Star Gas Partners, L.P. to Release Fiscal 2016 Second Quarter Results the Morning of May 4, 2016

Will Host Webcast and Conference Call May 5, 2016

STAMFORD, Conn., April 29, 2016 (GLOBE NEWSWIRE) -- Star Gas Partners, L.P. (the "Partnership" or "Star") (NYSE:SGU), a home energy distributor and services provider, today announced that it will release its fiscal 2016 second quarter results before the markets open on May 4, 2016, rather than after the close of trading that day. Members of Star's management team will host a webcast and conference call at 11:00 a.m. Eastern Time on May 5, 2016 to review the three and six months ended March 31, 2016.

The webcast will be accessible on the company's website, at www.star-gas.com/events.cfm, and the telephone number for the conference call is 877-327-7688 (or 412-317-5112 for international callers).

About Star Gas Partners, L.P.

Star Gas Partners, L.P. is a full service provider specializing in the sale of home heating products and services to residential and commercial customers to heat their homes and buildings. The Partnership also services and sells heating and air conditioning equipment to its home heating oil and propane customers and to a lesser extent, provides these offerings to customers outside of its home heating oil and propane customer base. In certain of Star's marketing areas, the Partnership provides home security and plumbing services primarily to its home heating oil and propane customer base. Star also sells diesel fuel, gasoline and home heating oil on a delivery only basis. Star is the nation's largest retail distributor of home heating oil based upon sales volume. Including our propane locations, we serve customers in the more northern and eastern states within the Northeast, Central and Southeast U.S. regions. Additional information is available by obtaining the Partnership's SEC filings at www.sec.gov and by visiting Star's website at www.star-gas.com, where unit holders may request a hard copy of Star's complete audited financial statements free of charge.
