquisitions as the common parent.
3. The Partnership, as an entity treated as a partnership for federal income tax purposes, should recognize no gain or loss upon the Exchange.
4. The Partnership, after it is treated as a corporation for federal income tax purposes, should recognize no gain or loss upon the Exchange.
5. The Partnership and the unitholders of the Partnership should recognize no gain or loss on the Distribution.
6. The basis of the Newco stock deemed received by the Partnership should be the same as the Partnership’s basis in the assets surrendered in exchange, and the Newco stock deemed received by the Partnership should have a split holding period—(i) to the extent that the value of the Newco stock is received in exchange for capital assets and Section 1231 assets of the Partnership, the Partnership should have a holding period in the Newco stock that includes the Partnership’s holding period in such assets, and (ii) to the extent that the value of the Newco stock is received in exchange for cash or other assets that are not capital assets or Section 1231 assets, the Partnership should have a holding period in the Newco stock that begins on the Effective Date.
7. The basis of the Partnership assets received by Newco should be the same as the basis of such assets in the hands of the Partnership immediately before the Exchange, except that Newco’s basis in the Star Acquisitions stock should be redetermined to equal Star Acquisition’s net asset basis. The holding period of each of the Partnership assets received by Newco in the Exchange should include the holding period of such assets in the hands of the Partnership immediately before the Exchange.
8. The basis of the Newco stock deemed received by a unitholder of the Partnership should be the same as such unitholder’s basis in its Partnership interest immediately before the Distribution and a unitholder’s holding period for the Newco stock deemed received should include the Partnership’s holding period of the Newco stock (which should be a split holding period, as described above).

The Conflicts Committee can also rely on the opinion. The opinion is based on customary assumptions and representations from the Partnership and Kestrel Heat, LLC, as well as certain covenants and undertakings by the Partnership. If any of the assumptions, representations, covenants or undertakings is incorrect, incomplete or inaccurate or is violated, the validity of the opinion described above may be affected and the tax consequences of the election could differ from those described in this proxy statement. An opinion of counsel represents counsel’s best legal judgment but is not binding on the Internal Revenue Service (the “IRS”) or any court, so there can be no certainty that the IRS will not challenge the conclusions reflected in the opinion or that a court would not sustain such a challenge. We have not sought and will not seek a ruling from the IRS, with respect to any of the tax consequences discussed below, and the IRS is not precluded from taking positions contrary to those described herein. As a result, no assurance can be given that the IRS will agree with all of the tax characterizations and the tax consequences described in the opinion or in this proxy statement.

The Election for the Partnership to be Taxed as a Corporation

We will file with the IRS our election to be treated as a corporation for federal income tax purposes on IRS Form 8832. We anticipate that the IRS will make a determination on our election and we should generally receive such determination within 60 days after we have filed IRS Form 8832. Once we make an election to change our federal income tax classification, we generally cannot change our classification by election again during the 60 months after the effective date of the election. Once the election is made, any change to our tax classification for federal income tax purposes will have tax consequences to both the entity and the unitholders.

For U.S. federal income tax purposes the election should be treated as follows. We should be deemed to have transferred all of our assets to a new entity treated as a corporation for U.S. federal income tax purposes; to have received interests in such company in exchange, and then to have distributed those interests to the unitholders in complete liquidation. If no gain or loss is recognized by us as a result of the election, our assets will retain the same tax basis in our hands as they had prior to the election, except that our tax basis in the Star Acquisitions stock should be redetermined to equal Star Acquisition's net asset basis.

The foregoing conclusions are based on the assumption that the unitholders will own, in the aggregate, at least 80% of our units outstanding immediately after the election, excluding from the numerator any shares received in the election that are sold after the election pursuant to a plan or arrangement established before the election (the "Control Assumption"). The Control Assumption should be correct unless, contrary to the best knowledge of the Partnership, unitholders holding a significant percentage of our units agree prior to the election to sell the shares they are deemed to receive as a result of the election. If the Control Assumption is not correct, the election will be treated as if we (a) sold all of our assets to the new entity treated as a corporation for U.S. federal income tax purposes for an amount equal to the value of the units received in the election, plus the liabilities of the Partnership assumed in the election, and (b) distributed the units received in the election to the unitholders. Accordingly, we would recognize gain (or loss) on the election in an amount equal to the amount by which the value of the units received plus the amount of the Partnership's liabilities assumed exceeds (or is less than) our tax basis in the assets transferred and all such gain or loss would be allocated to the holders of our common units in accordance with their interests in the Partnership.

If the Control Assumption is not correct, the new entity's tax basis in the assets acquired from us would equal the value of the units deemed issued as a result of the election plus the amount of our liabilities assumed, and the new entity's holding period in the assets would begin the day after the election takes effect.

Provided that we recognize no gain or loss on the election, a unitholder should not recognize any gain or loss except to the extent that our liabilities allocated to such unitholder for U.S. federal income tax purposes prior to the election and assumed by the new entity, which is treated as a corporation for U.S. federal income tax purposes, exceed such unitholder's tax basis in its units. For U.S. federal income tax purposes, a unitholder's relief from such share of our liabilities is treated as if such unitholder received a cash distribution from us in the amount of the liabilities deemed assumed by the new entity. We will pay all of our liabilities in full prior to the Effective Date. Therefore, we do not believe that a unitholder will recognize any gain or loss as a result of the election since we will have no outstanding liabilities on the Effective Date.

The aggregate basis of the units received as a result of the election by a unitholder in the deemed liquidation of their interests in us will equal the aggregate basis in such units immediately before the election (reduced by the amount of liabilities deemed assumed as a result of the election) and increased by the gain, if any, that we recognize as a result of the election.

The Partnership will have a holding period in the units received that includes the period during which the transferred assets were held by the Partnership, provided that such assets were held as capital assets. To the extent that the value of such units received is attributable to certain of our assets (essentially our assets that would generate ordinary income or loss when sold and cash), a unit received will have a holding period that

Table of Contents

begins on the day following the election. Upon the deemed distribution of the units to the unitholders in complete liquidation, the unitholders will hold such units with a holding period that includes the Partnership's holding period in the units. Therefore, unitholders may have a split holding period in the units received. A unit received in exchange for a unitholder's interests in us will have a holding period that begins on the day following the election to the extent that the value of such units on such date is attributable to the cash held by the Partnership immediately before the transfer, if any, and to the extent of the balance, will have a holding period that includes the Partnership's holding period of the assets transferred.

Differences in Taxation of Partnerships and Corporations and Their Owners

A partnership is not a taxable entity and incurs no federal income tax liability. Instead, each partner of a partnership is required to take into account his share of items of income, gain, loss and deduction of the partnership in computing his federal income tax liability, regardless of whether cash distributions are made to him by the partnership. Distributions by a partnership to a partner are generally not taxable to the partnership or the partner unless the amount of cash distributed to him is in excess of the partner's adjusted basis in his partnership interest.

A partner has a basis in his partnership interest generally equal to either the cost of the partnership interest if purchased, or if not purchased, the amount of any cash or basis of any other property that the partner transferred to the partnership, increased (or decreased) by that partner's share of the partnership's income (or loss) and decreased by the amount of any cash (or the basis of any property) distributed to that partner. Upon sale of the partnership interest, the partner realizes gain (or loss) equal to the excess (or deficit) of the amount received for the partnership interest less the partner's basis in the partnership interest. A partner's amount realized will be measured by the sum of the cash or the fair market value of other property received by him plus his share of the partnership's nonrecourse liabilities, if any. The partner's gain (or loss) upon sale is generally capital gain, but will be characterized as ordinary income to the extent of the partner's share of certain assets held by the partnership.

Because a partnership does not pay tax on income it earns (but rather its partners are subject to tax on such income), partners of a partnership are subject to only one level of U.S. federal income tax on income earned in the business of such partnership.

A corporation or an entity treated as a corporation for U.S. federal income tax purposes is a taxable entity and pays U.S. federal income tax (currently at a maximum rate of 35%) on its taxable income. A shareholder of a corporation generally is not taxed on any income earned by a corporation until the corporation distributes either cash or property (other than its stock) to the shareholder or the shareholder sells or exchanges stock at a gain. A distribution in respect to shares of common stock is generally treated as a dividend to the extent it is paid from current or accumulated earnings and profits. If the distribution exceeds current and accumulated earnings and profits, the excess will be treated as a nontaxable return of capital reducing the shareholder's tax basis in the common stock to the extent of the shareholder's tax basis in that stock. Any remaining excess is treated as capital gain. Subject to certain holding period requirements and exceptions, dividends received by individual holders generally will be subject to a current reduced tax rate ranging from 0% to 20% depending on the shareholder's applicable tax bracket for qualified dividend income. Additionally, the dividends may be subject to the net investment income tax, which imposes an additional tax of 3.8% on dividends, or some portion thereof, paid to individual taxpayers with adjusted gross income in excess of the threshold amount (married filing jointly, \$250,000; married filing separately, \$125,000; single or head of household, \$200,000; or qualifying widow(er) with a child, \$250,000). The net investment income tax also applies to certain estates and trusts. If a U.S. shareholder is a U.S. corporation, it may be eligible to claim the deduction allowed to U.S. corporations in respect of dividends received from other U.S. corporations equal to a portion of any dividends received, subject to generally applicable limitations on that deduction.

Because corporations are taxed on their own taxable income, and because shareholders may be taxed again on that same income if it is distributed to them in the form of cash or property or realized through the sale or

Table of Contents

exchange of shares of stock at a gain, there are two levels of potential tax upon income earned by a corporation. Upon a sale of stock, a shareholder's gain (or loss) will be equal to the excess (or deficit) of the amount received for the stock over the shareholder's basis in that stock. The character of such gain (or loss) generally will be capital in nature.

Special rules apply to entities that are ordinarily exempt from U.S. federal income tax. In many instances, a tax-exempt limited partner's share of a partnership's taxable income constitutes "unrelated business taxable income" ("UBTI") and therefore a tax-exempt limited partner must pay U.S. federal income tax on its share of the partnership's taxable income at the income tax rates that apply to taxable entities. However, a tax-exempt entity that owns shares of stock of a corporation is not subject to tax on any of the corporation's taxable income (because such income does not flow through to the shareholders of the corporation). In addition, any dividends received from, and any gain attributable to the sale of shares of stock of, the corporation by a tax-exempt entity generally will not constitute UBTI (and therefore will not be taxable to the tax-exempt entity) except to the extent such tax-exempt entity's investment in the stock is considered debt-financed.

As holders of units or interests in an entity treated as a corporation for U.S. federal income tax purposes, our unitholders will be subject to the tax treatment for shareholders of corporations described above.

Post-election Treatment of the Partnership and its Limited Partners

Distributions on Units

After the election, the income and deductions attributable to the assets and liabilities of the new entity treated as a corporation for U.S. federal income tax purposes will not be allocated to our unitholders. A unitholder will be taxed only on cash dividends and other distributions of property received from us, if any, eliminating the phantom income issue discussed above. Such distributions generally will be taxable as dividends to the extent of our current or accumulated earnings, if any. As previously discussed, any other distributions will be treated as a nontaxable return of capital to the extent of the unitholder's basis in his units and as capital gain to the extent of the balance.

Subject to the withholding requirements under FATCA (as defined below) and with respect to effectively connected dividends, each of which is discussed below, any distribution made to a non-U.S. unitholder on our Common Units generally will be subject to U.S. withholding tax at a rate of 30% of the gross amount of the distribution unless an applicable income tax treaty provides for a lower rate. To receive the benefit of a reduced treaty rate, a non-U.S. unitholder must provide the applicable withholding agent with an IRS Form W-8BEN or IRS Form W-8BEN-E (or other applicable or successor form) certifying qualification for the reduced rate.

Dividends paid to a non-U.S. unitholder that are effectively connected with a trade or business conducted by the non-U.S. unitholder in the United States (and, if required by an applicable income tax treaty, are treated as attributable to a permanent establishment maintained by the non-U.S. unitholder in the United States) generally will be taxed on a net income basis at the rates and in the manner generally applicable to United States persons (as defined under the Code). Such effectively connected dividends will not be subject to U.S. withholding tax if the non-U.S. unitholder satisfies certain certification requirements by providing the applicable withholding agent with a properly executed IRS Form W-8ECI certifying eligibility for exemption. If the non-U.S. unitholder is a corporation for U.S. federal income tax purposes, it may also be subject to a branch profits tax (at a 30% rate or such lower rate as specified by an applicable income tax treaty) on its effectively connected earnings and profits (as adjusted for certain items), which will include effectively connected dividends.

Sale or Disposition of Units

A unitholder who subsequently sells our units deemed received as a result of the election will recognize gain or loss measured by the difference between the amount realized on such sale and the unitholder's tax basis in the

Table of Contents

units sold. Each unitholder who is deemed to receive such units as a result of the election and who owns at least 5% (by vote or value) of the total outstanding units of the new entity immediately after receiving such units may be required to file with the unitholder's U.S. federal income tax return for the year in which the election is completed a statement that provides details relating to the units deemed received, and the unitholder's share of any liabilities assumed by the corporation as a result of the election. We will provide unitholders with information to assist them in preparing such statement.

Dispositions by Non-U.S. Unitholders

Subject to the discussion below under "Backup Withholding and Information Reporting" and "Additional Withholding Requirements under FATCA," a non-U.S. unitholder generally will not be subject to U.S. federal income tax or subject to withholding on any gain recognized on the sale or other disposition of our units unless:

- the non-U.S. unitholder is a nonresident alien individual who holds our units as a capital asset and is present in the United States for 183 or more days in the taxable year of the sale or other disposition and other conditions are met;
- the gain is effectively connected with the conduct of a U.S. trade or business by the non-U.S. unitholder (and, if required by an applicable income tax treaty, is attributable to a U.S. permanent establishment of that unitholder); or
- our Common Units constitute a United States real property interest by reason of our status as a United States real property holding corporation ("USRPHC") for U.S. federal income tax purposes during the shorter of (a) the five-year period ending on the date of the disposition or (b) the non-U.S. unitholder's holding period for our Common Units, we are or have been a "United States real property holding corporation" (a "USRPHC") for U.S. federal income tax purposes.

A non-U.S. unitholder described in the first bullet point above will be subject to U.S. federal income tax at a rate of 30% (or such lower rate as specified by an applicable income tax treaty) on the amount of such gain, which generally may be offset by U.S. source capital losses.

A non-U.S. unitholder whose gain is described in the second bullet point above or, subject to the exceptions described in the next paragraph, the third bullet point above generally will be taxed on a net income basis at the rates and in the manner generally applicable to United States persons (as defined under the Code) unless an applicable income tax treaty provides otherwise. If the non-U.S. unitholder is a corporation for U.S. federal income tax purposes whose gain is described in the second bullet point above, then such gain would also be included in its effectively connected earnings and profits (as adjusted for certain items), which may be subject to a branch profits tax (at a 30% rate or such lower rate as specified by an applicable income tax treaty).

Generally, a corporation is a USRPHC if the fair market value of its United States real property interests equals or exceeds 50% of the sum of the fair market value of its worldwide real property interests and its other assets used or held for use in a trade or business. We believe that we currently are not a USRPHC for U.S. federal income tax purposes, and we do not expect to become a USRPHC for the foreseeable future.

Non-U.S. unitholders should consult their tax advisors with respect to the application of the foregoing rules to their ownership and disposition of our Common Units.

Backup Withholding and Information Reporting

Any dividends paid to a non-U.S. unitholder must be reported annually to the IRS and to the non-U.S. unitholder. Copies of these information returns may be made available to the tax authorities in the country in which the non-U.S. unitholder resides or is established. Payments of dividends to a non-U.S. unitholder generally will not be subject to backup withholding if the non-U.S. unitholder establishes an exemption by properly certifying its non-U.S. status on an IRS Form W-8BEN, IRS Form W-8BEN-E (or other applicable or successor form).

[Table of Contents](#)

Payments of the proceeds from a sale or other disposition by a non-U.S. unitholder of our Common Units effected by or through a U.S. office of a broker generally will be subject to information reporting and backup withholding (at the applicable rate) unless the non-U.S. unitholder establishes an exemption by properly certifying its non-U.S. status on an IRS Form W-8BEN, IRS Form W-8BEN-E (or other applicable or successor form) and certain other conditions are met. Information reporting and backup withholding generally will not apply to any payment of the proceeds from a sale or other disposition of our Common Units effected outside the United States by a non-U.S. office of a broker. However, unless such broker has documentary evidence in its records that the non-U.S. unitholder is not a United States person and certain other conditions are met, or the non-U.S. unitholder otherwise establishes an exemption, information reporting will apply to a payment of the proceeds of the disposition of our Common Units effected outside the United States by such a broker if it has certain relationships within the United States.

Backup withholding is not an additional tax. Rather, the U.S. income tax liability (if any) of persons subject to backup withholding will be reduced by the amount of tax withheld. If backup withholding results in an overpayment of taxes, a refund may be obtained, provided that the required information is timely furnished to the IRS.

Additional Withholding Requirements under FATCA

Sections 1471 through 1474 of the Code, and the U.S. Treasury regulations and administrative guidance issued thereunder (“FATCA”), impose a 30% withholding tax on any dividends paid on our Units and on the gross proceeds from a disposition of our Units (if such disposition occurs after December 31, 2018), in each case if paid to a “foreign financial institution” or a “non-financial foreign entity” (each as defined in the Code) (including, in some cases, when such foreign financial institution or non-financial foreign entity is acting as an intermediary), unless (i) in the case of a foreign financial institution, such institution enters into an agreement with the U.S. government to withhold on certain payments, and to collect and provide to the U.S. tax authorities substantial information regarding U.S. account holders of such institution (which includes certain equity and debt holders of such institution, as well as certain account holders that are non-U.S. entities with U.S. owners); (ii) in the case of a non-financial foreign entity, such entity certifies that it does not have any “substantial United States owners” (as defined in the Code) or provides the applicable withholding agent with a certification identifying the direct and indirect substantial United States owners of the entity (in either case, generally on an IRS Form W-8BEN-E); or (iii) the foreign financial institution or non-financial foreign entity otherwise qualifies for an exemption from these rules and provides appropriate documentation (such as an IRS Form W-8BEN-E). Foreign financial institutions located in jurisdictions that have an intergovernmental agreement with the United States governing these rules may be subject to different rules. Under certain circumstances, a unitholder might be eligible for refunds or credits of such taxes. Non-U.S. unitholders are encouraged to consult their own tax advisors regarding the effects of FATCA on their investment in our Common Units.

Legislative Developments

President Trump and Republicans in the U.S. House of Representatives each include corporate tax reform as part of their respective agendas as well as changes to certain taxes, including the net investment income tax, enacted as part of the Patient Protection and Affordable Care Act (2010). President Trump outlined plans for tax reform in a release called the “2017 Tax Reform for Economic Growth and American Jobs” which broadly described changes to corporate taxes but has not yet provided specific changes. House Republicans released the “Better Way for Tax Reform” or “Blueprint” that outlined several significant corporate tax reforms. Some of the proposed changes, which have not been fully agreed to by President Trump and the House Republicans, include reduction of the corporate tax rate from 35% to 15% in the President’s outline, or 20% in House Republican’s Blueprint, elimination of the tax deduction for interest expense, immediate tax imposed at a reduced rate on un-repatriated offshore earnings, elimination of U.S. tax on foreign earnings, immediate deductions for new investments instead of deductions for depreciation expense over time, and the imposition of income tax on imported goods. Additionally, there have been discussions regarding the repeal of the net investment income tax

as a part of the repeal of the Affordable Care Act. It is unclear whether these proposed tax revisions will be enacted, or if enacted, what the precise scope of the revisions will be. However, depending on their final form, the proposals, if enacted, could affect the tax treatment described above and the conclusions regarding the tax consequences provided herein.

THE FOREGOING DESCRIPTION ADDRESSES ONLY THE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE ELECTION APPLICABLE TO UNITHOLDERS GENERALLY. EACH UNITHOLDER SHOULD CONSULT ITS OWN TAX ADVISOR CONCERNING THE PARTICULAR U.S. FEDERAL INCOME, U.S. FEDERAL ESTATE OR GIFT, STATE, LOCAL, FOREIGN AND OTHER TAX CONSEQUENCES OF THE ELECTION TO IT.

PROPOSAL NO. 2: PROPOSAL TO APPROVE AND ADOPT THE THIRD AMENDED AND RESTATED PARTNERSHIP AGREEMENT

Proposal

The Board has approved and declared advisable and hereby proposes, and recommends, that the unitholders approve and adopt the Third Amended and Restated Partnership Agreement. The Third Amended and Restated Partnership Agreement has been prepared in connection with and, if approved by the unitholders, will become effective upon the effectiveness of the Partnership being treated as a corporation for federal income tax purposes, as described in Proposal No. 1 above. This Proposal No. 2 is conditioned on Proposal No. 1 being approved by the unitholders. As a result, even if unitholders approve this Proposal No. 2, the adoption of the Third Amended and Restated Partnership Agreement the Partnership will not become effective unless unitholders also approve Proposal No. 1 above.

Vote Required

Approval of this proposal requires the affirmative vote of the holders of a majority of the Common Units outstanding. Abstentions and broker non-votes will have the same effect as a vote against this proposal.

Recommendation of the Board

The Board believes that it is in the best interests of our unitholders to approve and adopt the Third Amended and Restated Partnership Agreement. As such, the Board recommends that you vote **FOR** this proposal.

THE BOARD RECOMMENDS THAT UNITHOLDERS VOTE “FOR” APPROVAL AND ADOPTION OF THE THIRD AMENDED AND RESTATED PARTNERSHIP AGREEMENT. IF NOT OTHERWISE SPECIFIED IN PROXY CARDS, THE PROXY WILL VOTE COMMON UNITS “FOR” APPROVAL OF THIS PROPOSAL.

Description of the Third Amended and Restated Partnership Agreement

The Third Amended and Restated Partnership Agreement has been prepared in connection with the proposal to authorize the Partnership to elect to be treated as a corporation for federal income tax purposes, as described in Proposal No. 1 above. The primary purpose of amending and restating the Second Amended and Restated Partnership Agreement is to delete or amend those provisions of the Second Amended and Restated Partnership Agreement that pertain to the Partnership’s federal income tax classification as a partnership (the “Tax Amendments”) and to effect the election contemplated by Proposal No. 1. In addition to the Tax Amendments, the Board also believes that it is in the best interests of the Partnership and our unitholders to make certain additional amendments to the Second Amended and Restated Partnership Agreement. The additional amendments included in the Third Amended and Restated Partnership Agreement are principally focused on (i) deleting references to and amending provisions concerning certain agreements that existed and facts and definitions that were current at the time our initial partnership agreement was adopted, which agreements are no longer in existence and which facts and definitions are no longer current and (ii) updating references to reflect the Partnership’s name change to “Star Group, L.P.,” as previously approved by the Board (the “Updating Amendments”). The Board approved the name change of the Partnership in order to more closely align the Partnership’s name with the expanded scope of its products and services it offers. The name change will be effective immediately following the Special Meeting. Neither the Tax Amendments nor the Updating Amendments will alter the rights of the holders of our Common Units or our general partner to the distributions described in the Second Amended and Restated Partnership Agreement. Under the terms of the Third Amended and Restated Partnership Agreement, the Partnership will remain a partnership for state law purposes.

The following is a brief summary of the foregoing amendments included in the Third Amended and Restated Partnership Agreement (capitalized terms used not defined herein have the meanings ascribed thereto in

[Table of Contents](#)

the Third Amended and Restated Partnership Agreement). In addition to the material amendments described below, the Third Amended and Restated Partnership Agreement also contains certain non-substantive amendments, including, but not limited to, updating section references and making other clerical changes. The following is not a complete list of the amendments and deletions included in the Third Amended and Restated Partnership Agreement. To view a complete marked copy of the Third Amended and Restated Partnership Agreement, which reflects all amendments to the Second Amended and Restated Partnership Agreement please see Appendix A-2 hereto.

Tax Amendments

The Tax Amendments include, but are not limited to, the following:

- amending definitions of Adjusted Capital Account, Capital Account, Distribution Levels, First Target Distribution, Minimum Quarterly Distribution, Nonrecourse Built-in Gain, Partner Nonrecourse Deductions, Partnership Minimum Gain, and Required Allocations to reflect that capital accounts will be maintained and allocations made as if the Partnership were taxed as a partnership for determination of liquidation rights (Article II);
- adding definition of Tax Election (Article II);
- deleting definitions of Book-Tax Disparity, Distribution Levels, Distribution Ratio, Recapture Income, Residual Gain or Residual Loss, Trigger Date that are not relevant for entities taxed as corporations for federal income tax purposes (Article II);
- adding a provision clarifying that notwithstanding the election to be treated as a corporation for federal income tax purposes, Capital Accounts will be maintained as if the Partnership were taxed as a partnership for the sole purpose of determining the rights of the unitholders to receive distributions on liquidation and each unitholder's Capital Account prior to the election will be the unitholder's Capital Account after the election; and adding a provision relating to the treatment of the taxes incurred by the Partnership as an association taxable as a corporation as items of deduction for allocation purposes (Section 4.7);
- deleting provisions related to Allocations for Tax Purposes (Section 5.2);
- amending the provision related to the payment of taxes on a partner's behalf by the Partnership and its treatment as a distribution (Section 5.3);

- adding a provision that the Partnership shall provide the necessary tax information for the unitholders for taxable years ending on or prior the Effective Date (Section 9.1);
- adding a provision authorizing the authorized officers of the Partnership to make the Tax Election (Section 9.2);

Table of Contents

- amending the provisions related to withholding of taxes (Section 9.4);
- deleting provisions providing that the General Partner may not transfer all or any part of its General Partner Interest if it receives an opinion of counsel that such restrictions are necessary to avoid a significant risk of any Group Member becoming taxable as a corporation or otherwise becoming taxable as an entity for federal income tax purposes (Section 11.2);
- deleting provisions providing that no Units may be transferred or interest of any Limited Partner or Assignee may be made if such transfer would result in entity level taxation of federal income tax purposes (Section 11.4);
- deleting provisions providing that Limited Partners may not remove the General Partner unless the Partnership receives an opinion of counsel that such removal would not result in any Group Member becoming taxable as a corporation or otherwise becoming taxable as an entity for federal income tax purposes (Section 13.2);
- deleting provisions providing that the continuation of the business of the Partnership after dissolution requires an opinion of counsel that such continuation would not result in the Partnership or any Group Member becoming taxable as a corporation or otherwise becoming taxable as an entity for federal income tax purposes (Section 14.2);
- adding a provision that allows the General Partner, if it determines in its sole discretion that the positive balance of the Capital Account of any Limited Partner is less than it would have been if the election had not been made and it deems necessary, to adjust the allocations of Net Income and Net Loss in the year of liquidation to cause the positive Capital Accounts of each Limited Partner at the time of the Liquidation Distributions to not be materially different than the Capital Account balance the Limited Partner would have had if the Tax Election had not been made; provided that the General Partner may not reduce the positive Capital Account Balance of any Limited Partner (Section 14.4);
- deleting the notice relating to the tax shelter status of the Partnership (Form of Certificate of Common Units); and
- deleting certain defined terms relating to the foregoing matters (Article II).

Updating Amendments

The Updating Amendments include, but are not limited to, the following:

- changing the name of the Partnership to “Star Group, L.P.,” as previously approved by the Board (Section 1.2);
- amending the registered agent, registered office and principal office of the Partnership to reflect the Partnership’s new registered agent and new principal office (Section 1.3);
- deleting the provisions related to “Junior Subordinated Unit” and “Senior Subordinated Unit,” which are no longer classes of Outstanding Units of the Partnership (Sections 4.4 and 10.1);
- amending the language regarding the portion of Incentive Distributions that fund the bonus pool to the participants of the Partnership’s Management Incentive Plan to clarify that they will be retained by the Partnership to fund such pool (Section 5.10);
- deleting references to “Non-competition Agreement,” which has been terminated (Sections 6.5 and 7.3);
- changing references of “Successor General Partner” to “General Partner” to reflect that Kestrel Heat, LLC is the current general partner of the Partnership and no change in general partner is contemplated (Sections 6.2, 12.3, 13.3, and 20.2);
- deleting references to “Transaction Agreement,” which has been terminated (Sections 6.2 and 6.7);

The following definitions shall be for all purposes, unless otherwise clearly indicated to the contrary, applied to the terms used in this Agreement.

“*Acquisition*” means any transaction in which any Group Member acquires (through an asset acquisition, merger, stock acquisition or other form of investment) control over all or a portion of the assets, properties or business of another Person for the purpose of increasing the operating capacity of the Partnership Group from the operating capacity of the Partnership Group existing immediately prior to such transaction.

“*Additional Book Basis*” means the portion of any remaining Carrying Value of an Adjusted Property that is attributable to positive adjustments made to such Carrying Value as a result of Book-Up Events. For purposes of determining the extent to which Carrying Value constitutes Additional Book Basis:

(i) Any negative adjustment made to the Carrying Value of an Adjusted Property as a result of either a Book-Down Event or a Book-Up Event shall first be deemed to offset or decrease that portion of the Carrying Value of such Adjusted Property that is attributable to any prior positive adjustments made thereto pursuant to a Book-Up Event or Book-Down Event.

Table of Contents

(ii) If Carrying Value that constitutes Additional Book Basis is reduced as a result of a Book-Down Event and the Carrying Value of other property is increased as a result of such Book-Down Event, an allocable portion of any such increase in Carrying Value shall be treated as Additional Book Basis; provided that the amount treated as Additional Book Basis pursuant hereto as a result of such Book-Down Event shall not exceed the amount by which the Aggregate Remaining Net Positive Adjustments after such Book-Down Event exceeds the remaining Additional Book Basis attributable to all of the Partnership's Adjusted Property after such Book-Down Event (determined without regard to the application of this clause (ii) to such Book-Down Event).

“*Additional Book Basis Derivative Items*” means any Book Basis Derivative Items that are computed with reference to Additional Book Basis. To the extent that the Additional Book Basis attributable to all of the Partnership's Adjusted Property as of the beginning of any taxable period exceeds the Aggregate Remaining Net Positive Adjustments as of the beginning of such period (the “Excess Additional Book Basis”), the Additional Book Basis Derivative Items for such period shall be reduced by the amount that bears the same ratio to the amount of Additional Book Basis Derivative Items determined without regard to this sentence as the Excess Additional Book Basis bears to the Additional Book Basis as of the beginning of such period.

The foregoing definition of Adjusted Capital Account is intended to comply with the provisions of Treasury Regulation Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith. The “Adjusted Capital Account” in respect of Common Unit, General Partner Unit or any other specified interest in the Partnership shall be the amount which such Adjusted Capital Account would be if such Common Unit, a General Partner Unit or other interest in the Partnership were the only interest in the Partnership held by a Partner.

is not in redemption or retirement of a Partnership Interest), the Capital Accounts of all Partners and the Carrying Value of all Partnership property shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized in a sale of such property immediately prior to such distribution for an amount equal to its fair market value, and had been allocated to the Partners, at such time, pursuant to Section 5.1(c). Any Unrealized Gain or Unrealized Loss attributable to such property shall be allocated in the same manner as Net Termination Gain or Net Termination Loss pursuant to Section 5.1(c); provided, however, that, in making any such allocation, Net Termination Gain or Net Termination Loss actually realized shall be allocated first. In determining such Unrealized Gain or Unrealized Loss the aggregate cash amount and fair market value of all Partnership assets (including, without limitation, cash or cash equivalents) immediately prior to a distribution shall (A) in the case of an actual distribution which is not made pursuant to Section 13.3 or 13.4 or (B) in the case of a liquidating distribution pursuant to Section 14.4, be determined and allocated by the Liquidator using such reasonable method of valuation as it may adopt.

(v) Fifth, 100% to the General Partner and the Limited Partners in accordance with their respective Percentage Interests; provided, that Net Losses shall not be allocated pursuant to this Section 5.1(b)(v) to the extent that such allocation would cause any Limited Partner to have a deficit balance in its Adjusted Capital Account at the end of such taxable year (or increase any existing deficit balance in its Adjusted Capital Account); and

(vi) Sixth, the balance, if any, 100% to the General Partner.

(c) Net Termination Gains and Losses. After giving effect to the special allocations set forth in Section 5.1(d), all items of income gain, loss and deduction taken into account in computing Net Termination Gain or Net Termination Loss for such taxable period shall be allocated in the same manner as such Net Termination Gain or Net Termination Loss is allocated hereunder. All allocations under this Section 5.1(c) shall be made after Capital Account balances have been adjusted by all other allocations provided under this Section 5.1 and after all distributions of Available Cash provided under Section 5.4 have been made with respect to the taxable period ending on the date of the Partnership's liquidation pursuant to Section 14.4.

(i) If a Net Termination Gain is recognized (or deemed recognized pursuant to Section 4.8(d)) from Termination Capital Transactions, such Net Termination Gain shall be allocated among the General Partner and the Limited Partners in the following manner (and the Capital Accounts of the Partners shall be increased by the amount so allocated in each of the following subclauses, in the order listed, before an allocation is made pursuant to the next succeeding subclause):

(A) First, to each Partner having a deficit balance in its Capital Account, in the proportion that such deficit balance bears to the total deficit balances in the Capital Accounts of all Partners, until each such Partner has been allocated Net Termination Gain equal to any such deficit balance in its Capital Account;

(B) Second, 100% to all Partners holding Common Units, Pro Rata, until the Capital Account in respect of each Common Unit then Outstanding is equal to the sum of (1) its Unrecovered Initial Unit Price plus (2) the Minimum Quarterly Distribution for the Quarter during which such Net Termination Gain is recognized, reduced by any distribution pursuant to Sections 5.4(i) with respect to such Common Unit for such Quarter (the amount determined pursuant to this clause (2) is hereinafter defined as the “Unpaid MQD”) plus (3) any then existing Cumulative Common Unit Arrearage;

(C) Third, 100% to all Partners holding General Partner Units, Pro Rata, until the Capital Account in respect of each General Partner Unit then Outstanding is equal to the sum of (i) its Unrecovered Initial Unit Price plus (ii) the Minimum Quarterly Distribution for the Quarter during which such Net Termination Gain is recognized, reduced by any distribution pursuant to Section 5.4(iii) with respect to such General Partner Unit for such Quarter;

(D) Fourth, 10% to all Partners holding General Partner Units, Pro Rata and 90% to all Partners holding Common Units, Pro Rata, until the Capital Account in respect of each Common Unit then Outstanding is equal to the sum of (1) its Unrecovered Initial Unit Price, plus (2) the Unpaid MQD, if any, for such Common Unit with respect to the Quarter during which such Net Termination Gain is recognized, plus (3) any then existing Cumulative Common Unit Arrearage, plus (4) the excess of (aa) the First Target Distribution less the Minimum Quarterly Distribution for each Quarter of the Partnership’s existence over (bb) the amount of any distributions of Operating Surplus that was distributed pursuant to Sections 5.4(iv) (the sum of (1) plus (2) plus (3) plus (4) is hereinafter defined as the “First Liquidation Target Amount”);

(E) Finally, any remaining amount 20% to the Partners holding General Partner Units, Pro Rata, and 80% to all Partners holding Common Units, Pro Rata.

(ii) If a Net Termination Loss is recognized (or deemed recognized pursuant to Section 4.8(d)) from Termination Capital Transactions, such Net Termination Loss shall be allocated to the Partners in the following manner:

(A) First, 100% to all Partners holding Common Units, the Capital Account balances attributable to which are in excess of the Capital Account balances attributable to the remainder of the Common Units then Outstanding, Pro Rata, until the Capital Accounts in respect of each Common Unit then Outstanding are equal;

(B) Second, 100% to all Partners holding Common Units, Pro Rata, until the Capital Account in respect of each Common Unit then Outstanding has been reduced to zero; and

(C) Thereafter, the balance, if any, 100% to the General Partner.

(d) Special Allocations. Notwithstanding any other provision of this Section 5.1, the following special allocations shall be made for such taxable period as if the Partnership were treated as a partnership for federal income tax purposes:

(i) Partnership Minimum Gain Chargeback. Notwithstanding any other provision of this Section 5.1, if there is a net decrease in Partnership Minimum Gain during any Partnership taxable period, each Partner shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(f)(6), 1.704-2(g)(2) and 1.704-2(j)(2)(i), or any successor provision. For purposes of this Section 5.1(d), each Partner’s Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 5.1(d) with respect to such taxable period (other than an allocation pursuant to Sections 5.1(d)(vi) and 5.1(d)(vii)). This Section 5.1(d)(i) is intended to comply with the Partnership Minimum Gain chargeback requirement in Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) Chargeback of Partner Nonrecourse Debt Minimum Gain. Notwithstanding the other provisions of this Section 5.1 (other than Section 5.1(d)(i)), except as provided in Treasury Regulation Section 1.704-2(i)(4), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain during any Partnership taxable period, any Partner with a share of Partner Nonrecourse Debt Minimum Gain at the beginning of such taxable period shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(i)(4) and 1.704-2(j)(2)(ii), or any successor provisions. For purposes of this Section 5.1(d), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 5.1(d), other than Section 5.1(d)(i) and other than an allocation pursuant to Sections 5.1(d)(vi) and 5.1(d)(vii), with respect to such taxable period. This Section 5.1(d)(ii) is intended to comply with the chargeback of items of income and gain requirement in Treasury Regulation Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(iii) Priority Allocations. If the amount of cash or the Net Agreed Value of any property distributed (except cash or property distributed pursuant to Section 14.4) to any Limited Partner with respect to a taxable year is greater (on a per Unit basis) than the amount of cash or the Net Agreed Value of property distributed to the other Limited Partners (on a per Unit basis), then each Limited Partner receiving such greater cash or property distribution shall be allocated gross income in an amount equal to the product of (1) the amount by which the distribution (on a per Unit basis) to such Limited Partner exceeds the distribution (on a per Unit basis) to the Limited Partners receiving the smallest distribution and (2) the number of Units owned by the Limited Partner receiving the greater distribution.

(iv) Qualified Income Offset. In the event any Partner unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Partnership income and gain shall be specifically allocated to such Partner in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations promulgated under Section 704(b) of the Code, the deficit balance, if any, in its Adjusted Capital Account created by such adjustments, allocations or distributions as quickly as possible unless such deficit balance is otherwise eliminated pursuant to Section 5.1(d)(i) or (ii).

(v) Gross Income Allocations. In the event any Partner has a deficit balance in its Capital Account at the end of any Partnership taxable period in excess of the sum of (A) the amount such Partner is required to restore pursuant to the provisions of this Agreement and (B) the amount such Partner is deemed obligated to restore pursuant to Treasury Regulation Sections 1.704-2(g) and 1.704-2(i)(5), such Partner shall be specially allocated items of Partnership gross income and gain in the amount of such excess as quickly as possible; provided, that an allocation pursuant to this Section 5.1(d)(v) shall be made only if and to the extent that such Partner would have a deficit balance in its Capital Account as adjusted after all other allocations provided for in this Section 5.1 have been tentatively made as if this Section 5.1(d)(v) were not in this Agreement.

(vi) Nonrecourse Deductions. Nonrecourse Deductions for any taxable period shall be allocated to the Partners in accordance with their respective Percentage Interests. If the General Partner determines in its good faith discretion that the Partnership's Nonrecourse Deductions must be allocated in a different ratio to satisfy the safe harbor requirements of the Treasury Regulations promulgated under Section 704(b) of the Code, the General Partner is authorized, upon notice to the Limited Partners, to revise the prescribed ratio to the numerically closest ratio that satisfies such requirements.

(vii) Partner Nonrecourse Deductions. Partner Nonrecourse Deductions for any taxable period shall be allocated 100% to the Partner that bears the Economic Risk of Loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulation Section 1.704-2(i). If more than one Partner bears the Economic Risk of Loss with respect to a Partner Nonrecourse Debt, such Partner Nonrecourse Deductions attributable thereto shall be allocated between or among such Partners in accordance with the ratios in which they share such Economic Risk of Loss.

Table of Contents

(viii) Nonrecourse Liabilities. For purposes of Treasury Regulation Section 1.752-3(a)(3), the Partners agree that Nonrecourse Liabilities of the Partnership in excess of the sum of (A) the amount of Partnership Minimum Gain and (B) the total amount of Nonrecourse Built-in Gain shall be allocated among the Partners in accordance with their respective Percentage Interests.

(ix) Code Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such item of gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Treasury Regulations.

(x) Economic Uniformity. Upon the conversion of any Unit into another class after application of Section 4.4(d), items of gross income and gain or items of deduction or loss shall be allocated to the holder of such Unit until the Capital Account of such Unit is the same as the Capital Account per Unit of all other Units of the same class.

(xi) Curative Allocation.

(A) Notwithstanding any other provision of this Section 5.1, other than the Required Allocations, the Required Allocations shall be taken into account in making the Agreed Allocations so that, to the extent possible, the net amount of items of income, gain, loss and deduction allocated to each Partner pursuant to the Required Allocations and the Agreed Allocations, together, shall be equal to the net amount of such items that would have been allocated to each such Partner under the Agreed Allocations had the Required Allocations and the related Curative Allocation not otherwise been provided in this Section 5.1. Notwithstanding the preceding sentence, Required Allocations relating to (1) Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partnership Minimum Gain and (2) Partner Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partner Nonrecourse Debt Minimum Gain. Allocations pursuant to this Section 5.1(d)(xi)(A) shall only be made with respect to Required Allocations to the extent the General Partner reasonably determines that such allocations will otherwise be inconsistent with the economic agreement among the Partners. Further, allocations pursuant to this Section 5.1(d)(xi)(A) shall be deferred with respect to allocations pursuant to clauses (1) and (2) hereof to the extent the General Partner reasonably determines that such allocations are likely to be offset by subsequent Required Allocations.

(B) The General Partner shall have reasonable discretion, with respect to each taxable period, to (1) apply the provisions of Section 5.1(d)(xi)(A) in whatever order is most likely to minimize the economic distortions that might otherwise result from the Required Allocations, and (2) divide all allocations pursuant to Section 5.1(d)(xi)(A) among the Partners in a manner that is likely to minimize such economic distortions.

(xii) Corrective Allocations. In the event of any allocation of Additional Book Basis Derivative Items or any Book-Down Event, the following rules shall apply:

(A) In the case of any allocation of Additional Book Basis Derivative Items (other than an allocation of Unrealized Gain or Unrealized Loss under Section 4.8(d) hereof), the General Partner shall allocate additional items of gross income and gain to the Limited Partners or additional items of deduction and loss to the General Partner to the extent that the Additional Book Basis Derivative Items allocated to the Limited Partners exceeds their Share of those Additional Book Basis Derivative Items. For this purpose, the Limited Partners shall be treated as being allocated Additional Book Basis Derivative Items to the extent that such Additional Book Basis Derivative Items have reduced the amount of income that would otherwise have been allocated to the Limited Partners under the Partnership Agreement (e.g., Additional Book Basis Derivative Items taken into account in computing

cost of goods sold would reduce the amount of book income otherwise available for allocation among the Partners). Any allocation made pursuant to this Section 5.1(d)(xii)(A) shall be made after all of the other Agreed Allocations have been made as if this Section 5.1(d)(xii) were not in the Partnership Agreement and, to the extent necessary, shall require the reallocation of items that have been allocated pursuant to such other Agreed Allocations.

(B) In the case of any negative adjustments to the Capital Accounts of the Partners resulting from a Book-Down Event, such negative adjustment (1) shall first be allocated between the General Partner and the Limited Partners in proportion to and to the extent of their Remaining Net Positive Adjustments and (2) any remaining negative adjustment shall be allocated pursuant to Section 5.1(c) hereof. The aggregate amount so allocated to the Limited Partners in respect of each class or series of Units shall be allocated among them ratably on a per Unit basis.

(C) In making the allocations required under this Section 5.1(d)(xii), the General Partner, in its sole discretion, may apply whatever conventions or other methodology it deems reasonable to satisfy the purpose of this Section 5.1(d)(xii).

(xiii) Depreciation. Depreciation deductions of the Partnership for each period shall be allocated among the Partners in accordance with their relative Capital Account balances as they existed immediately after the most recent book adjustments pursuant to Section 4.8(d) of this Agreement that occurred prior to such period and without regard to allocations made after such adjustment.

Section 5.2 *Intentionally Omitted.*

Section 5.3 *Requirement and Characterization of Distributions.*

(a) Within 45 days after each Quarter beginning with the Quarter ending December 31, 2008, an amount equal to 100% of Available Cash with respect to such period or Quarter shall be distributed in accordance with this Article V by the Partnership to the Partners, as of the Record Date selected by the General Partner in its reasonable discretion. All amounts of Available Cash distributed by the Partnership on any date from any source shall be deemed to be Operating Surplus until the sum of all amounts of Available Cash theretofore distributed by the Partnership to Partners pursuant to Section 5.4 equals the Operating Surplus from the Second A&R Effective Date through the close of the immediately preceding Quarter. Any remaining amounts of Available Cash distributed by the Partnership on such date shall, except as otherwise provided in Section 5.5, be deemed to be from Capital Surplus.

(b) Notwithstanding the definitions of Available Cash and Operating Surplus contained herein, disbursements made or cash reserves established after the end of any Quarter but on or before the date on which the Partnership makes its distribution of Available Cash in respect of such Quarter pursuant to Section 5.3(a) shall be deemed to have been made, established, increased or reduced for purposes of determining Available Cash and Operating Surplus, within such Quarter if the General Partner so determines. Notwithstanding the foregoing, in the event of the dissolution and liquidation of the Partnership, all proceeds of such liquidation shall be applied and distributed in accordance with, and subject to the terms and conditions of, Section 14.4.

(c) The General Partner may treat taxes required or elected to be withheld with respect to all or less than all of the Partners as a distribution of Available Cash to such Partners.

Section 5.4 *Distributions of Available Cash From Operating Surplus.*

There shall be no requirement to make distributions of Available Cash from Operating Surplus to the holders of Common Units prior to September 30, 2008. Available Cash with respect to any Quarter ending after September 30, 2008 that is deemed to be Operating Surplus pursuant to the provisions of Section 5.3 or 5.5 shall, subject to Section 5.3, in a manner consistent with Section 5.10, and subject to Section 17-607 of the Delaware

Act, be distributed as follows, except as otherwise required by Section 4.4(b) in respect of additional Partnership Securities issued pursuant thereto:

- (i) First, 100% to the Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the Minimum Quarterly Distribution;
- (ii) Second, 100% to the Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the Cumulative Common Unit Arrearage, if any, existing with respect to any prior Quarter;
- (iii) Third, 100% to the General Partner Units, Pro Rata, until there has been distributed in respect of each General Partner Unit then Outstanding an amount equal to the Minimum Quarterly Distribution;
- (iv) Fourth, (A) 90% to the Common Units, Pro Rata and (B) 10% to the General Partner Units, Pro Rata until there has been distributed in respect of each Common Unit then outstanding an amount equal to the excess of the First Target Distribution over the Minimum Quarterly Distribution;
- (v) Thereafter, (A) 80% to the Common Units, Pro Rata and (B) 20% to the General Partner Units, Pro Rata;

provided, however, if the Minimum Quarterly Distribution and the First Target Distribution have been reduced to zero pursuant to the second sentence of Section 5.6(a), the distributions of Available Cash that is deemed to be Operating Surplus with respect to any Quarter will be made in accordance with Section 5.4(v).

Section 5.5 Distributions of Cash from Capital Surplus.

Available Cash that constitutes Capital Surplus shall, subject to Section 17-607 of the Delaware Act, be distributed, unless the provisions of Section 5.3 require otherwise, 100% to all Units, Pro Rata, until a hypothetical holder of a Common Unit on the Second A&R Effective Date has received with respect to such Common Unit, during the period since the Second A&R Effective Date through such date, distributions of Available Cash that are deemed to be Capital Surplus in an aggregate amount equal to the Initial Unit Price. Thereafter, all Available Cash shall be distributed as if it were Operating Surplus and shall be distributed in accordance with Section 5.4.

Section 5.6 Adjustment of Minimum Quarterly Distribution and Target Distribution Levels.

(a) The Minimum Quarterly Distribution and the First Target Distribution shall be proportionately adjusted in the event of any distribution, combination or subdivision (whether effected by a distribution payable in Units or otherwise) of Units or other Partnership Securities in accordance with Section 4.8. In the event of a distribution of Available Cash that is deemed to be from Capital Surplus, the Minimum Quarterly Distribution and First Target Distribution shall be adjusted proportionately downward to equal the product obtained by multiplying the otherwise applicable Minimum Quarterly Distribution and First Target Distribution as the case may be, by a fraction of which the numerator is the Unrecovered Initial Unit Price of the Common Units immediately after giving effect to such distribution and of which the denominator is the Unrecovered Initial Unit Price of the Common Units immediately prior to giving effect to such distribution.

Section 5.7 Intentionally Omitted.

Section 5.8 Intentionally Omitted.

Section 5.9 Special Provision Relating to Elimination of Cumulative Common Unit Arrearages.

Notwithstanding anything to the contrary contained herein, all Cumulative Common Unit Arrearages (as such term is defined in the First Amended and Restated Agreement) that have accrued through the date of this Agreement are hereby eliminated.

Section 5.10 *Special Provision Relating to Management Incentive Compensation Plan.*

Notwithstanding anything to the contrary contained herein, up to 50% of the distributions (the “Incentive Distributions”) otherwise distributable to the holders of General Partner Units pursuant to Sections 5.4 (iv) and (v), shall be retained by the Partnership to fund the bonus pool for distribution to the participants of the Partnership’s Management Incentive Compensation Plan (the “Plan”) in accordance with the terms of the Plan. The exact percentage of distributions that comprise the Incentive Distributions shall be determined by the General Partner for each Quarter in which distributions are to be paid pursuant to Sections 5.4 (iv) and (v).

ARTICLE VI

MANAGEMENT AND OPERATION OF BUSINESS

Section 6.1 *Management.*

(a) The General Partner shall conduct, direct and manage all activities of the Partnership. Except as otherwise expressly provided in this Agreement, all management powers over the business and affairs of the Partnership shall be exclusively vested in the General Partner, and no Limited Partner or Assignee shall have any management power over the business and affairs of the Partnership. In addition to the powers now or hereafter granted a general partner of a limited partnership under applicable law or which are granted to the General Partner under any other provision of this Agreement, the General Partner, subject to Section 6.3, shall have full power and authority to do all things and on such terms as it, in its sole discretion, may deem necessary or appropriate to conduct the business of the Partnership, to exercise all powers set forth in Section 3.2 and to effectuate the purposes set forth in Section 3.1, including the following:

(i) the making of any expenditures, the lending or borrowing of money, the assumption or guarantee of, or other contracting for, indebtedness and other liabilities, the issuance of evidences of indebtedness and the incurring of any other obligations;

(ii) the making of tax, regulatory and other filings, or rendering of periodic or other reports to governmental or other agencies having jurisdiction over the business or assets of the Partnership;

(iii) the acquisition, disposition, mortgage, pledge, encumbrance, hypothecation or exchange of any or all of the assets of the Partnership or the merger or other combination of the Partnership with or into another Person (the matters described in this clause (iii) being subject, however, to any prior approval that may be required by Section 6.3) and Article XVI;

(iv) the use of the assets of the Partnership (including cash on hand) for any purpose consistent with the terms of this Agreement, including the financing of the conduct of the operations of the Partnership, the lending of funds to other Persons (including Group Members), the repayment of obligations of the Partnership;

(v) the negotiation, execution and performance of any contracts, conveyances or other instruments (including instruments that limit the liability of the Partnership under contractual arrangements to all or particular assets of the Partnership, with the other party to the contract to have no recourse against the General Partner or its assets other than its interest in the Partnership, even if same results in the terms of the transaction being less favorable to the Partnership than would otherwise be the case);

(vi) the distribution of Partnership cash;

(vii) the selection and dismissal of employees, (including employees having titles such as “president,” “vice president,” “secretary” and “treasurer”) and agents, outside attorneys, accountants, consultants and contractors and the determination of their compensation and other terms of employment or hiring;

- (viii) the maintenance of such insurance for the benefit of the Partnership Group and the Partners as it deems necessary or appropriate;
- (ix) the formation of, or acquisition of an interest in, and the contribution of property and the making of loans to, any further limited or general partnerships, joint ventures, corporations, limited liability companies, or other relationships;
- (x) the control of any matters affecting the rights and obligations of the Partnership, including the bringing and defending of actions at law or in equity and otherwise engaging in the conduct of litigation and the incurring of legal expense and the settlement of claims and litigation;
- (xi) the indemnification of any Person against liabilities and contingencies to the extent permitted by law;
- (xii) the entering into of listing agreements with any National Securities Exchange and the delisting of some or all of the Units from, or requesting that trading be suspended on, any such exchange (subject to any prior approval that may be required under Section 1.6); and
- (xiii) the purchase, sale or other acquisition or disposition of Units (subject to Section 6.12 and Section 17.1).

(b) Notwithstanding any other provision of this Agreement, the Delaware Act or any applicable law, rule or regulation, each of the Partners and Assignees and each other Person who may acquire an interest in Units hereby agrees that the execution, delivery or performance by the General Partner, any Group Member or any Affiliate of any of them, of this Agreement or any agreement authorized or permitted under this Agreement (including the exercise by the General Partner or any Affiliate of the General Partner of the rights accorded pursuant to Article XVII), shall not constitute a breach by the General Partner of any duty that the General Partner may owe the Partnership or the Limited Partners or the Assignees or any other Persons under this Agreement (or any other agreements) or of any duty stated or implied by law or equity.

Section 6.2 Certificate of Limited Partnership.

The General Partner has caused the Certificate of Limited Partnership to be filed with the Secretary of State of the State of Delaware as required by the Delaware Act and shall use all reasonable efforts to cause to be filed such other certificates or documents as may be determined by the General Partner in its sole discretion to be reasonable and necessary or appropriate for the formation, continuation, qualification and operation of a limited partnership (or a partnership in which the limited partners have limited liability) in the State of Delaware or any other state in which the Partnership may elect to do business or own property, including an amendment to reflect the admission of the General Partner as a successor to the Withdrawing General Partner. To the extent that such action is determined by the General Partner in its sole discretion to be reasonable and necessary or appropriate, the General Partner shall file amendments to and restatements of the Certificate of Limited Partnership and do all things to maintain the Partnership as a limited partnership (or a partnership in which the limited partners have limited liability) under the laws of the State of Delaware or of any other state in which the Partnership may elect to do business or own property. Subject to the terms of Section 7.5(a), the General Partner shall not be required, before or after filing, to deliver or mail a copy of the Certificate of Limited Partnership, any qualification document or any amendment thereto to any Limited Partner or Assignee.

Section 6.3 Restrictions on General Partner's Authority.

(a) The General Partner may not, without written approval of the specific act by all of the Outstanding Units or by other written instrument executed and delivered by all of the Outstanding Units subsequent to the date of this Agreement, take any action in contravention of this Agreement, including, except as otherwise provided in this Agreement, (i) committing any act that would make it impossible to carry on the ordinary business of the Partnership; (ii) possessing Partnership property, or assigning any rights in specific Partnership property, for other than a Partnership purpose; (iii) admitting a Person as a Partner; (iv) amending this Agreement in any manner; or (v) transferring its interest as general partner of the Partnership.

(b) Except as provided in Articles XIV and XVI, the General Partner may not sell, exchange or otherwise dispose of all or substantially all of the Partnership's assets in a single transaction or a series of related transactions without the approval of holders of a Unit Majority; provided, however, that this provision shall not preclude or limit the General Partner's ability to mortgage, pledge, hypothecate or grant a security interest in all or substantially all of the assets of the Partnership and shall not apply to any forced sale of any or all of the assets of the Partnership pursuant to the foreclosure of, or other realization upon, any such encumbrance.

Section 6.4 *Reimbursement of the General Partner.*

(a) Except as provided in this Section 6.4 and elsewhere in this Agreement, the General Partner shall not be compensated for its services as general partner of any Group Member.

(b) The General Partner shall be reimbursed on a monthly basis, or such other basis as the General Partner may determine in its sole discretion, for (i) all direct and indirect expenses it incurs or payments it makes on behalf of the Partnership (including salary, bonus, incentive compensation and other amounts paid to any Person to perform services for the Partnership, or for the General Partner in the discharge of its duties to the Partnership), and (ii) all other necessary or appropriate expenses allocable to the Partnership or otherwise reasonably incurred by the General Partner in connection with operating the Partnership's business (including expenses allocated to the General Partner by its Affiliates). The General Partner shall determine the expenses that are allocable to the Partnership in any reasonable manner determined by the General Partner in its sole discretion. Reimbursements pursuant to this Section 6.4 shall be in addition to any reimbursement to the General Partner as a result of indemnification pursuant to Section 6.7.

(c) The General Partner, in its sole discretion and without the approval of the Limited Partners (who shall have no right to vote in respect thereof), may propose, adopt and amend on behalf of the Partnership employee benefit plans, employee programs and employee practices (including plans, programs and practices involving the issuance of Units), or issue Partnership Securities pursuant to any employee benefit plan, employee program or employee practice maintained or sponsored by the General Partner or any of its Affiliates, in each case for the benefit of employees of the General Partner, any Group Member or any Affiliate, or any of them, in respect of services performed, directly or indirectly, for the benefit of the Partnership Group. The Partnership agrees to issue and sell to the General Partner or any of its Affiliates any Units or other Partnership Securities that the General Partner or such Affiliate is obligated to provide to any employees pursuant to any such employee benefit plans, employee programs or employee practices. Expenses incurred by the General Partner in connection with any such plans, programs and practices (including the net cost to the General Partner or such Affiliate of Units or other Partnership Securities purchased by the General Partner or such Affiliate from the Partnership to fulfill options or awards under such plans, programs and practices) shall be reimbursed in accordance with Section 6.4(b). Any and all obligations of the General Partner under any employee benefit plans, employee programs or employee practices (other than agreements with former employees and post-retirement benefits thereunder) adopted by the General Partner as permitted by this Section 6.4(c) shall constitute obligations of the General Partner hereunder and shall be assumed by any successor General Partner approved pursuant to Section 13.1 or 13.2 or the transferee of or successor to all of the General Partner's Partnership Interest (which is represented by the General Partner Units) as a general partner in the Partnership pursuant to Section 11.2.

Section 6.5 *Outside Activities.*

(a) After the Second A&R Effective Date, the General Partner, for so long as it is the general partner of the Partnership, shall not engage in any business or activity or incur any debts or liabilities except in connection with or incidental to (i) its performance as general partner of one or more Group Members or (ii) the acquiring, owning or disposing of debt or equity securities in any Group Member.

(b) Except as restricted by Section 6.5(a), each Indemnitee (other than the General Partner) shall have the right to engage in businesses of every type and description and other activities for profit and to engage in and

possess an interest in other business ventures of any and every type or description, whether in businesses engaged in or anticipated to be engaged in by any Group Member, independently or with others, including business interests and activities in direct competition with the business and activities of any Group Member, and none of the same shall constitute a breach of this Agreement or any duty to any Group Member or any Partner or Assignee. Neither any Group Member, any Limited Partner nor any other Person shall have any rights by virtue of this Agreement or the partnership relationship established hereby or thereby in any business ventures of any Indemnitee.

(c) Subject to Section 6.5(a), but otherwise notwithstanding anything to the contrary in this Agreement, (i) the engaging in competitive activities by any Indemnitees (other than the General Partner) in accordance with the provisions of this Section 6.5 is hereby approved by the Partnership and all Partners and (ii) it shall be deemed not to be a breach of the General Partner's fiduciary duty or any other obligation of any type whatsoever of the General Partner for the Indemnitee (other than the General Partner) to engage in such business interests and activities in preference to or to the exclusion of the Partnership (including, without limitation, the General Partner and the Indemnitees shall have no obligation to present business opportunities to the Partnership).

(d) The General Partner and any of its Affiliates may acquire Units or other Partnership Securities and, except as otherwise provided in this Agreement, shall be entitled to exercise all rights of an Assignee or Limited Partner, as applicable, relating to such Units or Partnership Securities. The term "Affiliates" when used in Section 6.5(d) with respect to the General Partner shall not include any Group Member or any Subsidiary of the Group Member.

Section 6.6 Loans from the General Partner: Contracts with Affiliates: Certain Restrictions on the General Partner.

(a) The General Partner or any Affiliate thereof may lend to any Group Member, and any Group Member may borrow, funds needed or desired by the Group Member for such periods of time and in such amounts as the General Partner may determine; provided, however, that in any such case the lending party may not charge the borrowing party interest at a rate greater than the rate that would be charged the borrowing party or impose terms less favorable to the borrowing party than would be charged or imposed on the borrowing party by unrelated lenders on comparable loans made on an arms'-length basis (without reference to the lending party's financial abilities or guarantees). The borrowing party shall reimburse the lending party for any costs (other than any additional interest costs) incurred by the lending party in connection with the borrowing of such funds. For purposes of this Section 6.6(a) and Section 6.6(b), the term "Group Member" shall include any Affiliate of the Group Member that is controlled by the Group Member. No Group Member may lend funds to the General Partner or any of its Affiliates.

(b) The Partnership may lend or contribute to any Group Member, and any Group Member may borrow, funds on terms and conditions established in the sole discretion of the General Partner; provided, however, that the Partnership may not charge the Group Member interest at a rate greater than the rate that would be charged to the Group Member (without reference to the General Partner's financial abilities or guarantees), by unrelated lenders on comparable loans. The foregoing authority shall be exercised by the General Partner in its sole discretion and shall not create any right or benefit in favor of any Group Member or any other Person.

(c) The General Partner may itself, or may enter into an agreement with any of its Affiliates to, render services to the Partnership or to the General Partner in the discharge of its duties as general partner of the Partnership. Any services rendered to the Partnership by the General Partner or any of its Affiliates shall be on terms that are fair and reasonable to the Partnership; provided, however, that the requirements of this Section 6.6(c) shall be deemed satisfied as to (i) any transaction approved by Special Approval, (ii) any transaction, the terms of which are no less favorable to the Partnership than those generally being provided to or available from unrelated third parties or (iii) any transaction that, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or

advantageous to the Partnership), is equitable to the Partnership. The provisions of Section 6.4 shall apply to the rendering of services described in this Section 6.6(c).

(d) The Partnership may transfer assets to joint ventures, other partnerships, corporations, limited liability companies or other business entities in which it is or thereby becomes a participant upon such terms and subject to such conditions as are consistent with this Agreement and applicable law.

(e) Neither the General Partner nor any of its Affiliates shall sell, transfer or convey any property to, or purchase any property from, the Partnership, directly or indirectly, except pursuant to transactions that are fair and reasonable to the Partnership; provided, however, that the requirements of this Section 6.6(e) shall be deemed to be satisfied as to (i) any transactions described in or contemplated by the Proxy Statement, (ii) any transaction approved by Special Approval, (iii) any transaction, the terms of which are no less favorable to the Partnership than those generally being provided to or available from unrelated third parties, or (iv) any transaction that, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to the Partnership), is equitable to the Partnership. With respect to any contribution of assets to the Partnership in exchange for Units, the Conflicts Committee, in determining whether the appropriate number of Units are being issued, should take into account, among other things, the fair market value of the assets, the liquidated and contingent liabilities assumed, the tax basis in the assets, and such other factors as the Conflicts Committee deems relevant under the circumstances.

(f) The General Partner and its Affiliates will have no obligation to permit any Group Member to use any facilities or assets of the General Partner and its Affiliates, except as may be provided in contracts entered into from time to time specifically dealing with such use, nor shall there be any obligation on the part of the General Partner or its Affiliates to enter into such contracts.

(g) Without limitation of Sections 6.6(a) through 6.6(f), and notwithstanding anything to the contrary in this Agreement, the existence of the conflicts of interest described in the Proxy Statement are hereby approved by all Partners.

Section 6.7 Indemnification.

(a) To the fullest extent permitted by law but subject to the limitations expressly provided in this Agreement, all Indemnitees shall be indemnified and held harmless by the Partnership from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, in which any Indemnitee may be involved, or is threatened to be involved, as a party or otherwise, by reason of its status as an Indemnitee; provided, that in each case the Indemnitee acted in good faith and in a manner that such Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Partnership and, with respect to any criminal proceeding, had no reasonable cause to believe its conduct was unlawful; provided, further, no indemnification pursuant to this Section 6.7 shall be available to the Withdrawing General Partner or its Affiliates (other than Group Members) with respect to their obligations incurred pursuant to that certain unit purchase agreement dated as of December 5, 2005, as amended, by and among the Partnership, the Withdrawing General Partner, Kestrel Energy Partners, LLC, Kestrel Heat LLC and KM2, LLC or any agreement ancillary thereto (other than obligations incurred by the General Partner on behalf of the Partnership). The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not create a presumption that the Indemnitee acted in a manner contrary to that specified above. Any indemnification pursuant to this Section 6.7 shall be made only out of the assets of the Partnership, it being agreed that the General Partner shall not be personally liable for such indemnification and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate such indemnification.

(b) To the fullest extent permitted by law, expenses (including legal fees and expenses) incurred by an Indemnitee who indemnified pursuant to Section 6.7(a) in defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Partnership prior to the usual disposition of such claim, demand, action, suit or proceeding upon receipt by the Partnership of an undertaking by or on behalf of the Indemnitee to repay such amount if it shall be determined that the Indemnitee is not entitled to be indemnified as authorized in this Section 6.7.

(c) The indemnification provided by this Section 6.7 shall be in addition to any other rights to which an Indemnitee may be entitled under any agreement, pursuant to any vote of the holders of Outstanding Units, as a matter of law or otherwise, both as to actions in the Indemnitee's capacity as an Indemnitee and as to actions in any other capacity, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnitee.

(d) The Partnership may purchase and maintain (or reimburse the General Partner or its Affiliates for the cost of) insurance, on behalf of the General Partner and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expense that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) For purposes of this Section 6.7, the Partnership shall be deemed to have requested an Indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute "fines" within the meaning of Section 6.7(a); and action taken or omitted by it with respect to any employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is in, or not opposed to, the best interests of the Partnership.

(f) In no event may an Indemnitee subject to the Limited Partners to personal liability by reason of the indemnification provisions set forth in this Agreement.

(g) An Indemnitee shall not be denied indemnification in whole or in part under this Section 6.7 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(h) The provisions of this Section 6.7 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

(i) No amendment, modification or repeal of this Section 6.7 or any provision hereof shall in any manner terminate, reduce, or impair the right of any past, present or future Indemnitee to be indemnified by the Partnership, nor the obligations of the Partnership to indemnify any such Indemnitee under and in accordance with the provisions of this Section 6.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

Section 6.8 *Liability of Indemnitees.*

(a) Notwithstanding anything to the contrary set forth in this Agreement, no Indemnitee shall be liable for monetary damages to the Partnership, the Limited Partners, the Assignees or any other Persons who have acquired interests in the Units, for losses sustained or liabilities incurred as a result of any act or omission if such Indemnitee acted in good faith.

(b) Subject to its obligations and duties as General Partner set forth in Section 6.1(a), the General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents, and the General Partner shall not be responsible for any misconduct or negligence on the part of any such agent appointed by the General Partner in good faith.

(c) Any amendment, modification or repeal of this Section 6.8 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the liability to the Partnership and the Limited Partners of the General Partner, its directors, officers and employees and any other Indemnitees under this Section 6.8 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

Section 6.9 *Resolution of Conflicts of Interest.*

(a) Unless otherwise expressly provided in this Agreement, whenever a potential conflict of interest exists or arises between the General Partner or any of its Affiliates, on the one hand, and the Partnership, any Partner or any Assignee, on the other hand, any resolution or course of action in respect of such conflict of interest shall be permitted and deemed approved by all Partners, and shall not constitute a breach of this Agreement, of any agreement contemplated herein or therein, or of any duty stated or implied by law or equity, if the resolution or course of action is, or by operation of this Agreement is deemed to be, fair and reasonable to the Partnership. The General Partner shall be authorized but not required in connection with its resolution of such conflict of interest to seek Special Approval of a resolution of such conflict or course of action. Any conflict of interest and any resolution of such conflict of interest shall be conclusively deemed fair and reasonable to the Partnership if such conflict of interest or resolution is (i) approved by Special Approval, (ii) on terms no less favorable to the Partnership than those generally being provided to or available from unrelated third parties or (iii) fair to the Partnership, taking into account the totality of the relationships between the parties involved (including other, transactions that may be particularly favorable or advantageous to the Partnership). The General Partner may also adopt a resolution or course of action that has not received Special Approval. The General Partner (including the Conflicts Committee in connection with Special Approval) shall be authorized in connection with its determination of what is "fair and reasonable" to the Partnership and in connection with its resolution of any conflict of interest to consider (A) the relative interests of any party to such conflict, agreement, transaction or situation and the benefits and burdens relating to such interest; (B) any customary or accepted industry practices and any customary or historical dealings with a particular Person; (C) any applicable generally accepted accounting practices or principles; and (D) such additional factors as the General Partner (including the Conflicts Committee) determines in its sole discretion to be relevant, reasonable or appropriate under the circumstances. Nothing contained in this Agreement, however, is intended to nor shall it be construed to require the General Partner (including the Conflicts Committee) to consider the interests of any Person other than the Partnership. In the absence of bad faith by the General Partner, the resolution, action or terms so made, taken or provided by the General Partner with respect to such matter shall not constitute a breach of this Agreement or any other agreement contemplated herein or a breach of any standard of care or duty imposed herein or therein or, to the extent permitted by law, under the Delaware Act or any other law, rule or regulation.

(b) Whenever this Agreement or any other agreement contemplated hereby provides that the General Partner or any of its Affiliates is permitted or required to make a decision (i) in its "sole discretion" or "discretion" that it deems "necessary or appropriate" or "necessary or advisable" or under a grant of similar authority or latitude, except as otherwise provided herein, the General Partner or such Affiliate shall be entitled to consider only such interests and factors as it desires and shall have no duty or obligation to give any consideration to any interest of, or factors affecting, the Partnership, any Limited Partner or any Assignee, (ii) it may make such decision in its sole discretion (regardless of whether there is a reference to "sole discretion" or "discretion") unless another express standard is provided for, or (iii) in "good faith" or under another express standard, the General Partner or such Affiliate shall act under such express standard and shall not be subject to any other or different standards imposed by this Agreement, any other agreement contemplated hereby or under

the Delaware Act or any other law, rule or regulation. In addition, any actions taken by the General Partner or such Affiliate consistent with the standards of “reasonable discretion” set forth in the definitions of Available Cash or Operating Surplus shall not constitute a breach of any duty of the General Partner to the Partnership or the Limited Partners. The General Partner shall have no duty, express or implied, to sell or otherwise dispose of any asset of the Partnership Group. No borrowing by any Group Member or the approval thereof by the General Partner shall be deemed to constitute a breach of any duty of the General Partner to the Partnership or the Limited Partners by reason of the fact that the purpose or effect of such borrowing is directly or indirectly to enable distributions on the General Partner Units to exceed the General Partner’s Percentage Interest of the total amount distributed.

(c) Whenever a particular transaction, arrangement or resolution of a conflict of interest is required under this Agreement to be “fair and reasonable” to any Person, the fair and reasonable nature of such transaction, arrangement or resolution shall be considered in the context of all similar or related transactions.

(d) The Limited Partners hereby authorize the General Partner, on behalf of the Partnership as a partner of a Group Member, to approve of actions by the general partner of such Group Member similar to those actions permitted to be taken by the General Partner pursuant to this Section 6.9.

Section 6.10 Other Matters Concerning the General Partner.

(a) The General Partner may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(b) The General Partner may consult with legal counsel, accountants, appraisers, management consultants, investment bankers and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion (including an Opinion of Counsel) of such Persons as to matters that the General Partner reasonably believes to be with a such Person’s professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

(c) The General Partner shall have the right, in respect of any of its powers or actions hereunder, to act through any of its duly authorized officers, a duly appointed attorney or attorneys-in-fact or the duly authorized officers of the Partnership.

(d) Any standard of care and duty imposed by this Agreement or under the Delaware Act or any applicable law, rule or regulation shall be modified, waived or limited, to the extent permitted by law, as required to permit the General Partner to act under this Agreement or any other agreement contemplated by this Agreement and to make any decision pursuant to the authority prescribed in this Agreement, so long as such action is reasonably believed by the General Partner to be in, or not inconsistent with, the best interests of the Partnership.

Section 6.11 Title to Partnership Assets.

Title to Partnership assets, whether real, personal or mixed and whether tangible or intangible, shall be deemed to be owned by the Partnership as an entity, and no Partner or Assignee, individually or collectively, shall have any ownership interest in such Partnership assets or any portion thereof. Title to any or all of the Partnership assets may be held in the name: of the Partnership, the General Partner, one or more of its Affiliates, or one or more nominees, as the General Partner may determine. The General Partner hereby declares and warrants that any Partnership assets for which record title is held in the name of the General Partner or one or more of its Affiliates or one or more nominees shall be held by the General Partner or such Affiliate or nominee for the use and benefit of the Partnership in accordance with the provisions of this Agreement; provided,

however, that the General Partner shall use its reasonable efforts to cause record title to such assets (other than those assets in respect of which the General Partner determines that the expense and difficulty of conveyancing makes transfer of record title to the Partnership impracticable) to be vested in the Partnership as soon as reasonably practicable; provided that, prior to the withdrawal or removal of the Withdrawing General Partner or as soon thereafter as practicable, the General Partner shall use reasonable efforts to effect the transfer of record title to the Partnership and prior to any such transfer, will provide for the use of such assets in a manner satisfactory to the Partnership. All Partnership assets shall be recorded as the property of the Partnership in its books and records, irrespective of the name in which record title to such Partnership assets is held. The Withdrawing General Partner covenants and agrees that on the Second A&R Effective Date, the Partnership Group shall have all licenses, permits, certificates, franchises, or other governmental authorizations or permits necessary for the ownership of their properties or for the conduct of their businesses, except for such licenses, permits, certificates, franchises, or other governmental authorizations or permits, failure to have obtained which will not, individually or in the aggregate, have a material adverse effect on the Partnership Group.

Section 6.12 Purchase or Sale of Units.

The General Partner may cause the Partnership to purchase or otherwise acquire Units with cash or property from any source, including Interim Capital Transactions. As long as Units are held by any Group Member, such Units shall not be considered Outstanding for any purpose, except as otherwise provided herein. The General Partner or any Affiliate of the General Partner (other than a Group Member) may also purchase or otherwise acquire and sell or otherwise dispose of Units for its own account, subject to the provisions of Articles XI and XII.

Section 6.13 Registration Rights.

(a) If (i) the General Partner or any Affiliate of the General Partner (including for purposes of this Section 6.13, any Person that is an Affiliate of the General Partner at the date hereof notwithstanding that it may later cease to be an Affiliate of the General Partner) holds Units or other Partnership Securities that it desires to sell and (ii) Rule 144 of the Securities Act (or any successor rule or regulation to Rule 144) or another exemption from registration is not available to enable such holder of Units (the "Holder") to dispose of the number of Units or other Partnership Securities it desires to sell at the time it desires to do so without registration under the Securities Act, then upon the request of the General Partner or any of its Affiliates, the Partnership shall file with the Commission as promptly as practicable after receiving such request, and use all reasonable efforts to cause to become effective and remain effective for a period of not less than six months following its effective date or such shorter period as shall terminate when all Units or other Partnership Securities covered by such registration statement have been sold, a registration statement under the Securities Act registering the offering and sale of the number of Units or other Partnership Securities specified by the Holder, provided however, that the Partnership shall not be required to effect more than three registrations pursuant to this Section 6.13(a); and provided, further, however, that if the Conflicts Committee determines in its good faith judgment that a postponement of the requested registration for up to six months would be in the best interests of the Partnership and its Partners due to a pending transaction, investigation or other event, the filing of such registration statement or the effectiveness thereof may be deferred for up to six months, but not thereafter. In connection with any registration pursuant to the immediately preceding sentence, the Partnership shall promptly prepare and file (x) such documents as may be necessary to register or qualify the Partnership Securities subject to such registration under the securities laws of such states as the Holder shall reasonably request: provided, however, that no such qualification shall be required in any jurisdiction where, as a result thereof, the Partnership would become subject to general service of process or to taxation or qualification to do business as a foreign corporation or partnership doing business in such jurisdiction, and (y) such documents as may be necessary to apply for listing or to list the Partnership Securities subject to such registration on such National Securities Exchange as the Holder shall reasonably request, and do any and all other acts and things that may reasonably be necessary or advisable to enable the Holder to consummate a public sale of such Units in such states. Except as set forth in Section 6.13(c), all costs and expenses of any such registration and offering (other than the underwriting discounts and commissions) shall be paid by the Partnership, without reimbursement by the Holder.

(b) If the Partnership shall at any time propose to file a registration statement under the Securities Act for an offering of equity securities of the Partnership for cash (other than an offering relating solely to an employee benefit plan), the Partnership shall use all reasonable efforts to include such number or amount of Partnership Securities held by the Holder in such registration statement as the Holder shall request. If the proposed offering pursuant to this Section 6.13(b) shall be an underwritten offering, then, in the event that the managing underwriter of such offering advises the Partnership and the Holder in writing that in its opinion the inclusion of all or some of the Holder's Partnership Securities would adversely and materially affect the success of the offering, the Partnership shall include in such offering only that number or amount, if any, of Partnership Securities held by the Holder which, in the opinion of the managing underwriter, will not so adversely and materially affect the offering. Except as set forth in Section 6.13(c), all costs and expenses of any such registration and offering (other than the underwriting discounts and commissions) shall be paid by the Partnership, without reimbursement by the Holder.

(c) If underwriters are engaged in connection with any registration referred to in Section 6.13(a), the Partnership shall provide indemnification, representations, covenants, opinions and other assurance to the underwriters in form and substance reasonably satisfactory to such underwriters. Further, in addition to and not in limitation of the Partnership's obligation under Section 6.7, the Partnership shall, to the fullest extent permitted by law, indemnify and hold harmless the Holder, its officers, directors, and each Person who controls the Holder (within the meaning of the Securities Act) and any agent thereof (collectively, "Indemnified Persons") against any losses, claims, demands, actions, causes of action, assessments, damages, liabilities (joint or several), costs and expenses (including interest, penalties and reasonable attorneys' fees and disbursements), resulting to, imposed upon, or incurred by the Indemnified Persons, directly or indirectly, under the Securities Act or otherwise (hereinafter referred to in this Section 6.13(c) as a "claim" and in the plural as "claims") based upon, arising out of or resulting from any untrue statement or alleged untrue statement of any material fact contained in any registration statement under which any Units were registered under the Securities Act or any state securities or Blue Sky laws, in any preliminary prospectus (if used prior to the effective date of such registration statement), or in any summary or final prospectus or in any amendment or supplement thereto (if used during the period the Partnership is required to keep the registration statement current), or arising out of, based upon or resulting from the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements made therein not misleading; provided, however, that the Partnership shall not be liable to any Indemnified Person to the extent that any such claim arises out of, is based upon or results from an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, such preliminary, summary or final prospectus or such amendment or supplement in reliance upon and in conformity with written information furnished to the Partnership by or on behalf of such Indemnified Person specifically for use in the preparation thereof.

(d) The provisions of Section 6.13(a) and (b) shall continue to be applicable with respect to the General Partner (and any of the General Partner's Affiliates) (including the Withdrawing General Partner) after it ceases to be a Partner of the Partnership, during a period of two years subsequent to the effective date of such cessation and for so long thereafter as is required for the Holder to sell all of the Units or other Partnership Securities with respect to which it has requested during such two year period that a registration statement be filed; provided however, that the Partnership shall not be required to file successive registration statements covering the same Partnership Securities for which registration was demanded during such two-year period. The provisions of Section 6.13(c) shall continue in effect thereafter.

(e) Any request to register Partnership Securities pursuant to this Section 6.13 shall (i) specify the Partnership Securities intended to be offered and sold by the Person making the request, (ii) express such Person's present intent to offer such Partnership Securities for distribution, (iii) describe the nature or method of the proposed offer and sale of Partnership Securities, and (iv) contain the undertaking of such Person to provide all such information and materials and take all action as may be required in order to permit the Partnership to comply with all applicable requirements in connection with the registration of such Partnership Securities.

Section 6.14 *Reliance by Third Parties.*

Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Partnership shall be entitled to assume that the General Partner and any officer of the Partnership authorized by the General Partner to act on behalf of and in the name of the Partnership has full power and authority to encumber, sell or otherwise use in any manner any and all assets of the Partnership and to enter into any contracts on behalf of the Partnership, and such Person shall be entitled to deal with the General Partner or any such officer as if it were the Partnership's sole party in interest, both legally and beneficially. Each Limited Partner hereby waives any and all defenses or other remedies that may be available against such Person to contest, negate or disaffirm any action of the General Partner or any such officer in connection with any such dealing. In no event shall any Person dealing with the General Partner or any such officer or its representatives be obligated to ascertain that the terms of this Agreement have been complied with or to inquire into the necessity or expedience of any act or action of the General Partner or any such officer or its representatives. Each and every certificate, document or other instrument executed on behalf of the Partnership by the General Partner or any such officer or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (a) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full force and effect, (b) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Partnership and (c) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Partnership.

The transaction of any such business by the General Partner, any of its Affiliates or any member, officer, director, employee, partner, agent or trustee of the General Partner or any of its Affiliates, in its capacity as such, shall not affect, impair or eliminate the limitations on the liability of the Limited Partners or Assignees under this Agreement.

The General Partner shall timely file all returns of the Partnership that are required for federal, state and local income tax purposes on the basis of the accrual method and a taxable year ending on December 31. For taxable years ending on or prior to the Effective Date, the tax information reasonably required by Record Holders for federal and state income tax reporting purposes with respect to a taxable year shall be furnished to them within 90 days of the close of the calendar year in which the Partnership's taxable year ends. The classification, realization and recognition of income, gain, losses and deductions and other items shall be on the accrual method of accounting for federal income tax purposes.

Section 9.2 *Tax Elections.*

(a) The authorized officers of the Partnership are authorized to make the Tax Election, and such election has been made.

(b) Except as otherwise provided herein, the General Partner shall determine whether the Partnership should make any other elections permitted by the Code.

Section 9.3 *Tax Controversies.*

For taxable years ending on or prior to the Effective Date and subject to the provisions hereof, the General Partner is designated as the Tax Matters Partner (as defined in Section 6231 of the Code). The General Partner is authorized and required to represent the Partnership (at the Partnership's expense) in connection with all examinations of the Partnership's affairs by tax authorities, including resulting administrative and judicial proceedings and to expend Partnership funds for professional services and costs associated therewith. Each Partner agrees to cooperate with the General Partner and to do or refrain from doing any or all things reasonably required by the General Partner to conduct such proceedings.

Section 9.4 *Withholding.*

Notwithstanding any other provision of this Agreement, the General Partner is authorized to take any action that it determines in its sole discretion to be necessary or appropriate to cause the Partnership to comply with any withholding requirements established under the Code or any other federal, state, or local law including, without limitation, pursuant to Sections 1441, 1442, 1445 and 1446 of the Code. To the extent that the Partnership is required or elects to withhold and pay over to any taxing authority any amount resulting from a distribution or payment to or for the benefit of any Partner, the General Partner may treat the amount withheld as a distribution pursuant to Article V in the amount of such withholding from such Partner.

ARTICLE X

CERTIFICATES

Section 10.1 *Certificates.*

Upon the Partnership's issuance of Common Units to any Person, the Partnership shall issue one or more Certificates in the name of such Person evidencing the number of such Units being so issued. Certificates shall be executed on behalf of the Partnership by the General Partner. No Common Unit Certificate shall be valid for any purpose until it has been countersigned by the Transfer Agent, provided, however, that if the General Partner elects to issue Units in global form, the Certificates shall be valid upon receipt of a certificate from the Transfer Agent certifying that such Units have been duly registered in accordance with the directions of the Partnership and the Underwriters.

Section 10.2 *Registration. Registration of Transfer and Exchange.*

(a) The General Partner shall cause to be kept on behalf of the Partnership a register in which, subject to such reasonable regulations as it may prescribe and subject to the provisions of Section 10.2(b), the General Partner will provide for the registration and transfer of Units. The Transfer Agent is hereby appointed registrar and transfer agent for the purpose of registering Common Units and transfers of such Units as herein provided. The Partnership shall not recognize transfers of Certificates representing Units unless such transfers are effected in the manner described in this Section 10.2. Upon surrender for registration of transfer of any Units evidenced by a Certificate, and subject to the provisions of Section 10.2(b), the General Partner on behalf of the Partnership shall execute, and the Transfer Agent shall countersign and deliver (or, in the case of Units issued in global form, register in accordance with the rules and regulations of the Depositary), in the name of the holder or the designated transferee or transferees, as required pursuant to the holder's instructions, one or more new Certificates evidencing the same aggregate number of Units as was evidenced by the Certificate so surrendered.

(b) Except as otherwise provided in Section 11.5, the Partnership shall not recognize any transfer of Units until the Certificates evidencing such Units are surrendered for registration of transfer and such Certificates are accompanied by a Transfer Application duly executed by the transferee (or the transferee's attorney-in-fact

duly authorized in writing). No charge shall be imposed by the Partnership for such transfer; provided, that as a condition to the issuance of any new Certificate under this Section 10.2, the General Partner may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed with respect thereto.

Section 10.3 *Mutilated, Destroyed, Lost or Stolen Certificates.*

(a) If any mutilated Certificate is surrendered to the Transfer Agent, the General Partner on behalf of the Partnership shall execute, and upon its request the Transfer Agent shall countersign and deliver in exchange therefor, a new Certificate evidencing the same number of Units as the Certificate so surrendered

(b) The General Partner on behalf of the Partnership shall execute, and upon its request the Transfer Agent shall countersign and deliver (or, in the case of Units issued in global form, register in accordance with the rules and regulations of the Depository) a new Certificate in place of any Certificate previously issued if the Record Holder of the Certificate:

(i) makes proof by affidavit, in form and substance satisfactory to the General Partner, that a previously issued Certificate has been lost, destroyed or stolen;

(ii) requests the issuance of a new Certificate before the Partnership has notice that the Certificate has been acquired by a purchaser for value in good faith and without notice of an adverse claim;

(iii) if requested by the General Partner, delivers to the Partnership a bond, in form and substance satisfactory to the General Partner with surety sureties and with fixed or open penalty as the General Partner may reasonably direct, in its sole discretion, to indemnify the Partnership, the General Partner and the Transfer Agent against any claim that may be made on account of the alleged loss, destruction or theft of the Certificate; and

(iv) satisfies any other reasonable requirements imposed by the General Partner.

If a Limited Partner or Assignee fails to notify the Partnership within a reasonable time after he has notice of the loss, destruction or theft of a Certificate, and a transfer of the Units representing Limited Partner Interests represented by the Certificate is registered before the Partnership, the General Partner or the Transfer Agent receives such notification, the Limited Partner or Assignee shall be precluded from making any claim against the Partnership, the General Partner or the Transfer Agent for such transfer or for a new Certificate.

(c) As a condition to the issuance of any new Certificate under this Section 10.3, the General Partner may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed, in relation, thereto and any other expenses (including the fees and expenses of the Transfer Agent) reasonably connected therewith.

Section 10.4 *Record Holders.*

In accordance with Section 10.2(b), the Partnership shall be entitled to recognize the Record Holder as the Limited Partner or Assignee with respect to any Units and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such Units on the part of any other Person, regardless of whether the Partnership shall have actual or other notice thereof, except as otherwise provided by law or any applicable rule, regulation, guideline or requirement of any National Securities Exchange on which the Units are listed for trading. Without limiting the foregoing, when a Person (such as a broker, dealer, bank, trust company or clearing corporation or an agent of any of the foregoing) is acting as nominee, agent or in some other representative capacity for another Person in acquiring and/or holding Units, as between the Partnership on the one hand, and such other Persons, on the other, such representative Person (a) shall be the Limited Partner or Assignee (as the case may be) of record and beneficially, (b) must execute and deliver a Transfer Application and (c) shall be bound by this Agreement and shall have the rights and obligations of a Limited Partner or Assignee (as the case may be) hereunder and as provided for herein.

ARTICLE XI

TRANSFER OF INTERESTS

Section 11.1 *Transfer.*

(a) The term “transfer,” when used in this Agreement with respect to a Partnership Interest, shall be deemed to refer to a transaction (i) by which the General Partner assigns its General Partner Units to another Person and includes a sale, assignment, gift, pledge, encumbrance, hypothecation, mortgage, exchange or any other disposition by law or otherwise or (ii) by which the holder of a Limited Partner Interest assigns such Limited Partner Interest to another Person who is or becomes a Limited Partner, and includes a sale, assignment, gift, exchange or any other disposition by law or otherwise, including any transfer upon foreclosure of any pledge, encumbrance, hypothecation or mortgage.

(b) No Partnership Interest shall be transferred, in whole or in part, except in accordance with the terms and conditions set forth in this Article XI. Any transfer or purported transfer of a Partnership Interest not made in accordance with this Article XI shall be null and void.

(c) Nothing contained in this Article XI shall be construed to prevent a disposition by the members of the General Partner of any or all of the issued and outstanding member interests in the General Partner.

(d) Nothing contained in this Article XI, or elsewhere in this Partnership Agreement, shall preclude the settlement of any transactions involving Units entered into through the facilities of any National Securities Exchange on which the Units are listed for trading.

Section 11.2 *Transfer of a General Partner’s Partnership Interest.*

Notwithstanding anything herein to the contrary, no transfer by the General Partner of all or any part of its General Partner Interest to another Person shall be permitted unless (i) the transferee agrees to assume the rights and duties of the General Partner under this Agreement and to be bound by the provisions of this Agreement, (ii) the Partnership receives an Opinion of Counsel that such transfer would not result in the loss of limited liability of any Limited Partner or of any limited partner of any Group Member and (iii) such transferee also agrees to purchase all (or the appropriate portion thereof, if applicable) of the partnership interest of the General Partner as the general partner of each Group Member. In the case of a transfer pursuant to and in compliance with this Section 11.2, the transferee or successor (as the case may be) shall, subject to compliance with the terms of Section 12.3, be admitted to the Partnership as a General Partner immediately prior to the transfer of the General Partner Interest, and the business of the Partnership shall continue without dissolution.

Section 11.3 *Transfer of Units.*

(a) Units may be transferred only in the manner described in Article X. The transfer of any Units and the admission of any new Partner shall not constitute an amendment to this Agreement.

(b) Until admitted as a Substituted Limited Partner pursuant to Article XII, the Record Holder of a Unit shall be an Assignee in respect of such Unit. Limited Partners may include custodians, nominees, or any other individual or entity in its own or any representative capacity.

(c) Each distribution in respect of Units shall be paid by the Partnership, directly or through the Transfer Agent or through any other Person or agent, only to the Record Holders thereof as of the Record Date set for the distribution. Such payment shall constitute full payment and satisfaction of the Partnership’s liability in respect of such payment, regardless of any claim of any Person who may have an interest in such payment by reason of an assignment or otherwise.

Table of Contents

(d) A transferee who has completed and delivered a Transfer Application shall be deemed to have (i) requested admission as a Substituted Limited Partner, (ii) agreed to comply with and be bound by and to have executed this Agreement, (iii) represented and warranted that such transferee has the right, power and authority and, if an individual, the capacity to enter into this Agreement, (iv) granted the powers of attorney set forth in this Agreement and (v) given the consents and approvals and made the waivers contained in this Agreement.

Section 11.4 Restrictions on Transfers.

Notwithstanding the other provisions of this Article XI, no transfer of any Unit or interest therein of any Limited Partner or Assignee shall be made if such transfer would (a) violate the then applicable federal or state securities laws or rules and regulations of the Commission, any state securities commission or any other governmental authorities with jurisdiction over such transfer or (b) affect any Group Member's existence or qualification as a limited partnership under the laws of the jurisdiction of its formation.

Section 11.5 Citizenship Certificates; Non-citizen Assignees.

(a) If any Group Member is or becomes subject to any federal, state or local law or regulation that, in the reasonable determination of the General Partner, creates a substantial risk of cancellation or forfeiture of any property in which the Group Member has an interest based on the nationality, citizenship or other related status of a Limited Partner or Assignee, the General Partner may request any Limited Partner or Assignee to furnish to the General Partner, within 30 days after receipt of such request, an executed Citizenship Certification or such other information concerning his nationality, citizenship or other related status (or, if the Limited Partner or Assignee is a nominee holding for the account of another Person, the nationality, citizenship or other related status of such Person) as the General Partner may request. If a Limited Partner or Assignee fails to furnish to the General Partner within the aforementioned 30-day period such Citizenship Certification or other requested information or if upon receipt of such Citizenship Certification or other requested information the General Partner determines, with the advice of counsel, that a Limited Partner or Assignee is not an Eligible Citizen, the Units owned by such Limited Partner or Assignee shall be subject to redemption in accordance with the provisions of Section 11.6. In addition, the General Partner may require that the status of any such Limited Partner or Assignee be changed to that of a Non-citizen Assignee and, thereupon, the General Partner shall be substituted for such non-citizen Assignee as the Limited Partner in respect of his Units.

(b) The General Partner shall, in exercising voting rights in respect of Units held by it on behalf of Non-citizen Assignees, distribute the votes in the same ratios as the votes of Limited Partners in respect of Units other than those of Non-citizen Assignees are cast, either for, against or abstaining as to the matter.

(c) Upon dissolution of the Partnership, a Non-citizen Assignee shall have no right to receive a distribution in kind pursuant to Section 14.4 but shall be entitled to the cash equivalent, thereof, and the General Partner shall provide, cash in exchange for an assignment of the Non-citizen Assignee's share of the distribution in kind. Such payment and assignment shall be treated for Partnership purposes as a purchase by the General Partner from the Non-citizen Assignee of his Partnership Interest (representing his right to receive his share of such distribution in kind).

(d) At any time after he can and does certify that he has become an Eligible Citizen, a Non-citizen Assignee may, upon application to the General Partner, request admission as a Substituted Limited Partner with respect to any Units of such Non-citizen Assignee not redeemed pursuant to Section 11.6, and upon his admission pursuant to Section 12.2, the General Partner shall cease to be deemed to be the Limited Partner in respect of the Non-citizen Assignee's Units.

Section 11.6 Redemption of Interests.

(a) If at any time a Limited Partner or Assignee fails to furnish a Citizenship Certification or other information requested within the 30-day period specified in Section 11.5(a), or if upon receipt of such

Table of Contents

Citizenship Certification or other information the General Partner determines, with the advice of counsel, that a Limited Partner or Assignee is not an Eligible Citizen, the Partnership may, unless the Limited Partner or Assignee establishes to the satisfaction of the General Partner that such Limited Partner or Assignee is an Eligible Citizen or has transferred his Units to a Person who furnishes a Citizenship Certification to the General Partner prior to the date fixed for redemption as provided below, redeem the Partnership Interest of such Limited Partner or Assignee as follows:

(i) The General Partner shall, not later than the 30th day before the date fixed for redemption, give notice of redemption to the Limited Partner or Assignee at his last address designated on the records of the Partnership or the Transfer Agent, by registered or certified mail, postage prepaid. The notice shall be deemed to have been given when so mailed. The notice shall specify the Redeemable Units, the date fixed for redemption, the place of payment, that payment of the redemption price will be made upon surrender of the Certificate evidencing the Redeemable Units and that on and after the date fixed for redemption no further allocations or distributions to which the Limited Partner or Assignee would otherwise be entitled in respect of the Redeemable Units will accrue or be made.

(ii) The aggregate redemption price for Redeemable Units shall be an amount equal to the Current Market Price (the date of determination of which shall be the date fixed for redemption) of Units of the class to be so redeemed multiplied by the number of Units of each such class included among the Redeemable Units. The redemption price shall be paid in the sole discretion of the General Partner, in cash or by delivery of a promissory note of the Partnership in the principal amount of the redemption price, bearing interest at the rate of 10% annually and payable in three equal annual installments of principal together with accrued interest, commencing one year after the redemption date.

(iii) Upon surrender by or on behalf of the Limited Partner or Assignee, at the place specified in the notice of redemption, of the Certificate evidencing the Redeemable Units, duly endorsed in blank or accompanied by an assignment duly executed in blank, the Limited Partner or Assignee or his duly authorized representative shall be entitled to receive the payment therefor.

(iv) After the redemption date, Redeemable Units shall no longer constitute issued and Outstanding Units.

(b) The provisions of this Section 11.6 shall also be applicable to Units held by a Limited Partner or Assignee as nominee of a Person determined to be other than an Eligible Citizen.

(c) Nothing in this Section 11.6 shall prevent the recipient of a notice of redemption from transferring his Units before the redemption date if such transfer is otherwise permitted under this Agreement. Upon receipt of notice of such a transfer, the General Partner shall withdraw the notice of redemption, provided the transferee of such Units certifies in the Transfer Application that he is an Eligible Citizen. If the transferee fails to make such certification, such redemption shall be effected from the transferee on the original redemption date.

ARTICLE XII

ADMISSION OF PARTNERS

Section 12.1 *Admission of Initial Limited Partners.*

Upon the issuance by the Partnership of the Old Subordinated Units to the Initial General Partner in connection with the Initial Offering, the Initial General Partner was admitted to the Partnership as a Limited Partner. Upon the issuance by the Partnership of Common Units to the Initial Underwriters in connection with the Initial Offering and the execution by the Initial Underwriters of a Transfer Application, the Initial Underwriters were admitted to the Partnership as Initial Limited Partners.

Section 12.2 *Admission of Substituted Limited Partners*

By transfer of a Unit representing a Limited Partner Interest in accordance with Article XI, the transferor shall be deemed to have given the transferee the right to seek admission as a Substituted Limited Partner subject to the conditions of, and in the manner permitted under, this Agreement. A transferor of a Certificate representing a Limited Partner Interest shall, however, only have the authority to convey to a purchaser or other transferee who does not execute and deliver a Transfer Application (a) the right to negotiate such Certificate to a purchaser or other transferee and (b) the right to transfer the right to request admission as a Substituted Limited Partner to such purchaser or other transferee in respect of the transferred Units. Each transferee of a Unit representing a Limited Partner Interest (including any nominee holder or an agent acquiring such Unit for the account of another Person) who executes and delivers a Transfer Application shall, by virtue of such execution and delivery, be an Assignee and be deemed to have applied to become a Substituted Limited Partner with respect to the Units so transferred to such Person. Such Assignee shall become a Substituted Limited Partner (x) at such time as the General Partner consents thereto, which consent may be given or withheld in the General Partner's sole discretion, and (y) when any such admission is shown on the books and records of the Partnership. If such consent is withheld, such transferee shall be an Assignee. An Assignee shall have an interest in the Partnership equivalent to that of a Limited Partner with respect to allocations and distributions, including liquidating distributions, of the Partnership. With respect to voting rights attributable to Units that are held by Assignees, the General Partner shall be deemed to be the Limited Partner with respect thereto and shall, in exercising the voting rights in respect of such Units on any matter vote such Units at the written direction of the Assignee who is the Record Holder of such Units. If no such written direction is received, such Units will not be voted. An Assignee shall have no other rights of a Limited Partner.

Section 12.3 *Admission of General Partner.*

On the Second A&R Effective Date, the General Partner was admitted to the Partnership as successor to the Withdrawing General Partner immediately prior to the Withdrawing General Partner's withdrawal pursuant to Section 4.4(d). A successor General Partner approved pursuant to Section 13.1 or 13.2 or the transferee of or successor to all the General Partner Interest pursuant to Section 11.2 who is proposed to be admitted as a successor General Partner shall be admitted to the Partnership as the General Partner, effective immediately prior to the withdrawal or removal of the General Partner pursuant to Section 13.1 or 13.2 or the transfer of the General Partner Interest pursuant to Section 11.2; provided, however, that no such successor shall be admitted to the Partnership until compliance with the terms of Section 11.2 has occurred and such successor has executed and delivered such other documents or instruments as may be required to effect such admission. Any such successor shall, subject to the terms hereof, carry on the business of the Partnership without dissolution.

Section 12.4 *Admission of Additional Limited Partners.*

(a) A Person (other than the General Partner, an Initial Limited Partner or a Substituted Limited Partner) who makes a Capital Contribution to the Partnership in accordance with this Agreement shall be admitted to the Partnership as an Additional Limited Partner only upon furnishing to the General Partner (i) evidence of acceptance in form satisfactory to the General Partner of all of the terms and conditions of this Agreement, including the power of attorney granted in Section 1.4, and (ii) such other documents or instruments as may be required in the discretion of the General Partner to effect such Person's admission as an Additional Limited Partner.

(b) Notwithstanding anything to the contrary in this Section 12.4, no Person shall be admitted as an Additional Limited Partner without the consent of the General Partner, which consent may be given or withheld in the General Partner's sole discretion. The admission of any Person as an Additional Limited Partner shall become effective on the date upon which the name of such Person is recorded as such in the books and records of the Partnership, following the consent of the General Partner to such admission.

[Table of Contents](#)

Section 12.5 *Amendment of Agreement and Certificate of Limited Partnership.*

To effect the admission to the Partnership of any Partner, the General Partner shall take all steps necessary and appropriate under the Delaware Act to amend the records of the Partnership to reflect such admission and, if necessary, to prepare as soon as practical an amendment of this Agreement and, if required by law, to prepare and file an amendment to the Certificate of Limited Partnership, and the General Partner may for this purpose, among others, exercise the power of attorney granted pursuant to Section 1.4.

ARTICLE XIII

WITHDRAWAL OR REMOVAL OF PARTNERS

Section 13.1 *Withdrawal of the General Partner.*

(a) The General Partner shall be deemed to have withdrawn from the Partnership upon the occurrence of any one of the following events (each such event herein referred to as an “Event of Withdrawal”);

- (i) the General Partner voluntarily withdraws from the Partnership by giving written notice to the other Partners;
- (ii) the General Partner transfers all of his rights as General Partner pursuant to Section 11.2;
- (iii) the General Partner is removed pursuant to Section 13.2;

(iv) the General Partner (A) makes a general assignment for the benefit of creditors; (B) files a voluntary bankruptcy petition for relief under Chapter 7 of the United States Bankruptcy Code; (C) files a petition or answer seeking for itself a liquidation, dissolution or similar relief (but not a reorganization) under any law; (D) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the General Partner in a proceeding of the type described in clauses (A)-(C) of this Section 13.1(a)(iv); or (E) seeks, consents to or acquiesces in the appointment of a trustee (but not a debtor in possession), receiver or liquidator of the General Partner or of all or any substantial part of its properties;

(v) a final and non-appealable order of relief under Chapter 7 of the United States Bankruptcy Code is entered by a court with appropriate jurisdiction pursuant to a voluntary or involuntary petition by or against the General Partner; or

(vi) a certificate of dissolution or its equivalent is filed for the General Partner, or 90 days expire after the date of notice to the General Partner of revocation of its charter without a reinstatement of its charter, under the laws of its state of incorporation or formation.

If an Event of Withdrawal specified in Section 13.1(a)(iv), (v) or (vi) occurs, the withdrawing General Partner shall give notice to the Limited Partners within 30 days after such occurrence. The Partners hereby agree that only the Events of Withdrawal described in this Section 13.1 shall result in the withdrawal of the General Partner from the Partnership.

(b) Withdrawal of the General Partner from the Partnership upon the occurrence of an Event of Withdrawal shall not constitute a breach of this Agreement under the following circumstances: (i) the General Partner voluntarily withdraws by giving at least 90 days’ advance notice to the Limited Partners, such withdrawal to take effect on the date specified in such notice; or (ii) at any time that the General Partner ceases to be a General Partner pursuant to Section 13.1(a)(ii) or is removed pursuant to Section 13.2. The withdrawal of the General Partner from the Partnership upon the occurrence of an Event of Withdrawal shall also constitute the withdrawal of the General Partner as general partner of the other Group Members. If the General Partner gives a notice of withdrawal pursuant to Section 13.1(a)(i), holders of a Unit Majority may, prior to the effective date of such withdrawal, elect a successor General Partner. The Person so elected as successor General Partner shall

Table of Contents

automatically become the successor general partner of the other Group Members. If, prior to the effective date of the General Partner's withdrawal, a successor is not selected by the Limited Partners as provided herein, the Partnership shall be dissolved in accordance with Section 14.1. Any successor General Partner elected in accordance with the terms of this Section 13.1 shall be subject to the provisions of Section 12.3.

(c) On the Second A&R Effective Date, the General Partner was admitted to the Partnership as the successor to the Withdrawing General Partner immediately prior to its withdrawal pursuant to Section 4.4(d). At such time, the withdrawal of the Withdrawing General Partner as general partner of the Partnership shall be effective and any notice of such withdrawal required by this Article XIII shall be waived.

Section 13.2 Removal of the General Partner.

The General Partner may be removed if such removal is approved by Limited Partners holding at least two-thirds of the Outstanding Units voting together as a single class (excluding those Units held by the General Partner and its Affiliates). Any such action by such Limited Partners for removal of the General Partner must also provide for the election of a successor General Partner by Limited Partners holding at least a majority of the Outstanding Units (excluding for purposes of such determination Units owned by the General Partner and its Affiliates). Such removal shall be effective immediately following the admission of a successor General Partner pursuant to Article XII. The removal of the General Partner shall also automatically constitute the removal of the General Partner as general partner of the other Group Members. If a person is elected as a successor General Partner in accordance with the terms of this Section 13.2, such person shall, upon admission pursuant to Article XII, automatically become the successor general partner of the other Group Members. The right of the Limited Partners holding Outstanding Units to remove the General Partner shall not exist or be exercised unless the Partnership has received an Opinion of Counsel that such removal would not result in the loss of the limited liability of any Limited Partner or of the limited partner of any Group Member. Any successor General Partner elected in accordance with the terms of this Section 13.2 shall be subject to the provisions of Section 12.3.

Section 13.3 Interest of Departing Partner and General Partner.

(a) In the event of (i) withdrawal of the General Partner under circumstances where such withdrawal does not violate this Agreement or (ii) removal of the General Partner by the Limited Partners under circumstances where Cause does not exist, if a successor General Partner is elected in accordance with the terms of Section 13.1 or 13.2, the Departing Partner shall have the option exercisable prior to the effective date of the departure of such Departing Partner to require its successor to purchase its Partnership Interest as a general partner in the Partnership (which is represented by the General Partner Units) and its partnership interest as the general partner in the other Group Members (collectively, the "Combined Interest") in exchange for an amount in cash equal to the fair market value of such Combined Interest, such amount to be determined and payable as of the effective date of its departure. For purposes of this Section 13.3, the Withdrawing General Partner hereby waives the right to require the General Partner to purchase its Combined Interest. If the General Partner is removed by the Limited Partners under circumstances where Cause exists or if the General Partner withdraws under circumstances where such withdrawal violates this agreement, and if a successor General Partner is elected in accordance with the terms of Section 13.1 or 13.2, such successor shall have the option, exercisable prior to the effective date of the departure of such Departing Partner, to purchase the Combined Interest of the Departing Partner for such fair market value of such Combined Interest. In either event, the Departing Partner shall be entitled to receive all reimbursements due such Departing Partner pursuant to Section 6.4, including any employee-related liabilities (including severance liabilities), incurred in connection with the termination of any employees employed by the General Partner for the benefit of the Partnership or the other Group Members.

For purposes of this Section 13.3(a), the fair market value of the Departing Partner's Combined Interest shall be determined by agreement between the Departing Partner and its successor or, failing agreement within 30 days after, the effective date of such Departing Partners departure, by an independent investment banking firm or other independent expert selected by the Departing Partner and its successor, which, in turn, may rely on other

Table of Contents

experts and the determination of which shall be conclusive as to such matter. If such parties cannot agree upon one independent investment banking firm or other independent expert within 45 days after the effective date of such departure, then the Departing Partner shall designate an independent investment banking firm or other independent expert, the Departing Partner's successor shall designate an independent investment banking firm or other independent expert, and such firms or experts shall mutually select a third independent investment banking firm or independent expert, which shall determine the fair market value of the Combined Interest. In making its determination, such independent investment banking firm or other independent expert shall consider the then current trading price of Units on any National Securities Exchange on which Units are then listed, the value of the Partnership's assets, the rights and obligations of the General Partner and other factors it may deem relevant.

(b) If the Combined Interest is not purchased in the manner set forth in Section 13.3(a), the Departing Partner shall become a Limited Partner and the Combined Interest shall be converted into Common Units pursuant to a valuation made by an investment banking firm or other independent expert selected pursuant to Section 13.3(a), without reduction in such Partnership Interest (but subject to proportionate dilution by reason of the admission of its successor). Any successor General Partner shall indemnify the Departing Partner as to all debts and liabilities of the Partnership arising on or after the date on which the Departing Partner becomes a Limited Partner. For purposes of this Agreement, conversion of the General Partner's Combined Interest to Common Units will be characterized as if the General Partner contributed its Combined Interest to the Partnership in exchange for the newly issued Common Units.

(c) If a successor General Partner is elected in accordance with the terms of Section 13.1 or 13.2 and the option described in Section 13.3(a) is not exercised by the party entitled to do so, the successor General Partner shall, at the effective date of its admission to the Partnership, contribute to the Partnership cash in an amount equal to the fair market value of the Combined Interest on such date. In such event, such successor General Partner shall, subject to the following sentence, be entitled to such Percentage Interest of all Partnership allocations and distributions and any other allocations and distributions to which the Departing Partner was entitled.

Section 13.4 *Withdrawal of Limited Partners.*

No Limited Partner shall have any right to withdraw from the Partnership; provided however, that when a transferee of a Limited Partner's Units becomes a Record Holder, such transferring Limited Partner shall cease to be a Limited Partner with respect to the Units so transferred.

ARTICLE XIV

DISSOLUTION AND LIQUIDATION

Section 14.1 *Dissolution.*

The Partnership shall not be dissolved by the admission of Substituted Limited Partners or Additional Limited Partners or by the admission of a successor General Partner in accordance with the terms of this Agreement. Upon the removal or withdrawal of the General Partner, if a successor General Partner is elected pursuant to Section 13.1 or 13.2, the Partnership shall not be dissolved and such successor General Partner shall continue the business of the Partnership. The Partnership shall dissolve, and (subject to Section 14.2) its affairs shall be wound up, upon:

(a) the expiration of its term as provided in Section 1.5;

(b) an Event of Withdrawal of the General Partner as provided in Section 13.1(a) (other than Section 13.1(a)(ii)), unless a successor is elected and an Opinion of Counsel is received as provided in Section 13.1(b) or 13.2 and such successor is admitted to the Partnership pursuant to Section 12.3;

Table of Contents

- (c) an election to dissolve the Partnership by the General Partner that is approved by holders of at least a Unit Majority;
- (d) entry of a decree of judicial dissolution of the Partnership pursuant to the provisions of the Delaware Act; or
- (e) the sale of all or substantially all of the assets and properties of the Partnership Group.

Section 14.2 Continuation of the Business of the Partnership After Dissolution.

Upon (a) dissolution of the Partnership following an Event of Withdrawal caused by the withdrawal or removal of the General Partner as provided in Section 13.1(a)(i) or (iii) and the failure of the Partners to select a successor to such Departing Partner pursuant to Section 13.1 or 13.2, then within 90 days thereafter, or (b) dissolution of the Partnership upon an event constituting an Event of Withdrawal as defined in Section 13.1(a)(iv), (v) or (vi), then, to the maximum extent permitted by law, within 180 days thereafter, holders of at least a majority of the Outstanding Units (excluding for purposes of such determination any Units held by the General Partner or its Affiliates) may elect to continue the business of the Partnership on the same terms and conditions set forth in this Agreement having as the successor general partner a Person approved by holders of at least a majority of the Outstanding Units (excluding for purposes of such determination any Units held by the General Partner or its Affiliates). Unless such an election is made within the applicable time period as set forth above, the Partnership shall conduct only activities necessary to wind up its affairs. If such an election is so made, then:

- (i) the Partnership shall continue without dissolution until the end of the term set forth in Section 1.5 unless earlier dissolved in accordance with this Article XIV;
- (ii) if the successor General Partner is not the former General Partner, then the interest of the former General Partner shall be dealt with in the manner provided in Section 13.3(b); and
- (iii) the successor General Partner shall be admitted to the Partnership as General Partner, effective as of the Event of Withdrawal, by agreeing in writing to be bound by this Agreement; provided, that the right of holders of at least a majority of Outstanding Units to approve a successor General Partner and to reconstitute and to continue the business of the Partnership shall not exist and may not be exercised unless the Partnership has received an Opinion of Counsel that the exercise of the right would not result in the loss of limited liability of any Limited Partner.

Section 14.3 Liquidator.

Upon dissolution of the Partnership, unless the business of the Partnership is continued pursuant to Section 14.2, the General Partner, or in the event the dissolution is the result of an Event of Withdrawal, a liquidator or liquidating committee approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests, shall be the Liquidator. The Liquidator (if other than the General Partner) shall be entitled to receive such compensation for its services as may be approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests. The Liquidator shall agree not to resign at any time without 15 days' prior notice and (if other than the General Partner) may be removed at any time, with or without cause, by notice of removal approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests. Upon dissolution, removal or resignation of the Liquidator, a successor and substitute Liquidator (who shall have and succeed to all rights, powers and duties of the original Liquidator) shall within 30 days thereafter be approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests. The right to approve a successor or substitute Liquidator in the manner provided herein shall be deemed to refer also to any such successor or substitute Liquidator approved in the manner herein provided. Except as expressly provided in this Article XIV, the Liquidator approved in the manner provided herein shall have and may exercise, without further authorization or consent of any-of the parties hereto, all of

the powers conferred upon the General Partner under the terms of this Agreement (but subject to all of the applicable limitations, contractual and otherwise, upon the exercise of such powers other than the limitation on sale set forth in Section 6.3(b)) to the extent necessary or desirable in the good faith judgment of the Liquidator to carry out the duties and functions of the Liquidator hereunder for and during such period of time as shall be reasonably required in the good faith judgment of the Liquidator to complete the winding up and liquidation of the Partnership as provided for herein.

Section 14.4 *Liquidation.*

The Liquidator shall proceed to dispose of the assets of the Partnership, discharge its liabilities, and otherwise wind up its affairs in such manner and over such period as the Liquidator determines to be in the best interest of the Partners, subject to the following:

(a) **Disposition of Assets.** The assets may be disposed of by public or private sale or by distribution in kind to one or more Partners on such terms as the Liquidator and such Partner or Partners may agree. If any property is distributed in kind, the Partner receiving the property shall be deemed for purposes of Section 14.4(c) to have received cash equal to its fair market value; and contemporaneously therewith, appropriate cash distributions must be made to the other Partners. For purposes of computing Net Termination Gain, gain or loss on distributed property shall be recognized as if such property had been sold for its fair market value.

(b) **Discharge of Liabilities.** Liabilities of the Partnership include amounts owed to Partners otherwise than in respect of their distribution rights under Article V. With respect to any liability that is contingent or is otherwise not yet due and payable, the Liquidator shall either settle such claim for such amount as it thinks appropriate or establish a reserve of cash or other assets to provide for its payment. When paid, any unused portion of the reserve shall be distributed as additional liquidation proceeds.

(c) **Liquidation Distributions.** All property and all cash in excess of that required to discharge the liabilities provided in Section 14.4(b) shall be distributed to the Partners in accordance with, and to the extent of, the positive balances in their respective Capital Accounts, as determined after taking into account all Capital Account adjustments (other than those made by reason of this clause) for the taxable year of the Partnership during which the liquidation of the Partnership occurs (with such date of occurrence being determined pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(g)), and such distribution shall be made by the end of such taxable year (or, if later, within 90 days after said date of such occurrence). Notwithstanding the foregoing, (i) if the General Partner determines in its sole discretion that the positive balance in the Capital Account of any Limited Partner holding Common Units at the time of distributions pursuant to this Section 14.4(c) is less than the positive Capital Account balance such Limited Partner would have had at such time if the Tax Election had not been made, the General Partner shall have the authority if it deems necessary to adjust the allocations of Net Income and Net Loss (or items of Net Income and Net Loss) made pursuant to Section 5.1 for the taxable year of the Partnership during which the liquidation of the Partnership occurs to cause the positive balance in the Capital Account of each Limited Partner at the time of distributions pursuant to this Section 14.4(c) to not be materially different than the positive Capital Account balance such Limited Partner would have had at such time if the Tax Election had not been made; provided that in no event may the General Partner reduce the positive Capital Account balance of any Limited Partner holding Common Units at the time of distributions pursuant to this Section 14.4(c) and (ii) 50% of all distributions which the General Partner would be entitled to receive with respect to its general partner interest shall be retained by the Partnership to fund the Plan in accordance with the terms of the Plan.

Section 14.5 *Cancellation of Certificate of Limited Partnership.*

Upon the completion of the distribution of Partnership cash and property as provided in Sections 14.3 and 14.4 in connection with the liquidation of the Partnership, the Partnership shall be terminated and the Certificate of Limited Partnership and all qualifications of the Partnership as a foreign limited partnership in jurisdictions

other than the State of Delaware shall be canceled and such other actions as may be necessary to terminate the Partnership shall be taken.

Section 14.6 *Return of Capital Contributions.*

The General Partner shall not be personally liable for, and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate, the return of the Capital Contributions of the Limited Partners, or any portion thereof, it being expressly understood that any such return shall be made solely from Partnership assets.

Section 14.7 *Waiver of Partition.*

To the maximum extent permitted by law, each Partner hereby waives any right to partition of the Partnership property.

Section 14.8 *Capital Account Restoration.*

No Limited Partner shall have any obligation to restore any negative balance in its Capital Account upon liquidation of the Partnership. The General Partner shall be obligated to restore any negative balance in its Capital Account upon liquidation of its interest in the Partnership by the end of the taxable year of the Partnership during which such liquidation occurs, or, if later, within 90 days after the date of such liquidation.

(a) a change in the name of the Partnership, the location of the principal place of business of the Partnership, the registered agent of the Partnership or the registered office of the Partnership;

(b) admission, substitution, withdrawal or removal of Partners in accordance with this Agreement;

(c) a change that, in the sole discretion of the General Partner, is necessary or advisable to qualify or continue the qualification of the Partnership as a limited partnership or a partnership in which the limited partners have limited liability under the laws of any state;

(d) a change that, in the sole discretion of the General Partner, (i) does not adversely affect the Limited Partners in any material respect, (ii) is necessary or advisable to (A) satisfy any requirements, conditions (including any particular class of Partnership Interests as compared to other classes of Partnership Interests) or guidelines contained in any opinion, directive, order, ruling or regulation of any federal or state agency or judicial authority or contained in any federal or state statute (including the Delaware Act) or (B) facilitate the trading of the Units (including the division of Outstanding Units into different classes to facilitate uniformity of tax consequences within such classes of Units) or comply with any rule, regulation, guideline or requirement of any National Securities Exchange on which the Units are or will be listed for trading, compliance with any of which the General Partner determines in its sole discretion to be in the best interests of the Partnership and the

Limited Partners, (iii) is necessary or advisable in connection with action taken by the General Partner pursuant to Section 4.8, or (iv) is required to effect the intent of the provisions of this Agreement or is otherwise contemplated by this Agreement;

(e) a change in the fiscal year or taxable year of the Partnership and any changes that, in the sole discretion of the General Partner, are necessary or advisable as a result of a change in the fiscal year or taxable year of the Partnership including, if the General Partner shall so determine, a change in the definition of "Quarter" and the dates on which distributions are to be made by the Partnership;

(f) an amendment that is necessary, in the Opinion of Counsel, to prevent the Partnership or the General Partner or its directors or officers from in any manner being subjected to the provisions of the Investment Company Act of 1940, as amended, the Investment Advisers Act of 1940, as amended, or "plan asset" regulations adopted under the Employee Retirement Income Security Act of 1974, as amended, regardless of whether such are substantially similar to plan asset regulations currently applied or proposed by the United States Department of Labor;

(g) subject to the terms of Section 4.4, an amendment that, in the sole discretion of the General Partner, is necessary or advisable in connection with the authorization of issuance of any class or series of Partnership Securities pursuant to Section 4.4;

(k) any other amendments substantially similar to the foregoing.

Section 15.2 Amendment Procedures.

Except as provided in Sections 15.1 and 15.3, all amendments to this Agreement shall be made in accordance with the following requirements. Amendments to this Agreement may be proposed only by or with the consent of the General Partner. A proposed amendment shall be effective upon its approval by the holders of at least a Unit Majority, unless a greater or different percentage is required under this Agreement or by Delaware law. Each proposed amendment that requires the approval of the holders of a specified percentage of Outstanding Units shall be set forth in a writing that contains the text of the proposed amendment. If such an amendment is proposed, the General Partner shall seek the written approval of the requisite percentage of Outstanding Units or call a meeting of the Limited Partners to consider and vote on such proposed amendment. The General Partner shall notify all Record Holders upon final adoption of any such proposed amendments.

Section 15.3 Amendment Requirements.

(a) Notwithstanding the provisions of Sections 15.1 and 15.2, no provision of this Agreement that establishes a percentage of Outstanding Units required to take any action shall be amended, altered, changed, repealed or rescinded in any respect that would have either (i) the effect of reducing such voting percentage or (ii) more than an immaterial effect on a Unitholder unless such amendment is approved by the written consent or the affirmative vote of holders of Outstanding Units whose aggregate Outstanding Units constitute not less than the voting requirement sought to be reduced.

Table of Contents

(b) Notwithstanding the provisions of Sections 15.1 and 15.2, no amendment to this Agreement may (i) enlarge the obligations of any Limited Partner without its consent, unless such shall be deemed to have occurred as a result of an amendment approved pursuant to Section 15.3(c), (ii) enlarge the obligations of, restrict in any way any action by or rights of, or reduce in any way the amounts distributable, reimbursable or otherwise payable to, the General Partner without its consent, which may be given or withheld in its sole discretion, (iii) change Section 14.1(a) or (c), or (iv) change the term of the Partnership or, except as set forth in Section 14.1(c), give any Person the right to dissolve the Partnership.

(c) Except as otherwise provided, and without limitation of the General Partner's authority to adopt amendments to this Agreement as contemplated in Section 15.1, any amendment that would have a material adverse effect on the rights or preferences of any class of Outstanding Units in relation to other classes of Units must be approved by the holders of not less than a majority of the Outstanding Units of the classes affected.

(d) Notwithstanding any other provision of this Agreement, except for amendments pursuant to Section 6.3 or 15.1 and except as otherwise provided by Section 16.3(b), no amendments shall become effective without the approval of the holders of at least 90% of the Outstanding Units unless the Partnership obtains an Opinion of Counsel to the effect that such amendment will not affect the limited liability of any Limited Partner or any limited partner of the other Group Members under applicable law.

(e) This Section 15.3 shall only be amended with the approval of the holders of at least 90% of the Outstanding Units.

(f) Notwithstanding anything to the contrary contained herein, following the Distribution Date the Partnership shall not supplement or amend the terms of the Partnership Agreement in any manner that may materially adversely affect the interests of the holders of Rights (other than an Acquiring Person or an Affiliate or an Associate of an Acquiring Person as such capitalized terms are defined in the Rights Agreement).

Section 15.4 Meetings.

All acts of Limited Partners to be taken pursuant to this Agreement shall be taken in the manner provided in this Article XV. Meetings of the Limited Partners may be called by the General Partner or by Limited Partners owning 20% or more of the Outstanding Units of the class or classes for which a meeting is proposed. Limited Partners shall call a meeting by delivering to the General Partner one or more requests in writing stating that the signing Limited Partners wish to call a meeting and indicating the general or specific purposes for which the meeting is to be called. Within 60 days after receipt of such a call from Limited Partners or within such greater time as may be reasonably necessary for the Partnership to comply with any statutes, rules, regulations, listing agreements or similar requirements governing the holding of a meeting or the solicitation of proxies for use at such a meeting, the General Partner shall send a notice of the meeting to the Limited Partners either directly or indirectly through the Transfer Agent. A meeting shall be held at a time and place determined by the General Partner on a date not less than 10 days nor more than 60 days after the mailing of notice of the meeting.

Section 15.5 Notice of a Meeting.

Notice of a meeting called pursuant to Section 15.4 shall be given to the Record Holders in writing by mail or other means of written communication in accordance with Section 18.1. The notice shall be deemed to have been given at the time when deposited in the mail or sent by other means of written communication.

Section 15.6 Record Date.

For purposes of determining the Limited Partners entitled to notice of or to vote at a meeting of the Limited Partners or to give approvals without a meeting as provided in Section 15.11, the General Partner may set a Record Date, which shall not be less than 10 nor more than 60 days before (a) the date of the meeting (unless

Table of Contents

such requirement conflicts with any rule, regulation, guideline or requirement of any National Securities Exchange on which the Units are listed for trading, in which case the rule, regulation, guideline or requirement of such exchange shall govern) or (b) in the event that approvals are sought without a meeting, the date by which Limited Partners are requested in writing by the General Partner to give such approvals.

Section 15.7 *Adjournment.*

When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting and a new Record Date need not be fixed, if the time and place thereof are announced at the meeting at which the adjournment is taken, unless such adjournment shall be for more than 45 days. At the adjourned meeting, the Partnership may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 45 days or if a new Record Date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given in accordance with this Article XV.

Section 15.8 *Waiver of Notice; Approval of Meeting; Approval of Minutes.*

The transactions of any meeting of Limited Partners, however called and noticed, and whenever held, shall be as valid as if occurred at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, Limited Partners representing such quorum who were present in person or by proxy and entitled to vote, sign a written waiver of notice or an approval of the holding of the meeting or an approval of the minutes thereof. All waivers and approvals shall be filed with the Partnership records or made a part of the minutes of the meeting. Attendance of a Limited Partner at a meeting shall constitute a waiver of notice of the meeting, except when the Limited Partner does not approve, at the beginning of the meeting, of the transaction of any business because the meeting is not lawfully called or convened; and except that attendance at a meeting is not a waiver of any right to disapprove the consideration of matters required to be included in the notice of the meeting, but not so included, if the disapproval is expressly made at the meeting.

Section 15.9 *Quorum.*

The holders of a majority of the Outstanding Units of the class or classes for which a meeting has been called represented in person or by proxy shall constitute a quorum at a meeting of Limited Partners of such class or classes unless any such action by the Limited Partners requires approval by holders of a greater percentage of such Units, in which case the quorum shall be such greater percentage. At any meeting of the Limited Partners duly called and held in accordance with this Agreement at which a quorum is present, the act of Limited Partners holding Outstanding Units that in the aggregate represent a majority of the Outstanding Units entitled to vote and be present in person or by proxy at such meeting shall be deemed to constitute the act of all Limited Partners, unless a greater or different percentage is required with respect to such action, under the provisions of this Agreement, in which case the act of the Limited Partners holding Outstanding Units that in the aggregate represent at least such greater or different percentage shall be required. The Limited Partners present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough Limited Partners to leave less than a quorum, if any action taken (other than adjournment) is approved by the required percentage of Outstanding Units specified in this Agreement. In the absence of a quorum any meeting of Limited Partners may be adjourned from time to time by the affirmative vote of holders of at least a majority of the Outstanding Units represented either in person or by proxy, but no other business may be transacted, except as provided in Section 15.7.

Section 15.10 *Conduct of Meeting.*

The General Partner shall have full power and authority concerning the manner of conducting any meeting of the Limited Partners or solicitation of approvals in writing, including the determination of Persons entitled to vote, the existence of a quorum, the satisfaction of the requirements of Section 15.4, the conduct of voting, the

Table of Contents

validity and effect of any proxies and the determination of any controversies, votes or challenges arising in connection with or during the meeting or voting. The General Partner shall designate a Person to serve as chairman of any meeting and shall further designate a Person to take the minutes of any meeting. All minutes shall be kept with the records of the Partnership maintained by the General Partner. The General Partner may make such other regulations consistent with the applicable law and this Agreement as it may deem advisable concerning the conduct of any meeting of the Limited Partners or solicitation of approvals in writing, including regulations in regard to the appointment of proxies, the appointment and duties of inspectors of votes and approvals, the submission and examination of proxies and other evidence of the right to vote, and the revocation of approvals in writing.

Section 15.11 *Action Without a Meeting.*

Any action that may be taken at a meeting of the Limited Partners may be taken without a meeting if an approval in writing setting forth the action so taken is signed by Limited Partners owning not less than the minimum percentage of the Outstanding Units that would be necessary to authorize or take such action at a meeting at which all the Limited Partners were present and voted. Prompt notice of the taking of action without a meeting shall be given to the Limited Partners who have not approved in writing. The General Partner may specify that any written ballot submitted to Limited Partners for the purpose of taking any action without a meeting shall be returned to the Partnership within the time period, which shall be not less than 20 days, specified by the General Partner. If a ballot returned to the Partnership does not vote all of the Units held by the Limited Partner, the Partnership shall be deemed to have failed to receive a ballot for the Units that were not voted. If approval of the taking of any action by the Limited Partners is solicited by any Person other than by or on behalf of the General Partner, the written approvals shall have no force and effect unless and until (a) they are deposited with the Partnership in care of the General Partner, (b) approvals sufficient to take the action proposed are dated as of a date not more than 90 days prior to the date sufficient approvals are deposited with the Partnership and (c) an Opinion of Counsel is delivered to the General Partner to the effect that the exercise of such right and the action proposed to be taken with respect to any particular matter (i) will not cause the Limited Partnership to be deemed to be taking part in the management and control of the business and affairs of the Partnership so as to jeopardize the Limited Partners' limited liability, and (ii) is otherwise permissible under the state statutes then governing the rights, duties and liabilities of the Partnership and the Partners.

Section 15.12 *Voting and Other Rights.*

(a) Only those Record Holders of the Units on the Record Date set pursuant to Section 15.6 (and also subject to the limitations contained in the definition of "Outstanding") shall be entitled to notice of, and to vote at, a meeting of Limited Partners or to act with respect to matters as to which the holders of the Outstanding Units have the right to vote or to act. All references in this Agreement to votes of, or other acts that may be taken by, the Outstanding Units shall be deemed to be references to the votes or acts of the Record Holders of such Outstanding Units.

(b) With respect to Units that are held for a Person's account by another Person (such as a broker, dealer, bank, trust company or clearing corporation, or an agent of any of the foregoing), in whose name such Units are registered, such other Person shall, in exercising the voting rights in respect of such Units on any matter, and unless the arrangement between such Persons provides otherwise, vote such Units in favor of, and at the direction of, the Person who is the beneficial owner, and the Partnership shall be entitled to assume it is so acting without further inquiry. The provisions of this Section 15.12(b) (as well as all other provisions of this Agreement) are subject to the provisions of Section 10.4.

ARTICLE XVI

MERGER

Section 16.1 *Authority.*

The Partnership may merge or consolidate with one or more corporations, business trusts or associations, real estate investment trusts, common law trusts or unincorporated businesses, including a general partnership, limited partnership or limited liability company, formed under the laws of the State of Delaware or any other state of the United States of America, pursuant to a written agreement of merger or consolidation (“Merger Agreement”) in accordance with this Article XVI.

Section 16.2 *Procedure for Merger or Consolidation.*

Merger or consolidation of the Partnership pursuant to this Article XVI requires the prior approval of the General Partner. If the General Partner shall determine, in the exercise of its sole discretion, to consent to the merger or consolidation, the General Partner shall approve the Merger Agreement, which shall set forth:

(a) The names and jurisdictions of formation or organization of each of the business entities proposing to merge or consolidate;

(b) The name and jurisdictions of formation or organization of the business entity that is to survive the proposed merger or consolidation (the “Surviving Business Entity”);

(c) The terms and conditions of the proposed merger or consolidation;

(d) The manner and basis of exchanging or converting the equity securities of each constituent business entity for, or into, cash, property or general or limited partner interests, rights, securities or obligations of the Surviving Business Entity; and (i) if any general or limited partner interests, securities or rights of any constituent business entity are not to be exchanged or converted solely for, or into, cash, property or general or limited partner interests, rights, securities or obligations of the Surviving Business Entity, the cash, property or general or limited partner interests, rights, securities or obligations of any limited partnership, corporation, trust or other entity (other than the Surviving Business Entity) which the holders of such general or limited partner interests, securities or rights are to receive in exchange for, or upon conversion of their general or limited partner interests, securities or rights, and (ii) in the case of securities represented by certificates, upon the surrender of such certificates, which cash, property or general or limited partner interests, rights, securities or obligations of the Surviving Business Entity or any general or limited partnership, corporation, trust or other entity (other than the Surviving Business Entity), or evidences thereof, are to be delivered;

(e) A statement of any changes in the constituent documents or the adoption of new constituent documents (the articles or certificate of incorporation, articles of trust, declaration of trust, certificate or agreement of limited partnership, certificate of limited liability company or other similar charter or governing document) of the Surviving Business Entity to be effected by such merger or consolidation;

(f) The effective time of the merger, which may be the date of the filing of the certificate of merger pursuant to Section 16.4 or a later date specified in or determinable in accordance with the Merger Agreement (provided, that if the effective time of the merger is to be later than the date of the filing of the certificate of merger, the effective time shall be fixed no later than the time of the filing of the certificate of merger and stated therein); and

(g) Such other provisions with respect to the proposed merger or consolidation as are deemed necessary or appropriate by the General Partner.

Section 16.3 *Approval by Limited Partners of Merger or Consolidation.*

(a) The General Partner, upon its approval of the Merger Agreement, shall direct that the Merger Agreement be submitted to a vote of Limited Partners, whether at a meeting or by written consent, in either case in accordance with the requirements of Article XV. A copy or a summary of the Merger Agreement shall be included in or enclosed with the notice of a meeting or the written consent.

(b) The Merger Agreement shall be approved upon receiving the affirmative vote or consent of the holders of a Unit Majority unless the Merger Agreement contains any provision that, if contained in an amendment to this Agreement, the provisions of this Agreement or the Delaware Act would require the vote or consent of a greater percentage of the Outstanding Units or of any class of Limited Partners, in which case such greater percentage vote or consent shall be required for approval of the Merger Agreement.

(c) After such approval by vote or consent of the Limited Partners, and at any time prior to the filing of the certificate of merger pursuant to Section 16.4, the merger or consolidation may be abandoned pursuant to provisions therefor, if any, set forth in the Merger Agreement.

Section 16.4 *Certificate of Merger.*

Upon the required approval by the General Partner and the Limited Partners of a Merger Agreement, a certificate of merger shall be executed and filed with the Secretary of State of the State of Delaware in conformity with the requirements of the Delaware Act.

Section 16.5 *Effect of Merger.*

(a) At the effective time of the certificate of merger:

(i) all of the rights, privileges and powers of each of the business entities that has merged or consolidated, and all property, real, personal and mixed, and all debts due to any of those business entities and all other things and causes of action belonging to each of those business entities shall be vested in the Surviving Business Entity and after the merger or consolidation shall be the property of the Surviving Business Entity to the extent they were of each constituent business entity;

(ii) the title to any real property vested by deed or otherwise in any of those constituent business entities shall not revert and is not in any way impaired because of the merger or consolidation;

(iii) all rights of creditors and all liens on or security interests in property of any of those constituent business entities shall be preserved unimpaired; and

(iv) all debts, liabilities and duties of those constituent business entities shall attach to the Surviving Business Entity, and may be enforced against it to the same extent as if the debts, liabilities and duties had been incurred or contracted by it.

(b) A merger or consolidation effected pursuant to this Article shall not be deemed to result in a transfer or assignment of assets or liabilities from one entity to another having occurred.

ARTICLE XVII

RIGHT TO ACQUIRE UNITS

Section 17.1 *Right to Acquire Units.*

(a) Notwithstanding any other provision of this Agreement, if at any time not more than 20% of the total Units of any class then Outstanding are held by Persons other than the General Partner and its Affiliates, the

Table of Contents

General Partner shall then have the right, which right it may assign and transfer to the Partnership or any Affiliate of the General Partner, exercisable in its sole discretion, to purchase all, but not less than all, of the Units of such class then Outstanding held by Persons other than the General Partner and its Affiliates, at the greater of (x) the Current Market Price as of the date three days prior to the date that the notice described in Section 17.1(b) is mailed, and (y) the highest cash price paid by the General Partner or any of its Affiliates for any such Unit purchased during the 90-day period preceding the date that the notice described in Section 17.1(b) is mailed.

(b) If the General Partner, any Affiliate of the General Partner or the Partnership elects to exercise the right to purchase Units granted pursuant to Section 17.1(a), the General Partner or the Partnership, as the case may be, shall deliver to the Transfer Agent notice of such election to purchase (the "Notice of Election to Purchase") and shall cause the Transfer Agent to mail a copy of such Notice of Election to Purchase to the Record Holders of such Units (as of a Record Date selected by the General Partner) at least 10, but not more than 60 days prior to the Purchase Date. Such Notice of Election to Purchase shall also be published for a period of at least three consecutive days in at least two daily newspapers of general circulation printed in the English language and published in the Borough of Manhattan, New York. The Notice of Election to Purchase shall specify the Purchase Date and the price (determined in accordance with Section 17.1(a)) at which Units will be purchased and state that the General Partner, its Affiliate or the Partnership, as the case may be, elects to purchase such Units, upon surrender of Certificates representing such Units in exchange for payment at such office or offices of the Transfer Agent as the Transfer Agent may specify, or as may be required by any National Securities Exchange on which the Units are listed or admitted to trading. Any such Notice of Election to Purchase mailed to a Record Holder of Units at his address as reflected in the records of the Transfer Agent shall be conclusively presumed to have been given regardless of whether the owner receives such notice. On or prior to the Purchase Date, the General Partner, its Affiliate or the Partnership, as the case may be, shall deposit with the Transfer Agent cash in an amount sufficient to pay the aggregate purchase price of all of the Units to be purchased in accordance with this Section 17.1. If the Notice of Election to Purchase shall have been duly given as aforesaid at least 10 days prior to the Purchase Date, and if on or prior to the Purchase Date the deposit described in the preceding sentence has been made for the benefit of the holders of Units subject to purchase as provided herein, then from and after the Purchase Date, notwithstanding that any Certificate shall not have been surrendered for purchase, all rights of the holders of such Units (including any rights pursuant to Articles IV, V and XIV) shall thereupon cease, except the right to receive the purchase price (determined in accordance with Section 17.1(a)) for Units therefor, without interest, upon surrender to the Transfer Agent of the Certificates representing such Units, and such Units shall thereupon be deemed to be transferred to the General Partner, its Affiliate or the Partnership, as the case may be, on the record books of the Transfer Agent and the Partnership, and the General Partner or any Affiliate of the General Partner, or the Partnership, as the case may be, shall be deemed to be the owner of all such Units from and after the Purchase Date and shall have all rights as the owner of such Units (including all rights as owner of such Units pursuant to Articles IV, V and XIV).

(c) At any time from and after the Purchase Date, a holder of an Outstanding Unit subject to purchase as provided in this Section 17.1 may surrender his Certificate evidencing such Unit to the Transfer Agent in exchange for payment of the amount described in Section 17.1(a), therefor, without interest thereon.

ARTICLE XVIII

GENERAL PROVISIONS

Section 18.1 *Addresses and Notices.*

Any notice, demand, request, report or proxy materials required or permitted to be given or made to a Partner or Assignee under this Agreement shall be in writing and shall be deemed given or made when delivered in person or when sent by first class United States mail or by other means of written communication to the Partner or Assignee at the address described below. Any notice, payment or report to be given or made to a

Partner or Assignee hereunder shall be deemed conclusively to have been given or made, and the obligation to give such notice or report or to make such payment shall be deemed conclusively to have been fully satisfied, upon sending of such notice, payment or report to the Record Holder of such Unit at his address as shown on the records of the Transfer Agent or as otherwise shown on the records of the Partnership, regardless of any claim of any Person who may have an interest in such Unit or the Partnership Interest of a General Partner by reason of any assignment or otherwise. An affidavit or certificate of making of any notice, payment or report in accordance with the provisions of this Section 18.1 executed by the General Partner, the Transfer Agent or the mailing organization shall be prima facie evidence of the giving or making of such notice, payment or report. Any notice to the Partnership shall be deemed given if received by the General Partner at the principal office of the Partnership designated pursuant to Section 1.3. The General Partner may rely and shall be protected in relying on any notice or other document from a Partner, Assignee or other Person if believed by it to be genuine.

BUSINESS COMBINATIONS WITH INTERESTED HOLDERS

Section 20.1 *Limitation on Business Combinations*

(a) Notwithstanding any other provisions of this Agreement, the Partnership shall not engage in any Business Combination (as defined below) with any Interested Holder (as defined below) for a period of 3 years following the time that such Person became an Interested Holder, unless:

(i) prior to such time the General Partner approved either the Business Combination or the transaction which resulted in the Person becoming an Interested Holder, or

(ii) upon consummation of the transaction which resulted in the Person becoming an Interested Holder, the Interested Holder owned at least 85% of the Outstanding Units at the time the transaction commenced, excluding for purposes of determining the number of Outstanding Units those Units owned by the General Partner and its Affiliates, or

Table of Contents

(iii) at or subsequent to such time the Business Combination is approved by the General Partner and authorized at a meeting of Partners, and not by written consent, by the affirmative vote of at least 66 and 2/3% of the Outstanding Units which are not owned by the Interested Holder.

(b) The restrictions contained in this section shall not apply if:

(i) The Partnership, by action of Partners, adopts an amendment to this Agreement expressly electing not to be governed by this section, provided that, in addition to any other vote required by law, such amendment to this Agreement must be approved by the affirmative vote of a majority of the Outstanding Units. An amendment adopted pursuant to this paragraph shall not be effective until 12 months after the adoption of such amendment and shall not apply to any Business Combination between the Partnership and any person who became an Interested Holder on or prior to such adoption;

(ii) a Person becomes an Interested Holder inadvertently and (i) as soon as practicable divests itself of ownership of sufficient Units so that the Person ceases to be an Interested Holder and (ii) would not, at any time within the 3 year period immediately prior to a Business Combination between the Partnership and such Person, have been an Interested Holder but for the inadvertent acquisition of ownership;

(iii) the Business Combination is proposed prior to the consummation or abandonment of and subsequent to the earlier of the public announcement or the notice required hereunder of a proposed transaction which (i) constitutes one of the transactions described in the second sentence of this paragraph; (ii) is with or by a Person who either was not an Interested Holder during the previous 3 years or who became an Interested Holder with the approval of the General Partner and (iii) is approved or not opposed by a Person that was the General Partner (the "Original General Partner") prior to any Person becoming an Interested Holder during the previous 3 years or was recommended for appointment to succeed such General Partner by the Original General Partner. The proposed transactions referred to in the preceding sentence are limited to (x) a merger or consolidation of the Partnership (except for a merger in respect of which no vote of the Partners is required); (y) a sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), whether as part of a dissolution or otherwise, of assets of the Partnership or of any direct or indirect majority-owned subsidiary of the Partnership (other than to any direct or indirect wholly-owned subsidiary or to the Partnership) having an aggregate market value equal to 50% or more of either the aggregate market value of all of the assets of the Partnership determined on a consolidated basis or the aggregate market value of all the Outstanding Units of the Partnership; or (z) a proposed tender or exchange offer for 50% or more of the Outstanding Units of the Partnership. The Partnership shall give not less than 20 days notice to all Interested Holders prior to the consummation of any of the transactions described in clauses (x) or (y) of the second sentence of this paragraph.

Section 20.2 *Definitions Applicable to Article XX*

As used in this section only, the term:

(a) "Business Combination," when used in reference to the Partnership and any Interested Holder of the Partnership means:

(i) any merger or consolidation of the Partnership or any direct or indirect majority-owned subsidiary of the Partnership with (A) the Interested Holder, or (B) with any other corporation, partnership, unincorporated association or other entity if the merger or consolidation is caused by the Interested Holder and as a result of such merger or consolidation subsection (a) of this section is not applicable to the surviving entity;

(ii) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), except proportionately as a Partner of the Partnership, to or with the Interested Holder, whether as part of a dissolution or otherwise, of assets of the Partnership or of any direct or indirect majority-owned subsidiary of the Partnership which assets have an aggregate market value equal to 10% or more of either the aggregate market value of all the assets of the Partnership determined on a consolidated basis or the aggregate market value of all the Outstanding Units of the Partnership;

Table of Contents

(iii) any transaction which results in the issuance or transfer by the Partnership or by any direct or indirect majority-owned subsidiary of the Partnership of any securities of the Partnership or of such subsidiary to the Interested Holder, except (A) pursuant to the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into securities of the Partnership or any such subsidiary which securities were outstanding prior to the time that the Interested Holder became such, (B) pursuant to a merger of the Partnership with or into a single direct or indirect wholly-owned subsidiary of the Partnership in a transaction that would meet the requirements of Section 251(g) of the Delaware General Corporation Law, if the Partnership was a corporation, (C) pursuant to a dividend or distribution paid or made, or the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into securities of the Partnership or any such subsidiary which security is distributed, pro rata to all holders of a class or series of securities of such Partnership subsequent to the time the Interested Holder became such, (D) pursuant to an exchange offer by the Partnership to purchase Units made on the same terms to all holders of said Units, or (E) any issuance or transfer of Units by the Partnership, provided however, that in no case under (B)-(D) above shall there be an increase in the Interested Holder's proportionate share of the securities of any class or series of the Partnership or of the Units of the Partnership;

(iv) any transaction involving the Partnership or any direct or indirect majority-owned subsidiary of the Partnership which has the effect, directly or indirectly, of increasing the proportionate share of the securities of any class or series, or securities convertible into the securities of any class or series, of the Partnership or of any such subsidiary which is owned by the Interested Holder, except as a result of immaterial changes due to fractional unit adjustments or as a result of any purchase or redemption of any Units not caused, directly or indirectly, by the Interested Holder; or

(v) any receipt by the Interested Holder of the benefit, directly or indirectly (except proportionately as a Partner of such Partnership) of any loans, advances, guarantees, pledges, or other financial benefits (other than those expressly permitted in subparagraphs (i)-(iv) above) provided by or through the Partnership or any direct or indirect majority owned subsidiary.

(b) "control," including the term "controlling," "controlled by" and "under common control with," means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise. A Person who is the owner of 20% or more of the outstanding voting securities of any corporation, partnership, unincorporated association or other entity shall be presumed to have control of such entity, in the absence of proof by a preponderance of the evidence to the contrary. Notwithstanding the foregoing, a presumption of control shall not apply where such Person holds voting securities, in good faith and not for the purpose of circumventing this section, as an agent, bank, broker, nominee, custodian or trustee for one or more owners who do not individually or as a group have control of such entity.

(c) "Interested Holder" means any Person (other than the Partnership and any direct or indirect majority-owned subsidiary of the Partnership and the General Partner, and any Affiliates or Associates of the General Partner) that (i) is the owner of 15% or more of the Outstanding Units of the Partnership, or (ii) is an affiliate or associate of the Partnership and was the owner of 15% or more of the Outstanding Units of the Partnership at any time within the 3-year period immediately prior to the date at which it is sought to be determined whether such Person is an Interested Holder, and the Affiliates and Associates of such Person; provided, however, that the term "Interested Holder" shall not include any Person whose ownership of Units in excess of the 15% limitation set forth herein is the result of action taken solely by the Partnership provided that such person shall be an Interested Holder if thereafter such Person acquires additional Units, except as a result of further Partnership action not caused, directly or indirectly, by such Person. For the purpose of determining whether a person is an Interested Holder, the Outstanding Units shall include Units deemed to be owned by the Person through application of paragraph (e) of this subsection but shall not include any other unissued Units which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

Table of Contents

(d) “owner” including the terms “own” and “owned” when used with respect to any Units means a person that individually or with or through any of its affiliates or associates:

(i) beneficially owns such Units, directly or indirectly; or

(ii) has (A) the right to acquire such Units (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise; provided, however, that a person shall not be deemed the owner of Units tendered pursuant to a tender or exchange offer made by such person or any of such person’s affiliates or associates until such tendered Units is accepted for purchase or exchange; or (B) the right to vote such Units pursuant to any agreement, arrangement or understanding; provided, however, that a person shall not be deemed the owner of any Units because of such person’s right to vote such Units if the agreement, arrangement or understanding to vote such Units arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made to 10 or more persons; or

(iii) has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting (except voting pursuant to a revocable proxy or consent as described in item (B) of clause (ii) of this paragraph), or disposing of such Units with any other person that beneficially owns, or whose affiliates or associates beneficially own, directly or indirectly, such Units.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first written above.

ARTICLE II

DEFINITIONS

The following definitions shall be for all purposes, unless otherwise clearly indicated to the contrary, applied to the terms used in this Agreement.

“*Acquisition*” means any transaction in which any Group Member acquires (through an asset acquisition, merger, stock acquisition or other form of investment) control over all or a portion of the assets, properties or business of another Person for the purpose of increasing the operating capacity of the Partnership Group from the operating capacity of the Partnership Group existing immediately prior to such transaction.

“*Additional Book Basis*” means the portion of any remaining Carrying Value of an Adjusted Property that is attributable to positive adjustments made to such Carrying Value as a result of Book-Up Events. For purposes of determining the extent to which Carrying Value constitutes Additional Book Basis:

(i) Any negative adjustment made to the Carrying Value of an Adjusted Property as a result of either a Book-Down Event or a Book-Up Event shall first be deemed to offset or decrease that portion of the Carrying Value of such Adjusted Property that is attributable to any prior positive adjustments made thereto pursuant to a Book-Up Event or Book-Down Event.

(ii) If Carrying Value that constitutes Additional Book Basis is reduced as a result of a Book-Down Event and the Carrying Value of other property is increased as a result of such Book-Down Event, an allocable portion of any such increase in Carrying Value shall be treated as Additional Book Basis; provided that the amount treated as Additional Book Basis pursuant hereto as a result of such Book-Down Event shall not exceed the amount by which the Aggregate Remaining Net Positive Adjustments after such Book-Down Event exceeds the remaining Additional Book Basis attributable to all of the Partnership’s Adjusted Property after such Book-Down Event (determined without regard to the application of this clause (ii) to such Book-Down Event).

“*Additional Book Basis Derivative Items*” means any Book Basis Derivative Items that are computed with reference to Additional Book Basis. To the extent that the Additional Book Basis attributable to all of the Partnership’s Adjusted Property as of the beginning of any taxable period exceeds the Aggregate Remaining Net Positive Adjustments as of the beginning of such period (the “Excess Additional Book Basis”), the Additional Book Basis Derivative Items for such period shall be reduced by the amount that bears the same ratio to the amount of Additional Book Basis Derivative Items determined without regard to this sentence as the Excess Additional Book Basis bears to the Additional Book Basis as of the beginning of such period.

The foregoing definition of Adjusted Capital Account is intended to comply with the provisions of Treasury Regulation Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith. for federal income tax purposes. Furthermore, the Capital Account of each Partner immediately prior to the effective time of the election of the Partnership to be classified as a corporation for U.S. federal income tax purposes shall be the Capital Account of the Partner immediately following such election (disregarding any adjustments to such Capital Account and the deemed liquidation for U.S. federal income tax purposes of the Partnership as a result of the election by the Partnership to be classified as a corporation for U.S. federal income tax purposes).

(a) The Partnership shall maintain for each Partner (or a beneficial owner of Partnership Interests held by a nominee in any case in which the nominee has furnished the identity of such owner to the Partnership in accordance with Section 6031(c) of the Code or any other method acceptable to the General Partner in its sole discretion) owning a Partnership Interest a separate Capital Account with respect to such Partnership Interest in accordance with the rules of Treasury Regulation Section 1.704-1(b)(2)(iv). Such Capital Account shall be increased by (i) the amount of all Capital Contributions made to the Partnership with respect to such Partnership Interest pursuant to this Agreement and (ii) all items of Partnership income and gain (including, without limitation, income and gain exempt from tax) computed in accordance with Section 4.8(b) and allocated with respect to such Partnership Interest pursuant to Section 5.1, and decreased by (x) the amount of cash or Net Agreed Value of all actual and deemed distributions of cash or property made with respect to such Partnership Interest pursuant to this Agreement and (y) all items of Partnership deduction and loss computed in accordance with Section 4.8(b) and allocated with respect to such Partnership Interest pursuant to Section 5.1.

(b) For purposes of computing the amount of any item of income, gain, loss or deduction to be reflected in the Partners' Capital Accounts, the determination, recognition and classification of any such item shall be the same as its determination, recognition and classification for federal income tax purposes (including, without limitation, any method of depreciation, cost recovery or amortization used for that purpose), provided, that:

(i) All fees and other expenses incurred by the Partnership to promote the sale of (or to sell) a Partnership Interest that can neither be deducted nor amortized under Section 709 of the Code, if any, shall, for purposes of Capital Account maintenance, be treated as an item of deduction at the time such fees and other expenses are incurred and shall be allocated among the Partners pursuant to Section 5.1.

(ii) Except as otherwise provided in Treasury Regulation Section 1.704-1(b)(2)(iv)(m), the computation of all items of income, gain, loss and deduction shall be made without regard to any election under Section 754 of the Code which may be made by the Partnership and, as to those items described in Section 705(a)(1)(B) or 705(a)(2)(B) of the Code, without regard to the fact that such items are not includable in gross income or are neither currently deductible nor capitalized for federal income tax purposes. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 734(b) of the Code is required, pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment in the Capital Accounts shall be treated as an item of gain or loss.

(iii) Any income, gain or loss attributable to the taxable disposition of any Partnership property shall be determined as if the adjusted basis of such property as of such date of disposition were equal in amount to the Partnership's Carrying Value with respect to such property as of such date.

(iv) In accordance with the requirements of Section 704(b) of the Code, any deductions for depreciation, cost recovery or amortization attributable to any Contributed Property shall be determined as if the adjusted basis of such property on the date it was acquired by the Partnership were equal to the Agreed Value of such property. Upon an adjustment pursuant to Section 4.8(d) to the Carrying Value of any Partnership property subject to depreciation, cost recovery or amortization, any further deductions for such depreciation, cost recovery or amortization attributable to such property shall be determined (A) as if the adjusted basis of such property were equal to the Carrying Value of such property immediately following such adjustment and (B) using a rate of depreciation, cost recovery or amortization derived from the same method and useful life (or, if applicable, the remaining useful life) as is applied for federal income tax

purposes; provided, however, that if the asset has a zero adjusted basis for federal income tax purposes, depreciation, cost recovery or amortization deductions shall be determined using any reasonable method that the General Partner may adopt.

~~(v) If Any taxes incurred by the Partnership's adjusted basis in a depreciable or cost recovery property is reduced as an association taxable as a corporation for federal income tax purposes pursuant to Section 48(q)(1) or 48(q)(3) of the Code, the amount of such reduction shall, solely for purposes hereof, be deemed to be an additional depreciation or cost recovery deduction in the year such property is placed in service shall, for purposes of Capital Account maintenance, be treated as an item of deduction and shall be allocated among the Partners pursuant to Section 5.1. Any restoration of such basis pursuant to Section 48(q)(2) of the Code shall, to the extent possible, be allocated in the same manner to the Partners to whom such deemed deduction was allocated.~~

(c) A transferee of a Partnership Interest shall succeed to a Pro Rata portion of the Capital Account of the transferor relating to the Partnership Interest so transferred.

(d) (i) Consistent with the provisions of Treasury Regulation Section 1.704-1(b)(2)(iv)(f), on an issuance of additional Units for cash or Contributed Property, ~~the conversion of Senior Subordinated Units and Junior Subordinated Units to Common Units pursuant to Section 4.4(d) or~~ the conversion of the General Partner's Combined Interest to Common Units pursuant to Section 13.3(b), the Capital Account of all Partners and the Carrying Value of each Partnership property immediately prior to such issuance shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized on an actual sale of each such property immediately prior to such issuance and had been allocated to the Partners at such time pursuant to Section 5.1(c). In determining such Unrealized Gain or Unrealized Loss, the aggregate cash amount and fair market value of all Partnership assets (including, without limitation, cash or cash equivalents) immediately prior to the issuance of additional Units shall be determined by the General Partner using such reasonable method of valuation as it may adopt; provided, however, the General Partner, in arriving at such valuation, must take fully into account the fair market value of the Partnership Interests of all Partners at such time. The General Partner shall allocate such aggregate value among the assets of the Partnership (in such manner as it determines in its sole discretion to be reasonable) to arrive at a fair market value for individual properties.

(ii) In accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(f), immediately prior to any actual or deemed distribution to a Partner of any Partnership property (other than a distribution of cash that is not in redemption or retirement of a Partnership Interest), the Capital Accounts of all Partners and the Carrying Value of all Partnership property shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized in a sale of such property immediately prior to such distribution for an amount equal to its fair market value, and had been allocated to the Partners, at such time, pursuant to Section 5.1(c). Any Unrealized Gain or Unrealized Loss attributable to such property shall be allocated in the same manner as Net Termination Gain or Net Termination Loss pursuant to Section 5.1(c); provided, however, that, in making any such allocation, Net Termination Gain or Net Termination Loss actually realized shall be allocated first. In determining such Unrealized Gain or Unrealized Loss the aggregate cash amount and fair market value of all Partnership assets (including, without limitation, cash or cash equivalents) immediately prior to a distribution shall (A) in the case of an actual distribution which is not made pursuant to Section 13.3 or 13.4 or (B) in the case of a liquidating distribution pursuant to Section 14.4, be determined and allocated by the Liquidator using such reasonable method of valuation as it may adopt.

Section 4.9 *Interest and Withdrawal.*

No interest shall be paid by the Partnership on Capital Contributions, and no Partner or Assignee shall be entitled to withdraw any part of its Capital Contributions or otherwise to receive any distribution from the Partnership, except as provided in Articles V, VII, XIII and XIV.

ARTICLE V

ALLOCATIONS AND DISTRIBUTIONS

Section 5.1 *Allocations for Capital Account Purposes.*

~~For~~Subject to the first paragraph of Section 4.7, for purposes of maintaining the Capital Accounts and in determining the rights of the Partners among themselves, the Partnership's items of income, gain, loss and deduction (computed in accordance with Section 4.8(b)) shall be allocated among the Partners in each taxable year (or portion thereof) as provided hereinbelow.

(a) Net Income. After giving effect to the special allocations set forth in Section 5.1(d), Net Income for each taxable period and all items of income, gain, loss and deduction taken into account in computing Net Income for such taxable period shall be allocated as follows:

(i) First, 100% to the General Partner until the aggregate Net Income allocated to the General Partner pursuant to this Section 5.1(a)(i) for the current taxable year and all previous taxable years is equal to the aggregate Net Losses allocated to the General Partner pursuant to Section 5.1(b)(vi) for all previous taxable years;

(ii) Second, 100% to the General Partner and the Limited Partners, in accordance with their respective Percentage Interests, until the aggregate Net Income allocated to such Partners pursuant to this Section 5.1(a)(ii) for the current taxable year and all previous taxable years is equal to the aggregate Net Losses allocated to such Partners pursuant to Section 5.1(b)(v) for all previous taxable years; and

(iii) Third, 100% to Partners holding Common Units, Pro Rata, until the aggregate Net Income allocated to each Common Unit pursuant to this Section 5.1(a)(iii) for the current taxable year and all previous taxable years is equal to the aggregate Minimum Quarterly Distributions payable with respect to such Unit for the current taxable year and all previous taxable years;

(iv) Fourth, 100% to the Partners holding General Partner Units, Pro Rata, until the aggregate Net Income allocated to each General Partner Unit pursuant to this Section 5.1(a)(iv) for the current taxable year and all previous taxable years is equal to the aggregate Minimum Quarterly Distributions distributed to such Partners pursuant to Section 5.4(iii) for the current taxable year and all previous taxable years;

(v) Fifth, 90% to the Partners holding Common Units, Pro Rata, and 10% to the Partners holding General Partner Units, Pro Rata, until the aggregate Net Income allocated to such Partners pursuant to this Section 5.1(a)(v) is equal to the aggregate amount distributed to such Partners pursuant to Section 5.4(iv);

(vi) Sixth, the balance, if any, 80% to the Partners holding Common Units, Pro Rata and 20% to the Partners holding General Partner Units, Pro Rata.

(b) Net Losses. After giving effect to the special allocations set forth in Section 5.1(d), Net Losses for each taxable period and all items of income, gain, loss and deduction taken into account in computing Net Losses for such taxable period shall be allocated as follows:

(i) First, 80% to the Partners holding Common Units, Pro Rata, and 20% to the Partners holding General Partner Units, Pro Rata, until the aggregate Net Losses allocated pursuant to this Section 5.1(b)(i) for the current taxable year and all previous taxable years is equal to the aggregate Net Income allocated to such Partners pursuant to Section 5.1(a)(vi) for all previous taxable years;

(ii) Second, 90% to the Partners holding Common Units, Pro Rata, and 10% to the Partners holding General Partner Units, Pro Rata, until the aggregate Net Losses allocated pursuant to this Section 5.1(b)(ii) for the current taxable year and all previous taxable years is equal to the aggregate Net Income allocated to such Partners pursuant to Section 5.1(a)(v) for all previous taxable years;

(iii) Third 100% to the Partners holding General Partner Units, Pro Rata, until the aggregate Net Losses allocated pursuant to this Section 5.1(b)(iii) for the current taxable year and all previous taxable years is equal to the aggregate Net Income allocated to such Partners pursuant to Section 5.1(a)(iv) for all previous taxable years;

(iv) Fourth, 100% to the Partners holding Common Units, Pro Rata, until the aggregate Net Losses allocated pursuant to this Section 5.1(b)(iv) for the current taxable year and all previous taxable years is equal to the aggregate Net Income allocated to such Partners pursuant to Section 5.1(a)(iii) for all previous taxable years;

(v) Fifth, 100% to the General Partner and the Limited Partners in accordance with their respective Percentage Interests; provided, that Net Losses shall not be allocated pursuant to this Section 5.1(b)(v) to the extent that such allocation would cause any Limited Partner to have a deficit balance in its Adjusted Capital Account at the end of such taxable year (or increase any existing deficit balance in its Adjusted Capital Account); and

(vi) Sixth, the balance, if any, 100% to the General Partner.

(c) Net Termination Gains and Losses. After giving effect to the special allocations set forth in Section 5.1(d), all items of income gain, loss and deduction taken into account in computing Net Termination Gain or Net Termination Loss for such taxable period shall be allocated in the same manner as such Net Termination Gain or Net Termination Loss is allocated hereunder. All allocations under this Section 5.1(c) shall be made after Capital Account balances have been adjusted by all other allocations provided under this Section 5.1 and after all distributions of Available Cash provided under Section 5.4 have been made with respect to the taxable period ending on the date of the Partnership's liquidation pursuant to Section 14.4.

(i) If a Net Termination Gain is recognized (or deemed recognized pursuant to Section 4.8(d)) from Termination Capital Transactions, such Net Termination Gain shall be allocated among the General Partner and the Limited Partners in the following manner (and the Capital Accounts of the Partners shall be increased by the amount so allocated in each of the following subclauses, in the order listed, before an allocation is made pursuant to the next succeeding subclause):

(A) First, to each Partner having a deficit balance in its Capital Account, in the proportion that such deficit balance bears to the total deficit balances in the Capital Accounts of all Partners, until each such Partner has been allocated Net Termination Gain equal to any such deficit balance in its Capital Account;

(B) Second, 100% to all Partners holding Common Units, Pro Rata, until the Capital Account in respect of each Common Unit then Outstanding is equal to the sum of (1) its Unrecovered Initial Unit Price plus (2) the Minimum Quarterly Distribution for the Quarter during which such Net Termination Gain is recognized, reduced by any distribution pursuant to Sections 5.4(i) with respect to such Common Unit for such Quarter (the amount determined pursuant to this clause (2) is hereinafter defined as the "Unpaid MQD") plus (3) any then existing Cumulative Common Unit Arrearage;

(C) Third, 100% to all Partners holding General Partner Units, Pro Rata, until the Capital Account in respect of each General Partner Unit then Outstanding is equal to the sum of (i) its Unrecovered Initial Unit Price plus (ii) the Minimum Quarterly Distribution for the Quarter during which such Net Termination Gain is recognized, reduced by any distribution pursuant to Section 5.4(iii) with respect to such General Partner Unit for such Quarter;

(D) Fourth, 10% to all Partners holding General Partner Units, Pro Rata and 90% to all Partners holding Common Units, Pro Rata, until the Capital Account in respect of each Common Unit then Outstanding is equal to the sum of (1) its Unrecovered Initial Unit Price, plus (2) the Unpaid MQD, if any, for such Common Unit with respect to the Quarter during which such Net Termination Gain is recognized, plus (3) any then existing Cumulative Common Unit Arrearage, plus (4) the excess of (aa) the First Target Distribution less the Minimum Quarterly Distribution for each Quarter of the

Partnership's existence over (bb) the amount of any distributions of Operating Surplus that was distributed pursuant to Sections 5.4(iv) (the sum of (1) plus (2) plus (3) plus (4) is hereinafter defined as the "First Liquidation Target Amount");

(E) Finally, any remaining amount 20% to the Partners holding General Partner Units, Pro Rata, and 80% to all Partners holding Common Units, Pro Rata.

(ii) If a Net Termination Loss is recognized (or deemed recognized pursuant to Section 4.8(d)) from Termination Capital Transactions, such Net Termination Loss shall be allocated to the Partners in the following manner:

(A) First, 100% to all Partners holding Common Units, the Capital Account balances attributable to which are in excess of the Capital Account balances attributable to the remainder of the Common Units then Outstanding, Pro Rata, until the Capital Accounts in respect of each Common Unit then Outstanding are equal;

(B) Second, 100% to all Partners holding Common Units, Pro Rata, until the Capital Account in respect of each Common Unit then Outstanding has been reduced to zero; and

(C) Thereafter, the balance, if any, 100% to the General Partner.

(d) Special Allocations. Notwithstanding any other provision of this Section 5.1, the following special allocations shall be made for such taxable period as if the Partnership were treated as a partnership for federal income tax purposes:

(i) Partnership Minimum Gain Chargeback. Notwithstanding any other provision of this Section 5.1, if there is a net decrease in Partnership Minimum Gain during any Partnership taxable period, each Partner shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(f)(6), 1.704-2(g)(2) and 1.704-2(j)(2)(i), or any successor provision. For purposes of this Section 5.1(d), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 5.1(d) with respect to such taxable period (other than an allocation pursuant to Sections 5.1(d)(vi) and 5.1(d)(vii)). This Section 5.1(d)(i) is intended to comply with the Partnership Minimum Gain chargeback requirement in Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) Chargeback of Partner Nonrecourse Debt Minimum Gain. Notwithstanding the other provisions of this Section 5.1 (other than Section 5.1(d)(i)), except as provided in Treasury Regulation Section 1.704-2(i)(4), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain during any Partnership taxable period, any Partner with a share of Partner Nonrecourse Debt Minimum Gain at the beginning of such taxable period shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(i)(4) and 1.704-2(j)(2)(ii), or any successor provisions. For purposes of this Section 5.1(d), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 5.1(d), other than Section 5.1(d)(i) and other than an allocation pursuant to Sections 5.1(d)(vi) and 5.1(d)(vii), with respect to such taxable period. This Section 5.1(d)(ii) is intended to comply with the chargeback of items of income and gain requirement in Treasury Regulation Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(iii) Priority Allocations. If the amount of cash or the Net Agreed Value of any property distributed (except cash or property distributed pursuant to Section 14.4) to any Limited Partner with respect to a taxable year is greater (on a per Unit basis) than the amount of cash or the Net Agreed Value of property distributed to the other Limited Partners (on a per Unit basis), then (±) each Limited Partner receiving such greater cash or property distribution shall be allocated gross income in an amount equal to

Table of Contents

the product of ~~(aa1)~~ the amount by which the distribution (on a per Unit basis) to such Limited Partner exceeds the distribution (on a per Unit basis) to the Limited Partners receiving the smallest distribution and ~~(bb2)~~ the number of Units owned by the Limited Partner receiving the greater distribution.

(iv) Qualified Income Offset. In the event any Partner unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Partnership income and gain shall be specifically allocated to such Partner in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations promulgated under Section 704(b) of the Code, the deficit balance, if any, in its Adjusted Capital Account created by such adjustments, allocations or distributions as quickly as possible unless such deficit balance is otherwise eliminated pursuant to Section 5.1(d)(i) or (ii).

(v) Gross Income Allocations. In the event any Partner has a deficit balance in its Capital Account at the end of any Partnership taxable period in excess of the sum of (A) the amount such Partner is required to restore pursuant to the provisions of this Agreement and (B) the amount such Partner is deemed obligated to restore pursuant to Treasury Regulation Sections 1.704-2(g) and 1.704-2(i)(5), such Partner shall be specially allocated items of Partnership gross income and gain in the amount of such excess as quickly as possible; provided, that an allocation pursuant to this Section 5.1(d)(v) shall be made only if and to the extent that such Partner would have a deficit balance in its Capital Account as adjusted after all other allocations provided for in this Section 5.1 have been tentatively made as if this Section 5.1(d)(v) were not in this Agreement.

(vi) Nonrecourse Deductions. Nonrecourse Deductions for any taxable period shall be allocated to the Partners in accordance with their respective Percentage Interests. If the General Partner determines in its good faith discretion that the Partnership's Nonrecourse Deductions must be allocated in a different ratio to satisfy the safe harbor requirements of the Treasury Regulations promulgated under Section 704(b) of the Code, the General Partner is authorized, upon notice to the Limited Partners, to revise the prescribed ratio to the numerically closest ratio that satisfies such requirements.

(vii) Partner Nonrecourse Deductions. Partner Nonrecourse Deductions for any taxable period shall be allocated 100% to the Partner that bears the Economic Risk of Loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulation Section 1.704-2(i). If more than one Partner bears the Economic Risk of Loss with respect to a Partner Nonrecourse Debt, such Partner Nonrecourse Deductions attributable thereto shall be allocated between or among such Partners in accordance with the ratios in which they share such Economic Risk of Loss.

(viii) Nonrecourse Liabilities. For purposes of Treasury Regulation Section 1.752-3(a)(3), the Partners agree that Nonrecourse Liabilities of the Partnership in excess of the sum of (A) the amount of Partnership Minimum Gain and (B) the total amount of Nonrecourse Built-in Gain shall be allocated among the Partners in accordance with their respective Percentage Interests.

(ix) Code Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such item of gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Treasury Regulations.

(x) Economic Uniformity. Upon the conversion of any Unit into another class after application of Section 4.4(d), items of gross income and gain or items of deduction or loss shall be allocated to the holder of such Unit until the Capital Account of such Unit is the same as the Capital Account per Unit of all other Units of the same class.

(xi) Curative Allocation.

Table of Contents

(A) Notwithstanding any other provision of this Section 5.1, other than the Required Allocations, the Required Allocations shall be taken into account in making the Agreed Allocations so that, to the extent possible, the net amount of items of income, gain, loss and deduction allocated to each Partner pursuant to the Required Allocations and the Agreed Allocations, together, shall be equal to the net amount of such items that would have been allocated to each such Partner under the Agreed Allocations had the Required Allocations and the related Curative Allocation not otherwise been provided in this Section 5.1. Notwithstanding the preceding sentence, Required Allocations relating to (1) Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partnership Minimum Gain and (2) Partner Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partner Nonrecourse Debt Minimum Gain. Allocations pursuant to this Section 5.1(d)(xi)(A) shall only be made with respect to Required Allocations to the extent the General Partner reasonably determines that such allocations will otherwise be inconsistent with the economic agreement among the Partners. Further, allocations pursuant to this Section 5.1(d)(xi)(A) shall be deferred with respect to allocations pursuant to clauses (1) and (2) hereof to the extent the General Partner reasonably determines that such allocations are likely to be offset by subsequent Required Allocations.

(B) The General Partner shall have reasonable discretion, with respect to each taxable period, to (1) apply the provisions of Section 5.1(d)(xi)(A) in whatever order is most likely to minimize the economic distortions that might otherwise result from the Required Allocations, and (2) divide all allocations pursuant to Section 5.1(d)(xi)(A) among the Partners in a manner that is likely to minimize such economic distortions.

(xii) Corrective Allocations. In the event of any allocation of Additional Book Basis Derivative Items or any Book-Down Event, the following rules shall apply:

(A) In the case of any allocation of Additional Book Basis Derivative Items (other than an allocation of Unrealized Gain or Unrealized Loss under Section 4.8(d) hereof), the General Partner shall allocate additional items of gross income and gain to the Limited Partners or additional items of deduction and loss to the General Partner to the extent that the Additional Book Basis Derivative Items allocated to the Limited Partners exceeds their Share of those Additional Book Basis Derivative Items. For this purpose, the Limited Partners shall be treated as being allocated Additional Book Basis Derivative Items to the extent that such Additional Book Basis Derivative Items have reduced the amount of income that would otherwise have been allocated to the Limited Partners under the Partnership Agreement (e.g., Additional Book Basis Derivative Items taken into account in computing cost of goods sold would reduce the amount of book income otherwise available for allocation among the Partners). Any allocation made pursuant to this Section 5.1(d)(xii)(A) shall be made after all of the other Agreed Allocations have been made as if this Section 5.1(d)(xii) were not in the Partnership Agreement and, to the extent necessary, shall require the reallocation of items that have been allocated pursuant to such other Agreed Allocations.

(B) In the case of any negative adjustments to the Capital Accounts of the Partners resulting from a Book-Down Event, such negative adjustment (1) shall first be allocated between the General Partner and the Limited Partners in proportion to and to the extent of their Remaining Net Positive Adjustments and (2) any remaining negative adjustment shall be allocated pursuant to Section 5.1(c) hereof. The aggregate amount so allocated to the Limited Partners in respect of each class or series of Units shall be allocated among them ratably on a per Unit basis.

(C) In making the allocations required under this Section 5.1(d)(xii), the General Partner, in its sole discretion, may apply whatever conventions or other methodology it deems reasonable to satisfy the purpose of this Section 5.1(d)(xii).

(xiii) Depreciation. Depreciation deductions of the Partnership for each period shall be allocated among the Partners in accordance with their relative Capital Account balances as they existed immediately

Table of Contents

after the most recent book adjustments pursuant to Section 4.8(d) of this Agreement that occurred prior to such period and without regard to allocations made after such adjustment.

Section 5.2 *Allocations for Tax Purposes: Intentionally Omitted.*

~~(a) Except as otherwise provided herein, for federal income tax purposes, each item of income, gain, loss and deduction shall be allocated among the Partners in the same manner as its correlative item of "book" income, gain, loss or deduction is allocated pursuant to Section 5.1.~~

~~(b) In an attempt to eliminate Book-Tax Disparities attributable to a Contributed Property or Adjusted Property, items of income, gain, loss, depreciation, amortization and cost recovery deductions shall be allocated for federal income tax purposes among the Partners as follows:~~

~~(i) (A) In the case of a Contributed Property, such items attributable thereto shall be allocated among the Partners in the manner provided under Section 704(e) of the Code that takes into account the variation between the Agreed Value of such property and its adjusted basis at the time of contribution; and (B) any item of Residual Gain or Residual Loss attributable to a Contributed Property shall be allocated among the Partners in the same manner as its correlative item of "book" gain or loss is allocated pursuant to Section 5.1.~~

~~(ii) (A) In the case of an Adjusted Property, such items shall (1) first, be allocated among the Partners in a manner consistent with the principles of Section 704(e) of the Code that takes into account the Unrealized Gain or Unrealized Loss attributable to such property and the allocations thereof pursuant to Section 4.8(d)(i) or (ii), and (2) second, in the event such property was originally a Contributed Property, be allocated among the Partners in a manner consistent with Section 5.2(b)(i)(A); and (B) any item of Residual Gain or Residual Loss attributable to an Adjusted Property shall be allocated among the Partners in the same manner as its correlative item of "book" gain or loss is allocated pursuant to Section 5.1.~~

~~(iii) The General Partner shall apply the principles of Treasury Regulation Section 1.704-3(d) to eliminate Book-Tax Disparities.~~

~~(e) For the proper administration of the Partnership and for the preservation of uniformity of the Units (or any class or classes thereof), the General Partner shall have sole discretion to (i) adopt such conventions as it deems appropriate in determining the amount of depreciation, amortization and cost recovery deductions; (ii) make special allocations for federal income tax purposes of income (including, without limitation, gross income) or deductions; and (iii) amend the provisions of this Agreement as appropriate (x) to reflect the proposal or promulgation of Treasury Regulations under Section 704(b) or Section 704(e) of the Code or (y) otherwise to preserve or achieve uniformity of the Units (or any class or classes thereof). The General Partner may adopt such conventions, make such allocations and make such amendments to this Agreement as provided in this Section 5.2(e) only if such conventions, allocations or amendments would not have a material adverse effect on the Partners, the holders of any class or classes of Units issued and Outstanding or the Partnership, and if such allocations are consistent with the principles of Section 704 of the Code.~~

~~(d) The General Partner in its sole discretion may determine to depreciate or amortize the portion of an adjustment under Section 743(b) of the Code attributable to unrealized appreciation in any Adjusted Property (to the extent of the unamortized Book-Tax Disparity) using a predetermined rate derived from the depreciation or amortization method and useful life applied to the Partnership's common basis of such property, despite the inconsistency of such approach with Treasury Regulation Section 1.167(e)-1(a)(6) or any successor regulations thereto. If the General Partner determines that such reporting position cannot reasonably be taken, the General Partner may adopt depreciation and amortization conventions under which all purchasers acquiring Units in the same month would receive depreciation and amortization deductions, based upon the same applicable rate as if they had purchased a direct interest in the Partnership's property. If the General Partner chooses not to utilize such aggregate method, the General Partner may use any other reasonable depreciation and amortization conventions to preserve the uniformity of the intrinsic tax characteristics of any Units that would not have a material adverse effect on the Limited Partners or the Record Holders of any class or classes of Units.~~

Table of Contents

~~(e) Any gain allocated to the Partners upon the sale or other taxable disposition of any Partnership asset shall, to the extent possible, after taking into account other required allocations of gain pursuant to this Section 5.2, be characterized as Recapture Income in the same proportions and to the same extent as such Partners (or their predecessors in interest) have been allocated any deductions directly or indirectly giving rise to the treatment of such gains as Recapture Income.~~

~~(f) All items of income, gain, loss, deduction and credit recognized by the Partnership for federal income tax purposes and allocated to the Partners in accordance with the provisions hereof shall be determined without regard to any election under Section 754 of the Code which may be made by the Partnership; provided, however, that such allocations, once made, shall be adjusted as necessary or appropriate to take into account those adjustments permitted or required by Sections 734 and 743 of the Code.~~

~~(g) Each item of Partnership income, gain, loss and deduction attributable to a transferred Partnership Interest shall, for federal income tax purposes, be determined on an annual basis and prorated on a monthly basis and shall be allocated to the Partners as of the opening of the New York Stock Exchange on the first Business Day of each month; provided, however, that gain or loss on a sale or other disposition of any assets of the Partnership other than in the ordinary course of business shall be allocated to the Partners as of the opening of the New York Stock Exchange on the first Business Day of the month in which such gain or loss is recognized for federal income tax purposes. The General Partner may revise, alter or otherwise modify such methods of allocation as it determines necessary, to the extent permitted or required by Section 706 of the Code and the regulations or rulings promulgated thereunder; provided, further, however, that for the Partnership's taxable year of 2006, each item of Partnership income, gain, loss deduction and credit shall be determined on the basis of an interim closing of the Partnership's books as of the close of business on the Effective Date and shall be allocated to the Partners by taking into account the Partners' varying interests during such taxable year in accordance with Section 706(d) of the Code.~~

~~(h) Allocations that would otherwise be made to a Limited Partner under the provisions of this Article V shall instead be made to the beneficial owner of Units held by a nominee in any case in which the nominee has furnished the identity of such owner to the Partnership in accordance with Section 6031(e) of the Code or any other method acceptable to the General Partner in its sole discretion.~~

Section 5.3 Requirement and Characterization of Distributions.

(a) Within 45 days after each Quarter beginning with the Quarter ending December 31, 2008, an amount equal to 100% of Available Cash with respect to such period or Quarter shall be distributed in accordance with this Article V by the Partnership to the Partners, as of the Record Date selected by the General Partner in its reasonable discretion. All amounts of Available Cash distributed by the Partnership on any date from any source shall be deemed to be Operating Surplus until the sum of all amounts of Available Cash theretofore distributed by the Partnership to Partners pursuant to Section 5.4 equals the Operating Surplus from the Second A&R Effective Date through the close of the immediately preceding Quarter. Any remaining amounts of Available Cash distributed by the Partnership on such date shall, except as otherwise provided in Section 5.5, be deemed to be from Capital Surplus.

(b) Notwithstanding the definitions of Available Cash and Operating Surplus contained herein, disbursements made or cash reserves established after the end of any Quarter but on or before the date on which the Partnership makes its distribution of Available Cash in respect of such Quarter pursuant to Section 5.3(a) shall be deemed to have been made, established, increased or reduced for purposes of determining Available Cash and Operating Surplus, within such Quarter if the General Partner so determines. Notwithstanding the foregoing, in the event of the dissolution and liquidation of the Partnership, all proceeds of such liquidation shall be applied and distributed in accordance with, and subject to the terms and conditions of, Section 14.4.

Table of Contents

(c) The General Partner may treat taxes ~~paid by the Partnership on behalf of, or amounts required or elected to be~~ withheld with respect to, all or less than all of the Partners, as a distribution of Available Cash to such Partners.

Section 5.4 Distributions of Available Cash From Operating Surplus.

There shall be no requirement to make distributions of Available Cash from Operating Surplus to the holders of Common Units prior to September 30, 2008. Available Cash with respect to any Quarter ending after September 30, 2008 that is deemed to be Operating Surplus pursuant to the provisions of Section 5.3 or 5.5 shall, subject to Section ~~5.3.3~~, in a manner consistent with Section 5.10, and subject to Section 17-607 of the Delaware Act, be distributed as follows, except as otherwise required by Section 4.4(b) in respect of additional Partnership Securities issued pursuant thereto:

- (i) First, 100% to the Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the Minimum Quarterly Distribution;
- (ii) Second, 100% to the Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the Cumulative Common Unit Arrearage, if any, existing with respect to any prior Quarter;
- (iii) Third, 100% to the General Partner Units, Pro Rata, until there has been distributed in respect of each General Partner Unit then Outstanding an amount equal to the Minimum Quarterly Distribution;
- (iv) Fourth, (A) 90% to the Common Units, Pro Rata and (B) 10% to the General Partner Units, Pro Rata until there has been distributed in respect of each Common Unit then outstanding an amount equal to the excess of the First Target Distribution over the Minimum Quarterly Distribution;
- (v) Thereafter, (A) 80% to the Common Units, Pro Rata and (B) 20% to the General Partner Units, Pro Rata;

provided, however, if the Minimum Quarterly Distribution and the First Target Distribution have been reduced to zero pursuant to the second sentence of Section 5.6(a), the distributions of Available Cash that is deemed to be Operating Surplus with respect to any Quarter will be made in accordance with Section 5.4(v).

Section 5.5 Distributions of Cash from Capital Surplus.

Available Cash that constitutes Capital Surplus shall, subject to Section 17-607 of the Delaware Act, be distributed, unless the provisions of Section 5.3 require otherwise, 100% to all Units, Pro Rata, until a hypothetical holder of a Common Unit on the Second A&R Effective Date has received with respect to such Common Unit, during the period since the Second A&R Effective Date through such date, distributions of Available Cash that are deemed to be Capital Surplus in an aggregate amount equal to the Initial Unit Price. Thereafter, all Available Cash shall be distributed as if it were Operating Surplus and shall be distributed in accordance with Section 5.4.

Section 5.6 Adjustment of Minimum Quarterly Distribution and Target Distribution Levels.

(a) The Minimum Quarterly Distribution and the First Target Distribution shall be proportionately adjusted in the event of any distribution, combination or subdivision (whether effected by a distribution payable in Units or otherwise) of Units or other Partnership Securities in accordance with Section 4.8. In the event of a distribution of Available Cash that is deemed to be from Capital Surplus, the Minimum Quarterly Distribution and First Target Distribution shall be adjusted proportionately downward to equal the product obtained by multiplying the otherwise applicable Minimum Quarterly Distribution and First Target Distribution as the case may be, by a fraction of which the numerator is the Unrecovered Initial Unit Price of the Common Units immediately after giving effect to such distribution and of which the denominator is the Unrecovered Initial Unit Price of the Common Units immediately prior to giving effect to such distribution.

Table of Contents

(b) The Minimum Quarterly Distribution and First Target Distribution shall also be subject to adjustment pursuant to Section 5.7 and 5.8.

Section 5.7 *Entity-Level Taxation: Intentionally Omitted.*

If legislation is enacted or the interpretation of existing language is modified by the relevant governmental authority which causes the Partnership to be treated as an association taxable as a corporation or otherwise subjects the Partnership to entity level taxation for federal income tax purposes, the Minimum Quarterly Distribution, or First Target Distribution, as the case may be, shall be equal to the product obtained by multiplying (a) the amount thereof by (b) one minus the sum of (i) the highest marginal federal corporate (or other entity, as applicable) income tax rate of the Partnership for the taxable year of the Partnership in which such Quarter occurs (expressed as a percentage) plus (ii) the effective overall state and local income tax rate (expressed as a percentage) applicable to the Partnership for the calendar year next preceding the calendar year in which such Quarter occurs (after taking into account the benefit of any deduction allowable for federal income tax purposes with respect to the payment of state and local income taxes), but only to the extent of the increase in such rates resulting from such legislation or interpretation. Such effective overall state and local income tax rate shall be determined for the taxable year next preceding the first taxable year during which the Partnership is taxable for federal income tax purposes as an association taxable as a corporation or is otherwise subject to entity level taxation by determining such rate as if the Partnership had been subject to such state and local taxes during such preceding taxable year.

Section 5.8 *Special Provisions Relating to Adjustment of Minimum Quarterly Distribution and Target Level Distributions in Connection with Rights: Intentionally Omitted.*

(a) Upon the date (the "Trigger Date") of a Triggering Event (as defined in the Rights Agreement), the Minimum Quarterly Distribution and the First Target Distribution (collectively, the "Distribution Levels") shall each automatically be adjusted so that the Distribution Levels thereafter shall equal the result obtained by multiplying the Distribution Levels in effect immediately prior to the date of a Triggering Event by the Distribution Ratio (defined below):

(b) The distribution ratio (the "Distribution Ratio") shall equal a fraction the numerator of which shall be the number of Units outstanding on the Trigger Date, plus the number of Common Units or other Partnership Securities, as the case may be, that the aggregate exercise price of the Rights would purchase at the current market price as defined in the Rights Agreement for the Common Units on the Trigger Date and the denominator of which shall be the number of Units outstanding on the Trigger Date, plus the number of Common Units or other Partnership Securities, as the case may be, that would be issuable upon the exercise in full of the Rights; provided, however, that if the General Partner shall have exercised the option pursuant to Section 24 of the Rights Agreement to exchange all or a part of the then outstanding and exercisable Rights for Common Units or other Partnership Securities, as the case may be, then the Distribution Ratio shall be adjusted accordingly to reflect the number of Common Units or other Partnership Securities, as the case may be, that would be issuable in connection with such exchange.

Section 5.9 *Special Provision Relating to Elimination of Cumulative Common Unit Arrearages.*

Notwithstanding anything to the contrary contained herein, all Cumulative Common Unit Arrearages (as such term is defined in the First Amended and Restated Agreement) that have accrued through the date of this Agreement are hereby eliminated.

Section 5.10 *Special Provision Relating to Management Incentive Compensation Plan.*

Notwithstanding anything to the contrary contained herein, up to 50% of the distributions (the "Incentive Distributions") otherwise distributable to the holders of General Partner Units pursuant to Sections 5.4 (iv) and

Table of Contents

(v), shall be ~~utilized~~ retained by the Partnership to fund the bonus pool for distribution to the participants of the Partnership's Management Incentive Compensation Plan (the "Plan") in accordance with the terms of the Plan. The exact percentage of distributions that comprise the Incentive Distributions shall be determined by the General Partner for each Quarter in which distributions are to be paid pursuant to Sections 5.4 (iv) and (v).

ARTICLE VI

MANAGEMENT AND OPERATION OF BUSINESS

Section 6.1 *Management.*

(a) The General Partner shall conduct, direct and manage all activities of the Partnership. Except as otherwise expressly provided in this Agreement, all management powers over the business and affairs of the Partnership shall be exclusively vested in the General Partner, and no Limited Partner or Assignee shall have any management power over the business and affairs of the Partnership. In addition to the powers now or hereafter granted a general partner of a limited partnership under applicable law or which are granted to the General Partner under any other provision of this Agreement, the General Partner, subject to Section 6.3, shall have full power and authority to do all things and on such terms as it, in its sole discretion, may deem necessary or appropriate to conduct the business of the Partnership, to exercise all powers set forth in Section 3.2 and to effectuate the purposes set forth in Section 3.1, including the following:

(ii) the making of tax, regulatory and other filings, or rendering of periodic or other reports to governmental or other agencies having jurisdiction over the business or assets of the Partnership;

(iv) the use of the assets of the Partnership (including cash on hand) for any purpose consistent with the terms of this Agreement, including the financing of the conduct of the operations of the Partnership, the lending of funds to other Persons (including Group Members), the repayment of obligations of the Partnership;

(v) the negotiation, execution and performance of any contracts, conveyances or other instruments (including instruments that limit the liability of the Partnership under contractual arrangements to all or particular assets of the Partnership, with the other party to the contract to have no recourse against the General Partner or its assets other than its interest in the Partnership, even if same results in the terms of the transaction being less favorable to the Partnership than would otherwise be the case);

(vi) the distribution of Partnership cash;

(vii) the selection and dismissal of employees, (including employees having titles such as "president," "vice president," "secretary" and "treasurer") and agents, outside attorneys, accountants, consultants and contractors and the determination of their compensation and other terms of employment or hiring;

(viii) the maintenance of such insurance for the benefit of the Partnership Group and the Partners as it deems necessary or appropriate;

(ix) the formation of, or acquisition of an interest in, and the contribution of property and the making of loans to, any further limited or general partnerships, joint ventures, corporations, limited liability companies, or other relationships;

- (x) the control of any matters affecting the rights and obligations of the Partnership, including the bringing and defending of actions at law or in equity and otherwise engaging in the conduct of litigation and the incurring of legal expense and the settlement of claims and litigation;
- (xi) the indemnification of any Person against liabilities and contingencies to the extent permitted by law;
- (xii) the entering into of listing agreements with any National Securities Exchange and the delisting of some or all of the Units from, or requesting that trading be suspended on, any such exchange (subject to any prior approval that may be required under Section 1.6); and
- (xiii) the purchase, sale or other acquisition or disposition of Units (subject to Section 6.12 and Section 17.1).

(b) Notwithstanding any other provision of this Agreement, the Delaware Act or any applicable law, rule or regulation, each of the Partners and Assignees and each other Person who may acquire an interest in Units hereby agrees that the execution, delivery or performance by the General Partner, any Group Member or any Affiliate of any of them, of this Agreement or any agreement authorized or permitted under this Agreement (including the exercise by the General Partner or any Affiliate of the General Partner of the rights accorded pursuant to Article XVII), shall not constitute a breach by the General Partner of any duty that the General Partner may owe the Partnership or the Limited Partners or the Assignees or any other Persons under this Agreement (or any other agreements) or of any duty stated or implied by law or equity.

Section 6.2 Certificate of Limited Partnership.

The General Partner has caused the Certificate of Limited Partnership to be filed with the Secretary of State of the State of Delaware as required by the Delaware Act and shall use all reasonable efforts to cause to be filed such other certificates or documents as may be determined by the General Partner in its sole discretion to be reasonable and necessary or appropriate for the formation, continuation, qualification and operation of a limited partnership (or a partnership in which the limited partners have limited liability) in the State of Delaware or any other state in which the Partnership may elect to do business or own property, including an amendment to reflect the admission of the ~~Successor~~ General Partner as a successor to the Withdrawing General Partner. To the extent that such action is determined by the General Partner in its sole discretion to be reasonable and necessary or appropriate, the General Partner shall file amendments to and restatements of the Certificate of Limited Partnership and do all things to maintain the Partnership as a limited partnership (or a partnership in which the limited partners have limited liability) under the laws of the State of Delaware or of any other state in which the Partnership may elect to do business or own property, ~~including in connection with the transactions contemplated by the Transaction Agreement~~. Subject to the terms of Section 7.5(a), the General Partner shall not be required, before or after filing, to deliver or mail a copy of the Certificate of Limited Partnership, any qualification document or any amendment thereto to any Limited Partner or Assignee.

Section 6.3 Restrictions on General Partner's Authority.

(a) The General Partner may not, without written approval of the specific act by all of the Outstanding Units or by other written instrument executed and delivered by all of the Outstanding Units subsequent to the date of this Agreement, take any action in contravention of this Agreement, including, except as otherwise provided in this Agreement, (i) committing any act that would make it impossible to carry on the ordinary business of the Partnership; (ii) possessing Partnership property, or assigning any rights in specific Partnership property, for other than a Partnership purpose; (iii) admitting a Person as a Partner; (iv) amending this Agreement in any manner; or (v) transferring its interest as general partner of the Partnership.

(b) Except as provided in Articles XIV and XVI, the General Partner may not sell, exchange or otherwise dispose of all or substantially all of the Partnership's assets in a single transaction or a series of related

transactions without the approval of holders of a Unit Majority; provided, however, that this provision shall not preclude or limit the General Partner's ability to mortgage, pledge, hypothecate or grant a security interest in all or substantially all of the assets of the Partnership and shall not apply to any forced sale of any or all of the assets of the Partnership pursuant to the foreclosure of, or other realization upon, any such encumbrance.

Section 6.4 *Reimbursement of the General Partner.*

(a) Except as provided in this Section 6.4 and elsewhere in this Agreement, the General Partner shall not be compensated for its services as general partner of any Group Member.

(b) The General Partner shall be reimbursed on a monthly basis, or such other basis as the General Partner may determine in its sole discretion, for (i) all direct and indirect expenses it incurs or payments it makes on behalf of the Partnership (including salary, bonus, incentive compensation and other amounts paid to any Person to perform services for the Partnership, or for the General Partner in the discharge of its duties to the Partnership), and (ii) all other necessary or appropriate expenses allocable to the Partnership or otherwise reasonably incurred by the General Partner in connection with operating the Partnership's business (including expenses allocated to the General Partner by its Affiliates). The General Partner shall determine the expenses that are allocable to the Partnership in any reasonable manner determined by the General Partner in its sole discretion. Reimbursements pursuant to this Section 6.4 shall be in addition to any reimbursement to the General Partner as a result of indemnification pursuant to Section 6.7.

(c) The General Partner, in its sole discretion and without the approval of the Limited Partners (who shall have no right to vote in respect thereof), may propose, adopt and amend on behalf of the Partnership employee benefit plans, employee programs and employee practices (including plans, programs and practices involving the issuance of Units), or issue Partnership Securities pursuant to any employee benefit plan, employee program or employee practice maintained or sponsored by the General Partner or any of its Affiliates, in each case for the benefit of employees of the General Partner, any Group Member or any Affiliate, or any of them, in respect of services performed, directly or indirectly, for the benefit of the Partnership Group. The Partnership agrees to issue and sell to the General Partner or any of its Affiliates any Units or other Partnership Securities that the General Partner or such Affiliate is obligated to provide to any employees pursuant to any such employee benefit plans, employee programs or employee practices. Expenses incurred by the General Partner in connection with any such plans, programs and practices (including the net cost to the General Partner or such Affiliate of Units or other Partnership Securities purchased by the General Partner or such Affiliate from the Partnership to fulfill options or awards under such plans, programs and practices) shall be reimbursed in accordance with Section 6.4(b). Any and all obligations of the General Partner under any employee benefit plans, employee programs or employee practices (other than agreements with former employees and post-retirement benefits thereunder) adopted by the General Partner as permitted by this Section 6.4(c) shall constitute obligations of the General Partner hereunder and shall be assumed by any successor General Partner approved pursuant to Section 13.1 or 13.2 or the transferee of or successor to all of the General Partner's Partnership Interest (which is represented by the General Partner Units) as a general partner in the Partnership pursuant to Section 11.2.

Section 6.5 *Outside Activities.*

(a) After the Second A&R Effective Date, the General Partner, for so long as it is the general partner of the Partnership, shall not engage in any business or activity or incur any debts or liabilities except in connection with or incidental to (i) its performance as general partner of one or more Group Members or (ii) the acquiring, owning or disposing of debt or equity securities in any Group Member.

(b) Except as restricted by Section 6.5(a) ~~and the Non-competition Agreement~~, each Indemnitee (other than the General Partner) shall have the right to engage in businesses of every type and description and other activities for profit and to engage in and possess an interest in other business ventures of any and every type or description, whether in businesses engaged in or anticipated to be engaged in by any Group Member,

independently or with others, including business interests and activities in direct competition with the business and activities of any Group Member, and none of the same shall constitute a breach of this Agreement or any duty to any Group Member or any Partner or Assignee. Neither any Group Member, any Limited Partner nor any other Person shall have any rights by virtue of this Agreement or the partnership relationship established hereby or thereby in any business ventures of any Indemnitee.

(c) Subject to Section 6.5(a) ~~and the terms of the Non-competition Agreement~~, but otherwise notwithstanding anything to the contrary in this Agreement, (i) the engaging in competitive activities by any Indemnitees (other than the General Partner) in accordance with the provisions of this Section 6.5 is hereby approved by the Partnership and all Partners and (ii) it shall be deemed not to be a breach of the General Partner's fiduciary duty or any other obligation of any type whatsoever of the General Partner for the Indemnitee (other than the General Partner) to engage in such business interests and activities in preference to or to the exclusion of the Partnership (including, without limitation, the General Partner and the Indemnitees shall have no obligation to present business opportunities to the Partnership).

(d) The General Partner and any of its Affiliates may acquire Units or other Partnership Securities and, except as otherwise provided in this Agreement, shall be entitled to exercise all rights of an Assignee or Limited Partner, as applicable, relating to such Units or Partnership Securities. The term "Affiliates" when used in Section 6.5(d) with respect to the General Partner shall not include any Group Member or any Subsidiary of the Group Member.

Section 6.6 Loans from the General Partner: Contracts with Affiliates: Certain Restrictions on the General Partner:

(a) The General Partner or any Affiliate thereof may lend to any Group Member, and any Group Member may borrow, funds needed or desired by the Group Member for such periods of time and in such amounts as the General Partner may determine; provided, however, that in any such case the lending party may not charge the borrowing party interest at a rate greater than the rate that would be charged the borrowing party or impose terms less favorable to the borrowing party than would be charged or imposed on the borrowing party by unrelated lenders on comparable loans made on an arms'-length basis (without reference to the lending party's financial abilities or guarantees). The borrowing party shall reimburse the lending party for any costs (other than any additional interest costs) incurred by the lending party in connection with the borrowing of such funds. For purposes of this Section 6.6(a) and Section 6.6(b), the term "Group Member" shall include any Affiliate of the Group Member that is controlled by the Group Member. No Group Member may lend funds to the General Partner or any of its Affiliates.

(b) The Partnership may lend or contribute to any Group Member, and any Group Member may borrow, funds on terms and conditions established in the sole discretion of the General Partner; provided, however, that the Partnership may not charge the Group Member interest at a rate greater than the rate that would be charged to the Group Member (without reference to the General Partner's financial abilities or guarantees), by unrelated lenders on comparable loans. The foregoing authority shall be exercised by the General Partner in its sole discretion and shall not create any right or benefit in favor of any Group Member or any other Person.

(c) The General Partner may itself, or may enter into an agreement with any of its Affiliates to, render services to the Partnership or to the General Partner in the discharge of its duties as general partner of the Partnership. Any services rendered to the Partnership by the General Partner or any of its Affiliates shall be on terms that are fair and reasonable to the Partnership; provided, however, that the requirements of this Section 6.6(c) shall be deemed satisfied as to (i) any transaction approved by Special Approval, (ii) any transaction, the terms of which are no less favorable to the Partnership than those generally being provided to or available from unrelated third parties or (iii) any transaction that, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to the Partnership), is equitable to the Partnership. The provisions of Section 6.4 shall apply to the rendering of services described in this Section 6.6(c).

(d) The Partnership may transfer assets to joint ventures, other partnerships, corporations, limited liability companies or other business entities in which it is or thereby becomes a participant upon such terms and subject to such conditions as are consistent with this Agreement and applicable law.

(e) Neither the General Partner nor any of its Affiliates shall sell, transfer or convey any property to, or purchase any property from, the Partnership, directly or indirectly, except pursuant to transactions that are fair and reasonable to the Partnership; provided, however, that the requirements of this Section 6.6(e) shall be deemed to be satisfied as to (i) any transactions described in or contemplated by the Proxy Statement, (ii) any transaction approved by Special Approval, (iii) any transaction, the terms of which are no less favorable to the Partnership than those generally being provided to or available from unrelated third parties, or (iv) any transaction that, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to the Partnership), is equitable to the Partnership. With respect to any contribution of assets to the Partnership in exchange for Units, the Conflicts Committee, in determining whether the appropriate number of Units are being issued, should take into account, among other things, the fair market value of the assets, the liquidated and contingent liabilities assumed, the tax basis in the assets, ~~the extent to which tax-only allocations to the transferor will protect the existing partners of the Partnership against a low tax basis,~~ and such other factors as the Conflicts Committee deems relevant under the circumstances.

(f) The General Partner and its Affiliates will have no obligation to permit any Group Member to use any facilities or assets of the General Partner and its Affiliates, except as may be provided in contracts entered into from time to time specifically dealing with such use, nor shall there be any obligation on the part of the General Partner or its Affiliates to enter into such contracts.

(g) Without limitation of Sections 6.6(a) through 6.6(f), and notwithstanding anything to the contrary in this Agreement, the existence of the conflicts of interest described in the Proxy Statement are hereby approved by all Partners.

Section 6.7 *Indemnification.*

(a) To the fullest extent permitted by law but subject to the limitations expressly provided in this Agreement, all Indemnitees shall be indemnified and held harmless by the Partnership from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, in which any Indemnitee may be involved, or is threatened to be involved, as a party or otherwise, by reason of its status as an Indemnitee; provided, that in each case the Indemnitee acted in good faith and in a manner that such Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Partnership and, with respect to any criminal proceeding, had no reasonable cause to believe its conduct was unlawful; provided, further, no indemnification pursuant to this Section 6.7 shall be available to the Withdrawing General Partner or its Affiliates (other than Group Members) with respect to their obligations incurred pursuant to ~~the Transaction Agreement~~ that certain unit purchase agreement dated as of December 5, 2005, as amended, by and among the Partnership, the Withdrawing General Partner, Kestrel Energy Partners, LLC, Kestrel Heat LLC and KM2, LLC or any agreement ancillary thereto (other than obligations incurred by the General Partner on behalf of the Partnership). The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not create a presumption that the Indemnitee acted in a manner contrary to that specified above. Any indemnification pursuant to this Section 6.7 shall be made only out of the assets of the Partnership, it being agreed that the General Partner shall not be personally liable for such indemnification and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate such indemnification.

(b) To the fullest extent permitted by law, expenses (including legal fees and expenses) incurred by an Indemnitee who indemnified pursuant to Section 6.7(a) in defending any claim, demand, action, suit or

Table of Contents

proceeding shall, from time to time, be advanced by the Partnership prior to the usual disposition of such claim, demand, action, suit or proceeding upon receipt by the Partnership of an undertaking by or on behalf of the Indemnitee to repay such amount if it shall be determined that the Indemnitee is not entitled to be indemnified as authorized in this Section 6.7.

(c) The indemnification provided by this Section 6.7 shall be in addition to any other rights to which an Indemnitee may be entitled under any agreement, pursuant to any vote of the holders of Outstanding Units, as a matter of law or otherwise, both as to actions in the Indemnitee's capacity as an Indemnitee and as to actions in any other capacity, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnitee.

(d) The Partnership may purchase and maintain (or reimburse the General Partner or its Affiliates for the cost of) insurance, on behalf of the General Partner and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expense that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) For purposes of this Section 6.7, the Partnership shall be deemed to have requested an Indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute "fines" within the meaning of Section 6.7(a); and action taken or omitted by it with respect to any employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is in, or not opposed to, the best interests of the Partnership.

(f) In no event may an Indemnitee subject to the Limited Partners to personal liability by reason of the indemnification provisions set forth in this Agreement.

(g) An Indemnitee shall not be denied indemnification in whole or in part under this Section 6.7 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(h) The provisions of this Section 6.7 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

(i) No amendment, modification or repeal of this Section 6.7 or any provision hereof shall in any manner terminate, reduce, or impair the right of any past, present or future Indemnitee to be indemnified by the Partnership, nor the obligations of the Partnership to indemnify any such Indemnitee under and in accordance with the provisions of this Section 6.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

Section 6.8 *Liability of Indemnitees.*

(a) Notwithstanding anything to the contrary set forth in this Agreement, no Indemnitee shall be liable for monetary damages to the Partnership, the Limited Partners, the Assignees or any other Persons who have acquired interests in the Units, for losses sustained or liabilities incurred as a result of any act or omission if such Indemnitee acted in good faith.

(b) Subject to its obligations and duties as General Partner set forth in Section 6.1(a), the General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed

upon it hereunder either directly or by or through its agents, and the General Partner shall not be responsible for any misconduct or negligence on the part of any such agent appointed by the General Partner in good faith.

(c) Any amendment, modification or repeal of this Section 6.8 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the liability to the Partnership and the Limited Partners of the General Partner, its directors, officers and employees and any other Indemnitees under this Section 6.8 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

Section 6.9 *Resolution of Conflicts of Interest.*

(a) Unless otherwise expressly provided in this Agreement, whenever a potential conflict of interest exists or arises between the General Partner or any of its Affiliates, on the one hand, and the Partnership, any Partner or any Assignee, on the other hand, any resolution or course of action in respect of such conflict of interest shall be permitted and deemed approved by all Partners, and shall not constitute a breach of this Agreement, of any agreement contemplated herein or therein, or of any duty stated or implied by law or equity, if the resolution or course of action is, or by operation of this Agreement is deemed to be, fair and reasonable to the Partnership. The General Partner shall be authorized but not required in connection with its resolution of such conflict of interest to seek Special Approval of a resolution of such conflict or course of action. shall, subject to compliance with the terms of Section 12.3, be admitted to the Partnership as a General Partner immediately prior to the transfer of the General Partner Interest, and the business of the Partnership shall continue without dissolution.

Section 11.3 *Transfer of Units.*

(a) Units may be transferred only in the manner described in Article X. The transfer of any Units and the admission of any new Partner shall not constitute an amendment to this Agreement.

(b) Until admitted as a Substituted Limited Partner pursuant to Article XII, the Record Holder of a Unit shall be an Assignee in respect of such Unit. Limited Partners may include custodians, nominees, or any other individual or entity in its own or any representative capacity.

(c) Each distribution in respect of Units shall be paid by the Partnership, directly or through the Transfer Agent or through any other Person or agent, only to the Record Holders thereof as of the Record Date set for the distribution. Such payment shall constitute full payment and satisfaction of the Partnership's liability in respect of such payment, regardless of any claim of any Person who may have an interest in such payment by reason of an assignment or otherwise.

(d) A transferee who has completed and delivered a Transfer Application shall be deemed to have (i) requested admission as a Substituted Limited Partner, (ii) agreed to comply with and be bound by and to have executed this Agreement, (iii) represented and warranted that such transferee has the right, power and authority and, if an individual, the capacity to enter into this Agreement, (iv) granted the powers of attorney set forth in this Agreement and (v) given the consents and approvals and made the waivers contained in this Agreement.

Section 11.4 *Restrictions on Transfers.*

Notwithstanding the other provisions of this Article XI, no transfer of any Unit or interest therein of any Limited Partner or Assignee shall be made if such transfer would (a) violate the then applicable federal or state securities laws or rules and regulations of the Commission, any state securities commission or any other governmental authorities with jurisdiction over such transfer, or (b) affect any Group Member's existence or qualification as a limited partnership under the laws of the jurisdiction of its formation, ~~or (c) result in entity-level taxation for federal income tax purposes of the Partnership.~~

Section 11.5 *Citizenship Certificates; Non-citizen Assignees.*

(a) If any Group Member is or becomes subject to any federal, state or local law or regulation that, in the reasonable determination of the General Partner, creates a substantial risk of cancellation or forfeiture of any property in which the Group Member has an interest based on the nationality, citizenship or other related status of a Limited Partner or Assignee, the General Partner may request any Limited Partner or Assignee to furnish to the General Partner, within 30 days after receipt of such request, an executed Citizenship Certification or such other information concerning his nationality, citizenship or other related status (or, if the Limited Partner or Assignee is a nominee holding for the account of another Person, the nationality, citizenship or other related status of such Person) as the General Partner may request. If a Limited Partner or Assignee fails to furnish to the General Partner within the aforementioned 30-day period such Citizenship Certification or other requested information or if upon receipt of such Citizenship Certification or other requested information the General Partner determines, with the advice of counsel, that a Limited Partner or Assignee is not an Eligible Citizen, the Units owned by such Limited Partner or Assignee shall be subject to redemption in accordance with the provisions of Section 11.6. In addition, the General Partner may require that the status of any such Limited Partner or Assignee be changed to that of a Non-citizen Assignee and, thereupon, the General Partner shall be substituted for such non-citizen Assignee as the Limited Partner in respect of his Units.

Table of Contents

(b) The General Partner shall, in exercising voting rights in respect of Units held by it on behalf of Non-citizen Assignees, distribute the votes in the same ratios as the votes of Limited Partners in respect of Units other than those of Non-citizen Assignees are cast, either for, against or abstaining as to the matter.

(c) Upon dissolution of the Partnership, a Non-citizen Assignee shall have no right to receive a distribution in kind pursuant to Section 14.4 but shall be entitled to the cash equivalent, thereof, and the General Partner shall provide, cash in exchange for an assignment of the Non-citizen Assignee's share of the distribution in kind. Such payment and assignment shall be treated for Partnership purposes as a purchase by the General Partner from the Non-citizen Assignee of his Partnership Interest (representing his right to receive his share of such distribution in kind).

(d) At any time after he can and does certify that he has become an Eligible Citizen, a Non-citizen Assignee may, upon application to the General Partner, request admission as a Substituted Limited Partner with respect to any Units of such Non-citizen Assignee not redeemed pursuant to Section 11.6, and upon his admission pursuant to Section 12.2, the General Partner shall cease to be deemed to be the Limited Partner in respect of the Non-citizen Assignee's Units.

Section 11.6 *Redemption of Interests.*

(a) If at any time a Limited Partner or Assignee fails to furnish a Citizenship Certification or other information requested within the 30-day period specified in Section 11.5(a), or if upon receipt of such Citizenship Certification or other information the General Partner determines, with the advice of counsel, that a Limited Partner or Assignee is not an Eligible Citizen, the Partnership may, unless the Limited Partner or Assignee establishes to the satisfaction of the General Partner that such Limited Partner or Assignee is an Eligible Citizen or has transferred his Units to a Person who furnishes a Citizenship Certification to the General Partner prior to the date fixed for redemption as provided below, redeem the Partnership Interest of such Limited Partner or Assignee as follows:

(i) The General Partner shall, not later than the 30th day before the date fixed for redemption, give notice of redemption to the Limited Partner or Assignee at his last address designated on the records of the Partnership or the Transfer Agent, by registered or certified mail, postage prepaid. The notice shall be deemed to have been given when so mailed. The notice shall specify the Redeemable Units, the date fixed for redemption, the place of payment, that payment of the redemption price will be made upon surrender of the Certificate evidencing the Redeemable Units and that on and after the date fixed for redemption no further allocations or distributions to which the Limited Partner or Assignee would otherwise be entitled in respect of the Redeemable Units will accrue or be made.

(ii) The aggregate redemption price for Redeemable Units shall be an amount equal to the Current Market Price (the date of determination of which shall be the date fixed for redemption) of Units of the class to be so redeemed multiplied by the number of Units of each such class included among the Redeemable Units. The redemption price shall be paid in the sole discretion of the General Partner, in cash or by delivery of a promissory note of the Partnership in the principal amount of the redemption price, bearing interest at the rate of 10% annually and payable in three equal annual installments of principal together with accrued interest, commencing one year after the redemption date.

(iii) Upon surrender by or on behalf of the Limited Partner or Assignee, at the place specified in the notice of redemption, of the Certificate evidencing the Redeemable Units, duly endorsed in blank or accompanied by an assignment duly executed in blank, the Limited Partner or Assignee or his duly authorized representative shall be entitled to receive the payment therefor.

(iv) After the redemption date, Redeemable Units shall no longer constitute issued and Outstanding Units.

(b) The provisions of this Section 11.6 shall also be applicable to Units held by a Limited Partner or Assignee as nominee of a Person determined to be other than an Eligible Citizen.

Table of Contents

(c) Nothing in this Section 11.6 shall prevent the recipient of a notice of redemption from transferring his Units before the redemption date if such transfer is otherwise permitted under this Agreement. Upon receipt of notice of such a transfer, the General Partner shall withdraw the notice of redemption, provided the transferee of such Units certifies in the Transfer Application that he is an Eligible Citizen. If the transferee fails to make such certification, such redemption shall be effected from the transferee on the original redemption date.

ARTICLE XII

ADMISSION OF PARTNERS

Section 12.1 *Admission of Initial Limited Partners.*

Upon the issuance by the Partnership of the Old Subordinated Units to the Initial General Partner in connection with the Initial Offering, the Initial General Partner was admitted to the Partnership as a Limited Partner. Upon the issuance by the Partnership of Common Units to the Initial Underwriters in connection with the Initial Offering and the execution by the Initial Underwriters of a Transfer Application, the Initial Underwriters were admitted to the Partnership as Initial Limited Partners.

Section 12.2 *Admission of Substituted Limited Partners*

By transfer of a Unit representing a Limited Partner Interest in accordance with Article XI, the transferor shall be deemed to have given the transferee the right to seek admission as a Substituted Limited Partner subject to the conditions of, and in the manner permitted under, this Agreement. A transferor of a Certificate representing a Limited Partner Interest shall, however, only have the authority to convey to a purchaser or other transferee who does not execute and deliver a Transfer Application (a) the right to negotiate such Certificate to a purchaser or other transferee and (b) the right to transfer the right to request admission as a Substituted Limited Partner to such purchaser or other transferee in respect of the transferred Units. Each transferee of a Unit representing a Limited Partner Interest (including any nominee holder or an agent acquiring such Unit for the account of another Person) who executes and delivers a Transfer Application shall, by virtue of such execution and delivery, be an Assignee and be deemed to have applied to become a Substituted Limited Partner with respect to the Units so transferred to such Person. Such Assignee shall become a Substituted Limited Partner (x) at such time as the General Partner consents thereto, which consent may be given or withheld in the General Partner's sole discretion, and (y) when any such admission is shown on the books and records of the Partnership. If such consent is withheld, such transferee shall be an Assignee. An Assignee shall have an interest in the Partnership equivalent to that of a Limited Partner with respect to allocations and distributions, including liquidating distributions, of the Partnership. With respect to voting rights attributable to Units that are held by Assignees, the General Partner shall be deemed to be the Limited Partner with respect thereto and shall, in exercising the voting rights in respect of such Units on any matter vote such Units at the written direction of the Assignee who is the Record Holder of such Units. If no such written direction is received, such Units will not be voted. An Assignee shall have no other rights of a Limited Partner.

Section 12.3 *Admission of ~~Successor~~ General Partner.*

On the ~~date hereof~~ Second A&R Effective Date, the General Partner ~~is being~~ was admitted to the Partnership as successor to ~~Star Gas LLC~~ the Withdrawing General Partner immediately prior to ~~its~~ the Withdrawing General Partner's withdrawal pursuant to Section 4.4(d). A successor General Partner approved pursuant to Section 13.1 or 13.2 or the transferee of or successor to all the General Partner Interest pursuant to Section 11.2 who is proposed to be admitted as a successor General Partner shall be admitted to the Partnership as the General Partner, effective immediately prior to the withdrawal or removal of the General Partner pursuant to Section 13.1 or 13.2 or the transfer of the General Partner Interest pursuant to Section 11.2; provided, however, that no such successor shall be admitted to the Partnership until compliance with the terms of Section 11.2 has occurred and

Table of Contents

such successor has executed and delivered such other documents or instruments as may be required to effect such admission. Any such successor shall, subject to the terms hereof, carry on the business of the Partnership without dissolution.

Section 12.4 *Admission of Additional Limited Partners.*

(a) A Person (other than the General Partner, an Initial Limited Partner or a Substituted Limited Partner) who makes a Capital Contribution to the Partnership in accordance with this Agreement shall be admitted to the Partnership as an Additional Limited Partner only upon furnishing to the General Partner (i) evidence of acceptance in form satisfactory to the General Partner of all of the terms and conditions of this Agreement, including the power of attorney granted in Section 1.4, and (ii) such other documents or instruments as may be required in the discretion of the General Partner to effect such Person's admission as an Additional Limited Partner.

(b) Notwithstanding anything to the contrary in this Section 12.4, no Person shall be admitted as an Additional Limited Partner without the consent of the General Partner, which consent may be given or withheld in the General Partner's sole discretion. The admission of any Person as an Additional Limited Partner shall become effective on the date upon which the name of such Person is recorded as such in the books and records of the Partnership, following the consent of the General Partner to such admission.

Section 12.5 *Amendment of Agreement and Certificate of Limited Partnership.*

To effect the admission to the Partnership of any Partner, the General Partner shall take all steps necessary and appropriate under the Delaware Act to amend the records of the Partnership to reflect such admission and, if necessary, to prepare as soon as practical an amendment of this Agreement and, if required by law, to prepare and file an amendment to the Certificate of Limited Partnership, and the General Partner may for this purpose, among others, exercise the power of attorney granted pursuant to Section 1.4.

ARTICLE XIII

WITHDRAWAL OR REMOVAL OF PARTNERS

Section 13.1 *Withdrawal of the General Partner.*

(a) The General Partner shall be deemed to have withdrawn from the Partnership upon the occurrence of any one of the following events (each such event herein referred to as an "Event of Withdrawal");

- (i) the General Partner voluntarily withdraws from the Partnership by giving written notice to the other Partners;
- (ii) the General Partner transfers all of his rights as General Partner pursuant to Section 11.2;
- (iii) the General Partner is removed pursuant to Section 13.2;

(iv) the General Partner (A) makes a general assignment for the benefit of creditors; (B) files a voluntary bankruptcy petition for relief under Chapter 7 of the United States Bankruptcy Code; (C) files a petition or answer seeking for itself a liquidation, dissolution or similar relief (but not a reorganization) under any law; (D) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the General Partner in a proceeding of the type described in clauses (A)-(C) of this Section 13.1(a)(iv); or (E) seeks, consents to or acquiesces in the appointment of a trustee (but not a debtor in possession), receiver or liquidator of the General Partner or of all or any substantial part of its properties;

(v) a final and non-appealable order of relief under Chapter 7 of the United States Bankruptcy Code is entered by a court with appropriate jurisdiction pursuant to a voluntary or involuntary petition by or against the General Partner; or

Table of Contents

(vi) a certificate of dissolution or its equivalent is filed for the General Partner, or 90 days expire after the date of notice to the General Partner of revocation of its charter without a reinstatement of its charter, under the laws of its state of incorporation or formation.

If an Event of Withdrawal specified in Section 13.1(a)(iv), (v) or (vi) occurs, the withdrawing General Partner shall give notice to the Limited Partners within 30 days after such occurrence. The Partners hereby agree that only the Events of Withdrawal described in this Section 13.1 shall result in the withdrawal of the General Partner from the Partnership.

(b) Withdrawal of the General Partner from the Partnership upon the occurrence of an Event of Withdrawal shall not constitute a breach of this Agreement under the following circumstances: (i) the General Partner voluntarily withdraws by giving at least 90 days' advance notice to the Limited Partners, such withdrawal to take effect on the date specified in such notice; or (ii) at any time that the General Partner ceases to be a General Partner pursuant to Section 13.1(a)(ii) or is removed pursuant to Section 13.2. The withdrawal of the General Partner from the Partnership upon the occurrence of an Event of Withdrawal shall also constitute the withdrawal of the General Partner as general partner of the other Group Members. If the General Partner gives a notice of withdrawal pursuant to Section 13.1(a)(i), holders of a Unit Majority may, prior to the effective date of such withdrawal, elect a successor General Partner. The Person so elected as successor General Partner shall automatically become the successor general partner of the other Group Members. If, prior to the effective date of the General Partner's withdrawal, a successor is not selected by the Limited Partners as provided herein, the Partnership shall be dissolved in accordance with Section 14.1. Any successor General Partner elected in accordance with the terms of this Section 13.1 shall be subject to the provisions of Section 12.3.

(c) On the Second A&R Effective Date, the ~~Successor~~ General Partner ~~is being~~ was admitted to the Partnership as the successor to the Withdrawing General Partner immediately prior to its withdrawal pursuant to Section 4.4(d). At such time, the withdrawal of the Withdrawing General Partner as general partner of the Partnership shall be effective and any notice of such withdrawal required by this Article XIII shall be waived.

Section 13.2 *Removal of the General Partner.*

The General Partner may be removed if such removal is approved by Limited Partners holding at least two-thirds of the Outstanding Units voting together as a single class (excluding those Units held by the General Partner and its Affiliates). Any such action by such Limited Partners for removal of the General Partner must also provide for the election of a successor General Partner by Limited Partners holding at least a majority of the Outstanding Units (excluding for purposes of such determination Units owned by the General Partner and its Affiliates). Such removal shall be effective immediately following the admission of a successor General Partner pursuant to Article XII. The removal of the General Partner shall also automatically constitute the removal of the General Partner as general partner of the other Group Members. If a person is elected as a successor General Partner in accordance with the terms of this Section 13.2, such person shall, upon admission pursuant to Article XII, automatically become the successor general partner of the other Group Members. The right of the Limited Partners holding Outstanding Units to remove the General Partner shall not exist or be exercised unless the Partnership has received an Opinion of Counsel that such removal would not result in the loss of the limited liability of any Limited Partner or of the limited partner of any Group Member ~~or cause any Group Member to be treated as an association taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes to the extent not already so treated or taxed.~~ Any successor General Partner elected in accordance with the terms of this Section 13.2 shall be subject to the provisions of Section 12.3.

Section 13.3 *Interest of Departing Partner and ~~Successor~~ General Partner.*

(a) In the event of (i) withdrawal of the General Partner under circumstances where such withdrawal does not violate this Agreement or (ii) removal of the General Partner by the Limited Partners under circumstances where Cause does not exist, if a successor General Partner is elected in accordance with the terms

Table of Contents

of Section 13.1 or 13.2, the Departing Partner shall have the option exercisable prior to the effective date of the departure of such Departing Partner to require its successor to purchase its Partnership Interest as a general partner in the Partnership (which is represented by the General Partner Units) and its partnership interest as the general partner in the other Group Members (collectively, the “Combined Interest”) in exchange for an amount in cash equal to the fair market value of such Combined Interest, such amount to be determined and payable as of the effective date of its departure. For purposes of this Section 13.3, the Withdrawing General Partner hereby waives the right to require the ~~Successor~~ General Partner to purchase its Combined Interest. If the General Partner is removed by the Limited Partners under circumstances where Cause exists or if the General Partner withdraws under circumstances where such withdrawal violates this agreement, and if a successor General Partner is elected in accordance with the terms of Section 13.1 or 13.2, such successor shall have the option, exercisable prior to the effective date of the departure of such Departing Partner, to purchase the Combined Interest of the Departing Partner for such fair market value of such Combined Interest. In either event, the Departing Partner shall be entitled to receive all reimbursements due such Departing Partner pursuant to Section 6.4, including any employee-related liabilities (including severance liabilities), incurred in connection with the termination of any employees employed by the General Partner for the benefit of the Partnership or the other Group Members.

For purposes of this Section 13.3(a), the fair market value of the Departing Partner’s Combined Interest shall be determined by agreement between the Departing Partner and its successor or, failing agreement within 30 days after the effective date of such Departing Partners departure, by an independent investment banking firm or other independent expert selected by the Departing Partner and its successor, which, in turn, may rely on other experts and the determination of which shall be conclusive as to such matter. If such parties cannot agree upon one independent investment banking firm or other independent expert within 45 days after the effective date of such departure, then the Departing Partner shall designate an independent investment banking firm or other independent expert, the Departing Partner’s successor shall designate an independent investment banking firm or other independent expert, and such firms or experts shall mutually select a third independent investment banking firm or independent expert, which shall determine the fair market value of the Combined Interest. In making its determination, such independent investment banking firm or other independent expert shall consider the then current trading price of Units on any National Securities Exchange on which Units are then listed, the value of the Partnership’s assets, the rights and obligations of the General Partner and other factors it may deem relevant.

(b) If the Combined Interest is not purchased in the manner set forth in Section 13.3(a), the Departing Partner shall become a Limited Partner and the Combined Interest shall be converted into Common Units pursuant to a valuation made by an investment banking firm or other independent expert selected pursuant to Section 13.3(a), without reduction in such Partnership Interest (but subject to proportionate dilution by reason of the admission of its successor). Any successor General Partner shall indemnify the Departing Partner as to all debts and liabilities of the Partnership arising on or after the date on which the Departing Partner becomes a Limited Partner. For purposes of this Agreement, conversion of the General Partner’s Combined Interest to Common Units will be characterized as if the General Partner contributed its Combined Interest to the Partnership in exchange for the newly issued Common Units.

(c) If a successor General Partner is elected in accordance with the terms of Section 13.1 or 13.2 and the option described in Section 13.3(a) is not exercised by the party entitled to do so, the successor General Partner shall, at the effective date of its admission to the Partnership, contribute to the Partnership cash in an amount equal to the fair market value of the Combined Interest on such date. In such event, such successor General Partner shall, subject to the following sentence, be entitled to such Percentage Interest of all Partnership allocations and distributions and any other allocations and distributions to which the Departing Partner was entitled.

Section 13.4 *Withdrawal of Limited Partners.*

No Limited Partner shall have any right to withdraw from the Partnership; provided however, that when a transferee of a Limited Partner's Units becomes a Record Holder, such transferring Limited Partner shall cease to be a Limited Partner with respect to the Units so transferred.

ARTICLE XIV

DISSOLUTION AND LIQUIDATION

Section 14.1 *Dissolution.*

The Partnership shall not be dissolved by the admission of Substituted Limited Partners or Additional Limited Partners or by the admission of a successor General Partner in accordance with the terms of this Agreement. Upon the removal or withdrawal of the General Partner, if a successor General Partner is elected pursuant to Section 13.1 or 13.2, the Partnership shall not be dissolved and such successor General Partner shall continue the business of the Partnership. The Partnership shall dissolve, and (subject to Section 14.2) its affairs shall be wound up, upon:

- (a) the expiration of its term as provided in Section 1.5;
- (b) an Event of Withdrawal of the General Partner as provided in Section 13.1(a) (other than Section 13.1(a)(ii)), unless a successor is elected and an Opinion of Counsel is received as provided in Section 13.1(b) or 13.2 and such successor is admitted to the Partnership pursuant to Section 12.3;
- (c) an election to dissolve the Partnership by the General Partner that is approved by holders of at least a Unit Majority;
- (d) entry of a decree of judicial dissolution of the Partnership pursuant to the provisions of the Delaware Act; or
- (e) the sale of all or substantially all of the assets and properties of the Partnership Group.

Section 14.2 *Continuation of the Business of the Partnership After Dissolution.*

Upon (a) dissolution of the Partnership following an Event of Withdrawal caused by the withdrawal or removal of the General Partner as provided in Section 13.1(a)(i) or (iii) and the failure of the Partners to select a successor to such Departing Partner pursuant to Section 13.1 or 13.2, then within 90 days thereafter, or (b) dissolution of the Partnership upon an event constituting an Event of Withdrawal as defined in Section 13.1(a)(iv), (v) or (vi), then, to the maximum extent permitted by law, within 180 days thereafter, holders of at least a majority of the Outstanding Units (excluding for purposes of such determination any Units held by the General Partner or its Affiliates) may elect to continue the business of the Partnership on the same terms and conditions set forth in this Agreement having as the successor general partner a Person approved by holders of at least a majority of the Outstanding Units (excluding for purposes of such determination any Units held by the General Partner or its Affiliates). Unless such an election is made within the applicable time period as set forth above, the Partnership shall conduct only activities necessary to wind up its affairs. If such an election is so made, then:

- (i) the Partnership shall continue without dissolution until the end of the term set forth in Section 1.5 unless earlier dissolved in accordance with this Article XIV;

Table of Contents

(ii) if the successor General Partner is not the former General Partner, then the interest of the former General Partner shall be dealt with in the manner provided in Section 13.3(b); and

(iii) the successor General Partner shall be admitted to the Partnership as General Partner, effective as of the Event of Withdrawal, by agreeing in writing to be bound by this Agreement; provided, that the right of holders of at least a majority of Outstanding Units to approve a successor General Partner and to reconstitute and to continue the business of the Partnership shall not exist and may not be exercised unless the Partnership has received an Opinion of Counsel that (x) the exercise of the right would not result in the loss of limited liability of any Limited Partner and (y) ~~neither the Partnership, nor any other Group Member would be treated as an association taxable as a corporation or otherwise be taxable as an entity for federal income tax purposes upon the exercise of such right to continue to the extent not already so treated or taxed.~~

Section 14.3 *Liquidator.*

Upon dissolution of the Partnership, unless the business of the Partnership is continued pursuant to Section 14.2, the General Partner, or in the event the dissolution is the result of an Event of Withdrawal, a liquidator or liquidating committee approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests, shall be the Liquidator. The Liquidator (if other than the General Partner) shall be entitled to receive such compensation for its services as may be approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests. The Liquidator shall agree not to resign at any time without 15 days' prior notice and (if other than the General Partner) may be removed at any time, with or without cause, by notice of removal approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests. Upon dissolution, removal or resignation of the Liquidator, a successor and substitute Liquidator (who shall have and succeed to all rights, powers and duties of the original Liquidator) shall within 30 days thereafter be approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests. The right to approve a successor or substitute Liquidator in the manner provided herein shall be deemed to refer also to any such successor or substitute Liquidator approved in the manner herein provided. Except as expressly provided in this Article XIV, the Liquidator approved in the manner provided herein shall have and may exercise, without further authorization or consent of any of the parties hereto, all of the powers conferred upon the General Partner under the terms of this Agreement (but subject to all of the applicable limitations, contractual and otherwise, upon the exercise of such powers other than the limitation on sale set forth in Section 6.3(b)) to the extent necessary or desirable in the good faith judgment of the Liquidator to carry out the duties and functions of the Liquidator hereunder for and during such period of time as shall be reasonably required in the good faith judgment of the Liquidator to complete the winding up and liquidation of the Partnership as provided for herein.

Section 14.4 *Liquidation.*

The Liquidator shall proceed to dispose of the assets of the Partnership, discharge its liabilities, and otherwise wind up its affairs in such manner and over such period as the Liquidator determines to be in the best interest of the Partners, subject to the following:

(a) **Disposition of Assets.** The assets may be disposed of by public or private sale or by distribution in kind to one or more Partners on such terms as the Liquidator and such Partner or Partners may agree. If any property is distributed in kind, the Partner receiving the property shall be deemed for purposes of Section 14.4(c) to have received cash equal to its fair market value; and contemporaneously therewith, appropriate cash distributions must be made to the other Partners. For purposes of computing Net Termination Gain, gain or loss on distributed property shall be recognized as if such property had been sold for its fair market value.

(b) **Discharge of Liabilities.** Liabilities of the Partnership include amounts owed to Partners otherwise than in respect of their distribution rights under Article V. With respect to any liability that is contingent or is otherwise not yet due and payable, the Liquidator shall either settle such claim for such amount as it thinks appropriate or establish a reserve of cash or other assets to provide for its payment. When paid, any unused portion of the reserve shall be distributed as additional liquidation proceeds.

Table of Contents

(c) Liquidation Distributions. All property and all cash in excess of that required to discharge the liabilities as provided in Section 14.4(b) shall be distributed to the Partners in accordance with, and to the extent of, the positive balances in their respective Capital Accounts, as determined after taking into account all Capital Account adjustments (other than those made by reason of this clause) for the taxable year of the Partnership during which the liquidation of the Partnership occurs (-with such date of occurrence being determined pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(g)), and such distribution shall be made by the end of such taxable year (or, if later, within 90 days after said date of such occurrence). Notwithstanding the foregoing, (i) if the General Partner determines in its sole discretion that the positive balance in the Capital Account of any Limited Partner holding Common Units at the time of distributions pursuant to this Section 14.4(c) is less than the positive Capital Account balance such Limited Partner would have had at such time if the Tax Election had not been made, the General Partner shall have the authority if it deems necessary to adjust the allocations of Net Income and Net Loss (or items of Net Income and Net Loss) made pursuant to Section 5.1 for the taxable year of the Partnership during which the liquidation of the Partnership occurs to cause the positive balance in the Capital Account of each Limited Partner at the time of distributions pursuant to this Section 14.4(c) to not be materially different than the positive Capital Account balance such Limited Partner would have had at such time if the Tax Election had not been made; provided that in no event may the General Partner reduce the positive Capital Account balance of any Limited Partner holding Common Units at the time of distributions pursuant to this Section 14.4(c) and (ii) 50% of all distributions which the General Partner would be entitled to receive with respect to its general partner interest shall be ~~paid to~~retained by the Partnership to fund the Plan in accordance with the terms of the Plan.

Section 14.5 Cancellation of Certificate of Limited Partnership.

Upon the completion of the distribution of Partnership cash and property as provided in Sections 14.3 and 14.4 in connection with the liquidation of the Partnership, the Partnership shall be terminated and the Certificate of Limited Partnership and all qualifications of the Partnership as a foreign limited partnership in jurisdictions other than the State of Delaware shall be canceled and such other actions as may be necessary to terminate the Partnership shall be taken.

Section 14.6 Return of Capital Contributions.

The General Partner shall not be personally liable for, and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate, the return of the Capital Contributions of the Limited Partners, or any portion thereof, it being expressly understood that any such return shall be made solely from Partnership assets.

Section 14.7 Waiver of Partition.

To the maximum extent permitted by law, each Partner hereby waives any right to partition of the Partnership property.

Section 14.8 Capital Account Restoration.

No Limited Partner shall have any obligation to restore any negative balance in its Capital Account upon liquidation of the Partnership. The General Partner shall be obligated to restore any negative balance in its Capital Account upon liquidation of its interest in the Partnership by the end of the taxable year of the Partnership during which such liquidation occurs, or, if later, within 90 days after the date of such liquidation.

ARTICLE XV

AMENDMENT OF PARTNERSHIP AGREEMENT; MEETINGS; RECORD DATE

Section 15.1 *Amendment to be Adopted Solely by General Partner.*

Each Limited Partner agrees that the General Partner (pursuant to its powers of attorney from the Limited Partners and Assignees), without the approval of any Limited Partner or Assignee, may amend any provision of this Agreement and execute, swear to, acknowledge, deliver, file and record whatever documents may be required in connection therewith, to reflect:

(a) a change in the name of the Partnership, the location of the principal place of business of the Partnership, the registered agent of the Partnership or the registered office of the Partnership;

(b) admission, substitution, withdrawal or removal of Partners in accordance with this Agreement;

(c) a change that, in the sole discretion of the General Partner, is necessary or advisable to qualify or continue the qualification of the Partnership as a limited partnership or a partnership in which the limited partners have limited liability under the laws of any state ~~or to ensure that the Partnership will be treated as an association taxable as a corporation or otherwise taxed as an entity for federal income tax purposes;~~

If such an amendment is proposed, the General Partner shall seek the written approval of the requisite percentage of Outstanding Units or call a meeting of the Limited Partners to consider and vote on such proposed amendment. The General Partner shall notify all Record Holders upon final adoption of any such proposed amendments.

Section 15.3 Amendment Requirements.

(b) Notwithstanding the provisions of Sections 15.1 and 15.2, no amendment to this Agreement may (i) enlarge the obligations of any Limited Partner without its consent, unless such shall be deemed to have occurred as a result of an amendment approved pursuant to Section 15.3(c), (ii) enlarge the obligations of, restrict in any way any action by or rights of, or reduce in any way the amounts distributable, reimbursable or otherwise payable to, the General Partner without its consent, which may be given or withheld in its sole discretion, (iii) change Section 14.1(a) or (c), or (iv) change the term of the Partnership or, except as set forth in Section 14.1(c), give any Person the right to dissolve the Partnership.

Section 15.4 *Meetings.*

All acts of Limited Partners to be taken pursuant to this Agreement shall be taken in the manner provided in this Article XV. Meetings of the Limited Partners may be called by the General Partner or by Limited Partners owning 20% or more of the Outstanding Units of the class or classes for which a meeting is proposed. Limited Partners shall call a meeting by delivering to the General Partner one or more requests in writing stating that the signing Limited Partners wish to call a meeting and indicating the general or specific purposes for which the meeting is to be called. Within 60 days after receipt of such a call from Limited Partners or within such greater time as may be reasonably necessary for the Partnership to comply with any statutes, rules, regulations, listing agreements or similar requirements governing the holding of a meeting or the solicitation of proxies for use at such a meeting, the General Partner shall send a notice of the meeting to the Limited Partners either directly or indirectly through the Transfer Agent. A meeting shall be held at a time and place determined by the General Partner on a date not less than 10 days nor more than 60 days after the mailing of notice of the meeting.

Section 15.5 *Notice of a Meeting.*

Notice of a meeting called pursuant to Section 15.4 shall be given to the Record Holders in writing by mail or other means of written communication in accordance with Section 18.1. The notice shall be deemed to have been given at the time when deposited in the mail or sent by other means of written communication.

Section 15.6 *Record Date.*

For purposes of determining the Limited Partners entitled to notice of or to vote at a meeting of the Limited Partners or to give approvals without a meeting as provided in Section 15.11, the General Partner may set a Record Date, which shall not be less than 10 nor more than 60 days before (a) the date of the meeting (unless such requirement conflicts with any rule, regulation, guideline or requirement of any National Securities Exchange on which the Units are listed for trading, in which case the rule, regulation, guideline or requirement of such exchange shall govern) or (b) in the event that approvals are sought without a meeting, the date by which Limited Partners are requested in writing by the General Partner to give such approvals.

Section 15.7 *Adjournment.*

When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting and a new Record Date need not be fixed, if the time and place thereof are announced at the meeting at which the adjournment is taken, unless such adjournment shall be for more than 45 days. At the adjourned meeting, the Partnership may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 45 days or if a new Record Date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given in accordance with this Article XV.

Section 15.8 *Waiver of Notice; Approval of Meeting; Approval of Minutes.*

The transactions of any meeting of Limited Partners, however called and noticed, and whenever held, shall be as valid as if occurred at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, Limited Partners representing such quorum who were present in person or by proxy and entitled to vote, sign a written waiver of notice or an approval of the holding of the meeting or an approval of the minutes thereof. All waivers and approvals shall be filed with the Partnership records or made a part of the minutes of the meeting. Attendance of a Limited Partner at a meeting shall constitute a waiver of notice of the meeting, except when the Limited Partner does not approve, at the beginning of the meeting, of the transaction of any business because the meeting is not lawfully called or convened; and except that attendance at a meeting is not a waiver of any right to disapprove the consideration of matters required to be included in the notice of the meeting, but not so included, if the disapproval is expressly made at the meeting.

Section 15.9 *Quorum.*

The holders of a majority of the Outstanding Units of the class or classes for which a meeting has been called represented in person or by proxy shall constitute a quorum at a meeting of Limited Partners of such class or classes unless any such action by the Limited Partners requires approval by holders of a greater percentage of such Units, in which case the quorum shall be such greater percentage. At any meeting of the Limited Partners duly called and held in accordance with this Agreement at which a quorum is present, the act of Limited Partners holding Outstanding Units that in the aggregate represent a majority of the Outstanding Units entitled to vote and be present in person or by proxy at such meeting shall be deemed to constitute the act of all Limited Partners, unless a greater or different percentage is required with respect to such action, under the provisions of this Agreement, in which case the act of the Limited Partners holding Outstanding Units that in the aggregate represent at least such greater or different percentage shall be required. The Limited Partners present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough Limited Partners to leave less than a quorum, if any action taken (other than adjournment) is approved by the required percentage of Outstanding Units specified in this Agreement. In the absence of a quorum any meeting of Limited Partners may be adjourned from time to time by the affirmative vote of holders of at least a majority of the Outstanding Units represented either in person or by proxy, but no other business may be transacted, except as provided in Section 15.7.

Section 15.10 *Conduct of Meeting.*

The General Partner shall have full power and authority concerning the manner of conducting any meeting of the Limited Partners or solicitation of approvals in writing, including the determination of Persons entitled to vote, the existence of a quorum, the satisfaction of the requirements of Section 15.4, the conduct of voting, the validity and effect of any proxies and the determination of any controversies, votes or challenges arising in connection with or during the meeting or voting. The General Partner shall designate a Person to serve as chairman of any meeting and shall further designate a Person to take the minutes of any meeting. All minutes shall be kept with the records of the Partnership maintained by the General Partner. The General Partner may make such other regulations consistent with the applicable law and this Agreement as it may deem advisable concerning the conduct of any meeting of the Limited Partners or solicitation of approvals in writing, including regulations in regard to the appointment of proxies, the appointment and duties of inspectors of votes and approvals, the submission and examination of proxies and other evidence of the right to vote, and the revocation of approvals in writing.

Section 15.11 *Action Without a Meeting.*

Any action that may be taken at a meeting of the Limited Partners may be taken without a meeting if an approval in writing setting forth the action so taken is signed by Limited Partners owning not less than the minimum percentage of the Outstanding Units that would be necessary to authorize or take such action at a meeting at which all the Limited Partners were present and voted. Prompt notice of the taking of action without a meeting shall be given to the Limited Partners who have not approved in writing. The General Partner may specify that any written ballot submitted to Limited Partners for the purpose of taking any action without a meeting shall be returned to the Partnership within the time period, which shall be not less than 20 days, specified by the General Partner. If a ballot returned to the Partnership does not vote all of the Units held by the Limited Partner, the Partnership shall be deemed to have failed to receive a ballot for the Units that were not voted. If approval of the taking of any action by the Limited Partners is solicited by any Person other than by or on behalf of the General Partner, the written approvals shall have no force and effect unless and until (a) they are deposited with the Partnership in care of the General Partner, (b) approvals sufficient to take the action proposed are dated as of a date not more than 90 days prior to the date sufficient approvals are deposited with the Partnership and (c) an Opinion of Counsel is delivered to the General Partner to the effect that the exercise of such right and the action proposed to be taken with respect to any particular matter (i) will not cause the Limited Partnership to be deemed to be taking part in the management and control of the business and affairs of the

Partnership so as to jeopardize the Limited Partners' limited liability, and (ii) is otherwise permissible under the state statutes then governing the rights, duties and liabilities of the Partnership and the Partners.

Section 15.12 *Voting and Other Rights.*

(a) Only those Record Holders of the Units on the Record Date set pursuant to Section 15.6 (and also subject to the limitations contained in the definition of "Outstanding") shall be entitled to notice of, and to vote at, a meeting of Limited Partners or to act with respect to matters as to which the holders of the Outstanding Units have the right to vote or to act. All references in this Agreement to votes of, or other acts that may be taken by, the Outstanding Units shall be deemed to be references to the votes or acts of the Record Holders of such Outstanding Units.

(b) With respect to Units that are held for a Person's account by another Person (such as a broker, dealer, bank, trust company or clearing corporation, or an agent of any of the foregoing), in whose name such Units are registered, such other Person shall, in exercising the voting rights in respect of such Units on any matter, and unless the arrangement between such Persons provides otherwise, vote such Units in favor of, and at the direction of, the Person who is the beneficial owner, and the Partnership shall be entitled to assume it is so acting without further inquiry. The provisions of this Section 15.12(b) (as well as all other provisions of this Agreement) are subject to the provisions of Section 10.4.

(a) The General Partner, upon its approval of the Merger Agreement, shall direct that the Merger Agreement be submitted to a vote of Limited Partners, whether at a meeting or by written consent, in either case in accordance with the requirements of Article XV. A copy or a summary of the Merger Agreement shall be included in or enclosed with the notice of a meeting or the written consent.

(b) The Merger Agreement shall be approved upon receiving the affirmative vote or consent of the holders of a Unit Majority unless the Merger Agreement contains any provision that, if contained in an amendment to this Agreement, the provisions of this Agreement or the Delaware Act would require the vote or consent of a greater percentage of the Outstanding Units or of any class of Limited Partners, in which case such greater percentage vote or consent shall be required for approval of the Merger Agreement.

(c) After such approval by vote or consent of the Limited Partners, and at any time prior to the filing of the certificate of merger pursuant to Section 16.4, the merger or consolidation may be abandoned pursuant to provisions therefor, if any, set forth in the Merger Agreement.

(b) A merger or consolidation effected pursuant to this Article shall not be deemed to result in a transfer or assignment of assets or liabilities from one entity to another having occurred.

ARTICLE XVII

RIGHT TO ACQUIRE UNITS

Section 17.1 *Right to Acquire Units.*

(a) Notwithstanding any other provision of this Agreement, if at any time not more than 20% of the total Units of any class then Outstanding are held by Persons other than the General Partner and its Affiliates, the General Partner shall then have the right, which right it may assign and transfer to the Partnership or any Affiliate of the General Partner, exercisable in its sole discretion, to purchase all, but not less than all, of the Units of such class then Outstanding held by Persons other than the General Partner and its Affiliates, at the greater of (x) the Current Market Price as of the date three days prior to the date that the notice described in Section 17.1(b) is mailed, and (y) the highest cash price paid by the General Partner or any of its Affiliates for any such Unit purchased during the 90-day period preceding the date that the notice described in Section 17.1(b) is mailed.

(b) If the General Partner, any Affiliate of the General Partner or the Partnership elects to exercise the right to purchase Units granted pursuant to Section 17.1(a), the General Partner or the Partnership, as the case may be, shall deliver to the Transfer Agent notice of such election to purchase (the "Notice of Election to Purchase") and shall cause the Transfer Agent to mail a copy of such Notice of Election to Purchase to the Record Holders of such Units (as of a Record Date selected by the General Partner) at least 10, but not more than 60 days prior to the Purchase Date. Such Notice of Election to Purchase shall also be published for a period of at least three consecutive days in at least two daily newspapers of general circulation printed in the English language and published in the Borough of Manhattan, New York. The Notice of Election to Purchase shall specify the Purchase Date and the price (determined in accordance with Section 17.1(a)) at which Units will be purchased and state that the General Partner, its Affiliate or the Partnership, as the case may be, elects to purchase such Units, upon surrender of Certificates representing such Units in exchange for payment at such office or offices of the Transfer Agent as the Transfer Agent may specify, or as may be required by any National Securities Exchange on which the Units are listed or admitted to trading. Any such Notice of Election to Purchase mailed to a Record Holder of Units at his address as reflected in the records of the Transfer Agent shall be conclusively presumed to have been given regardless of whether the owner receives such notice. On or prior to the Purchase Date, the General Partner, its Affiliate or the Partnership, as the case may be, shall deposit with the Transfer Agent cash in an amount sufficient to pay the aggregate purchase price of all of the Units to be purchased in accordance with this Section 17.1. If the Notice of Election to Purchase shall have been duly given as aforesaid at least 10 days prior to the Purchase Date, and if on or prior to the Purchase Date the deposit described in the preceding sentence has been made for the benefit of the holders of Units subject to purchase as provided herein, then from and after the Purchase Date, notwithstanding that any Certificate shall not have been surrendered for purchase, all rights of the holders of such Units (including any rights pursuant to Articles IV, V and XIV) shall thereupon cease, except the right to receive the purchase price (determined in accordance with Section 17.1(a)) for Units therefor, without interest, upon surrender to the Transfer Agent of the Certificates

(c) At any time from and after the Purchase Date, a holder of an Outstanding Unit subject to purchase as provided in this Section 17.1 may surrender his Certificate evidencing such Unit to the Transfer Agent in exchange for payment of the amount described in Section 17.1(a), therefor, without interest thereon.

If any notice, payment or report addressed to a Record Holder at the address of such Record Holder appearing on the books and records of the Transfer Agent or the Partnership is returned by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver it, such notice, payment or report and any subsequent notices, payments and reports shall be deemed to have been duly given or made without further mailing (until such time as such Record Holder or another Person notifies the Transfer Agent or the Partnership of a change in his address) if they are available for the Partner or Assignee at the principal office of the Partnership for a period of one year from the date of the giving or making of such notice, payment or report to the other Partners and Assignees. Any notice to the Partnership shall be deemed given if received by the General Partner at the principal office of the Partnership designated pursuant to Section 1.3. (ii) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), except proportionately as a Partner of the Partnership, to or with the Interested Holder, whether as part of a dissolution or otherwise, of assets of the Partnership or of any direct or indirect majority-owned subsidiary of the Partnership which assets have an aggregate market value equal to 10% or more of either the aggregate market value of all the assets of the Partnership determined on a consolidated basis or the aggregate market value of all the Outstanding Units of the Partnership;

(iii) any transaction which results in the issuance or transfer by the Partnership or by any direct or indirect majority-owned subsidiary of the Partnership of any securities of the Partnership or of such subsidiary to the Interested Holder, except (A) pursuant to the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into securities of the Partnership or any such subsidiary which securities were outstanding prior to the time that the Interested Holder became such, (B) pursuant to a merger of the Partnership with or into a single direct or indirect wholly-owned subsidiary of the Partnership in a transaction that would meet the requirements of Section 251(g) of the Delaware General Corporation Law, if the Partnership was a corporation, (C) pursuant to a dividend or distribution paid or made, or the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into securities of the Partnership or any such subsidiary which security is distributed, pro rata to all holders of a class or series of securities of such Partnership subsequent to the time the Interested Holder became such, (D) pursuant to an exchange offer by the Partnership to purchase Units made on the same terms to all holders of said Units, or (E) any issuance or transfer of Units by the Partnership, provided however, that in no case under (B)-(D) above shall there be an increase in the Interested Holder’s proportionate share of the securities of any class or series of the Partnership or of the Units of the Partnership;

For the purpose of determining whether a person is an Interested Holder, the Outstanding Units shall include Units deemed to be owned by the Person through application of paragraph (e) of this subsection but shall not include any other unissued Units which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

(d) “owner” including the terms “own” and “owned” when used with respect to any Units means a person that individually or with or through any of its affiliates or associates:

(i) beneficially owns such Units, directly or indirectly; or
